A WORD ABOUT GRADING

Grading is an art and not a science and opinions of grade for a particular item can and will vary. We urge all bidders to examine lots they may wish to bid on prior to the sale, either in person or through their own agent. Grades stated are the opinion of the cataloguer given as a convenience to bidders to assist in identifying lots they may wish to examine themselves.

HOW TO BID BY MAIL

Bid as much as you are willing to pay for the lot you are interested in. Lots will be opened to floor bidders at approximately 5% over the second highest mail bid. For example:

> On lot 777 you bid $325. If the next highest mail bid is $260 the lot will be opened to floor bidders at $275. If no one bids higher ($300) from the floor you will be awarded the lot at $275. If we receive a bid of $300 from the floor, the book (your bid) will bid $325 for you. If the floor action stops here you will be awarded the lot at your full bid of $325. Should the bidding proceed past $325 the book (you) is out and a floor bidder will be awarded the lot.

In this manner you participate on an equal basis with floor bidders, and have an equal opportunity to obtain your lots well below your top bids.

A WORD ABOUT ESTIMATES

The estimates in this catalogue are guides to the bidders. We have tried to make them as accurate as possible. They are not intentionally low to allow us to claim bragging privileges as to how much over the estimate we obtained, nor are they high in an attempt to lure the unwary into bidding more than market. While it is a certainty that some items will bring somewhat under estimate, it is equally certain that some items will sell for over estimate. We would expect that the total estimates in this catalog will be within 10%, one way or the other, of the total prices realized.

SPECIAL THANKS

An undertaking of this size requires the informal assistance of a great number of collector and dealer friends. We wish to thank everyone who called on their specialized area of expertise to assist us where we were lacking.

In particular we would like to thank Mr. Martin Gengerke of Stack's, who allowed us to access his pioneering research in both Large Type and Nationals. His voluminous computer files are helping to transform the currency market from pricing based on hearsay to prices based on objective research.

Thanks are also due to Mr. Ron Horstman, Executive Secretary of the PCDA, for his invaluable assistance.

Thank you, friends and colleagues,

Len, Allen, and Kevin

All uncancelled Connecticuts are scarce, and this one is as fine as any that exists. (250-up)

6 **Connecticut June 19, 1776 6d New.** Slash cancelled. (50-up)

REMINDER —

A 10% Buyer's Fee will be added to all successful bids.

12 **Connecticut March 1, 1780.** Five different denominations from the same issue: 2s6d, 5s, 10s, 20s and 40s. All five notes grade **Choice New** and are cancelled with a quarter-sized hole. (5 pieces) (150-up)

13 **Connecticut June 1, 1780 20s Choice New.** The slash cancel has been restored and is nearly invisible. (60-up)

14 **Connecticut Stonington-Point Meeting House Lottery Ticket.** Dated July 20, 1793 and pen cancelled. A scarce Colonial ticket seldom seen in any condition. This one is nearly perfect. (250-up)

15 **Connecticut Fiscal Paper.** 21 pieces of several different types dated mostly 1789, made up of eight different multiples of two, three or four each. Several are hole cancelled. (250-up)

DELAWARE

16 **Delaware May 1, 1756 20s Fine.** Some minor restorations through the center but complete and with considerable detail, including the lion, the nature print, and the B. Franklin imprint. (100-up)

17 **Delaware March 1, 1758 20s Fine,** but split along the centerfold and sewn back together. "Printed by B. Franklin" is quite clear. (75-up)

18 **No Lot.**

19 **Delaware June 1, 1759 15s Very Good.** Fully Fine from the standpoint of wear but split in three pieces and sewn back together. The "Printed by B. Franklin" as well as the horse vignette are both completely clear on the back. (100-up)

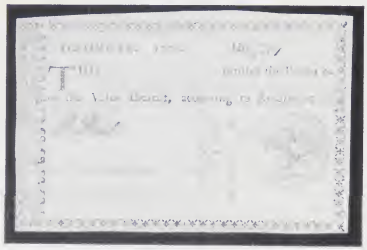
20 **Delaware June 1, 1759 15s Fine.** An exceptionally high grade for this Ben Franklin printed issue. Every word on both sides is fully legible. (200-up)

21 **Delaware January 1, 1776 10s Choice New.** A lovely example perfect for a type set. (175-up)

22 **Delaware January 1, 1776 20s Gem New.** Nice even margins and superb printing, a beautiful Delaware note for type. (200-up)

23 **Delaware January 1, 1776 20s Choice New.** (150-up)

GEORGIA



24 **Georgia 1776 Light Blue Seal $4 Choice Extra Fine.** A well centered magnificent note with nice original embossing and a spectacularly sharp and clear Liberty Cap vignette. Flawless but for a few tiny pinholes, this unmolested note is among the finest known. (600-up)

MARYLAND

25 **Maryland March 1, 1770 $6 Choice Extra Fine.** Well margined and with a far larger piece of the indent present than is normally seen. (125-up)

28 **Massachusetts October 16, 1778 4s Gem New.** One of the very nicest Codfish notes we have ever seen. This beauty isvery well printed, bright, and well margined. The face plate was engraved by Paul Revere for the 1776 issue and was re-engraved by him to change the date to this later issue. This issue was also printed by Paul Revere, although some contend that he printed only the faces, the backs having been printed by Thomas Fleet. (850-up)

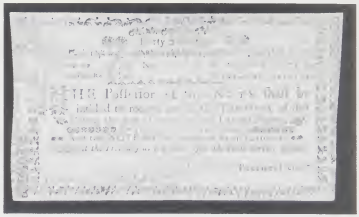
29 **Massachusetts May 5, 1780 $5 Choice New.** Lightly pen cancelled rather than the typical obnoxious large hole. (75-up)

30 **Massachusetts May 5, 1780 $8 Gem New.** Cancelled only by having the signatures lightly crossed out in red without the normal hole or slash cancel. (125-up)

NEW HAMPSHIRE

31 **New Hampshire November 3, 1775 30s Choice Extra Fine.** Listed as a counterfeit in Newman, although we have long believed that these "counterfeits" were actually deliberate overruns from the proper plates signed by the genuine signers, and that an overlap exists of the types listed as genuine and those listed as counterfeit. (600-up)

MAIL BIDDERS
Please check your bid sheet carefully to ensure against errors. We can not be responsible for your errors in bidding.



32 **New Hampshire November 3, 1775 40s About New.** A lovely representation of this difficult Colony. This variety is listed as genuine by Newman, as no counterfeits are known with this due date of December 20, 1780. Clean, fresh and with lots of original embossing, this beauty would be a Gem minus its two light folds. (850-up)

33 **New Hampshire April 29, 1780 $3 Fine.** Cancelled with a nickel-sized hole. (150-up)

34 **New Hampshire April 29, 1780 $20 Choice About New.** Hole cancelled with a quarter-sized hole as is almost all of this issue. (300-up)

NEW JERSEY

35 **New Jersey June 22, 1756 1s Choice New.** A very nice example of this always poorly margined issue. The centering on this note is far better than most. (200-up)

36 **New Jersey June 22, 1756 1s Choice New.** Closely margined as always for the issue. (175-up)

37 **New Jersey December 31, 1763 12s Choice New.** Other than the usual close cut, this note is without a flaw. (100-up)

38 **New Jersey March 25, 1776 18d Superb Gem New.** With jumbo margins and sharp printing, this super-clean Gem boasts deep original embossing. This is an outstanding example of Colonial Currency. (500-up)

39 **New Jersey March 25, 1776 18d About New.** (40-up)

40 **New Jersey March 25, 1776 6s About New.** Bright and beautiful. (60-up)

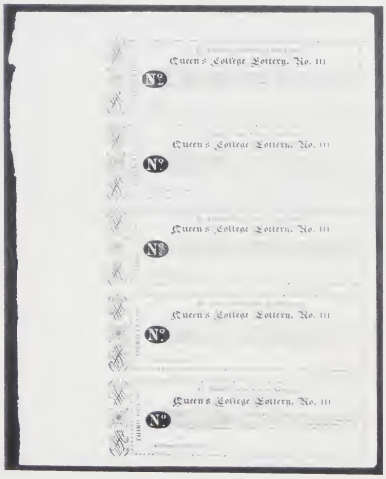
41 **New Jersey March 25, 1776 6s Very Fine.** Signed by John Hart, one of the signers of the Declaration of Independence. (200-up)

42 **New Jersey March 25, 1776 12s Choice New.** Boldly and darkly signed by John Hart, one of the signers of the Declaration of Independence. Quite scarce this nice. (500-up)

REMEMBER!
PLEASE SIGN YOUR BID SHEET!

43 **New Jersey March 25, 1776 £3 Very Choice New.** A brightly colored example of this tricolor New Jersey note, one of the most eye catching designs in all of Colonial currency. This one is totally fresh with lots of original embossing evident. (400-up)

44 **New Jersey January 9, 1781 Choice New.** But for a minor stain at one end, this is a lovely example of this late date, very scarce note. (350-up)



45 **An Uncut Sheet of 1814 New Jersey Lottery Tickets.** A sheet of five Queen's College lottery tickets from New Brunswick, New Jersey dated June 1814. (150-up)

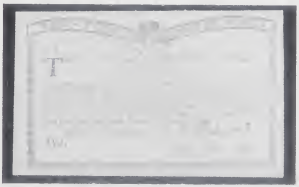
NEW YORK

45A **New York April 15, 1758 £10 Fine.** The corners of this scarce note are rounded. (100-up)

46 **New York February 16, 1771 £5.** Two pieces. Both grade **Very Fine** but both have been split and pinned back together. (2 pieces) (100-up)

47 **New York February 16, 1776 £10.** Four pieces. All are relatively high grade (approximately **Very Fine**) but all have been split and pinned or sewn. All but one have some pieces missing. (4 pieces) (100-up)

48 **New York August 2, 1775 2s About New.** (100-up)



49 **New York January 6, 1776 4s Choice New.** A gorgeous example of a New York Water Works note. What appears to be a light fold is in actuality an as made wrinkle. These notes were manufactured on paper that was glued together and the wrinkle is a result of that process. The faces are printed on a fine, light colored paper, and the backs on a much coarser, darker paper. (200-up)

50 **New York January 6, 1776 4s Choice New.** Fully Gem quality but for a single small stain. (150-up)

51 **New York March 5, 1776 4s Choice New.** (125-up)

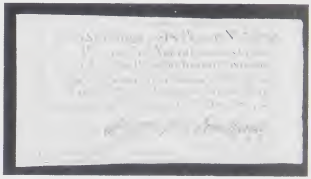
52 **New York March 5, 1776 8s Choice New.** (125-up)

53 **New York March 5, 1776 8s Choice New.** (125-up)

54 **New York March 5, 1776 8s.** A difficult note to grade as it is essentially **Gem New**, although its value is affected by a knife or razor slit near the left edge. (125-up)

NORTH CAROLINA

55 **North Carolina December, 1768 20s Very Fine.** Good looking and high grade for the issue. (100-up)

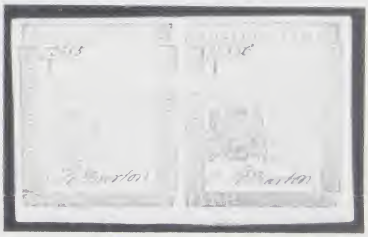


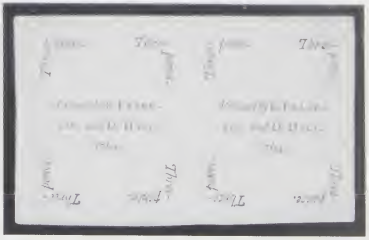
56 **North Carolina December 1771 2s6d Choice New.** A full Gem but for a tiny needle hole. (250-up)

57 **North Carolina April 2, 1776 $10 Extra Fine.** Very little circulation on this peacock-vignetted note, but there is some staining and a short repaired split. (150-up)

58 **North Carolina April 2, 1776 $20 Extra Fine.** Actually a higher grade from the standpoint of wear, but there is some aging at the edges and a minor nick in the top margin. This is the highest denomination of this issue. (250-up)

PENNSYLVANIA





59 **Pennsylvania June 18, 1764 3d Superb Horizontal Pair.** Each of the two consecutively numbered notes grades **Superb Gem New**. This is the first example we have seen of a signed and issued multiple of Ben Franklin printed notes. A significant Colonial period rarity worth at least… (2250-up)

60 **Pennsylvania March 20, 1771.** Two attractive **Very Fine** notes, one 5s and the other 10s. (2 pieces) (80-up)

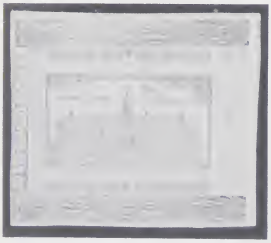
61 **Pennsylvania April 3, 1772 18d Extra Fine.** (60-up)

62 **Pennsylvania October 1, 1773 18d Fine.** (30-up)

63 **Pennsylvania October 1, 1773 50s Choice New.** (100-up)

64 **Pennsylvania October 1, 1773 50s About New.** Boldly printed. (75-up)

65 **Pennsylvania October 1, 1773.** Three **Choice New** notes, one each of the 15s, 20s, and 50s denominations. All three are very pretty. The 50s has a contemporary pen notation on the back. All three are from the same sheet. (3 pieces) (250-up)



66 **Pennsylvania April 10, 1775 £5 Very Choice New.** An extremely good looking example of this popular "Workhouse" issue which bears the vignette of the Philadelphia City Jail on the back of the note. (300-up)

67 **Pennsylvania April 10, 1775 £5 Choice New.** A nice looking Workhouse note that is a Gem in every respect but for the margins, which are close. (250-up)

68 **Pennsylvania April 10, 1777 20s Extra Fine.** A very nice example of the issue printed entirely in black. (75-up)

Bank of North America $1/90

69 **Pennsylvania August 6, 1789 $1/90 Choice New.** Printed on paper supplied by Benjamin Franklin, this lovely note bears the printed signature of Tench Francis, the cashier of the Bank of North America. (1000-up)

RHODE ISLAND

70 **Rhode Island September 5, 1776 $1/2 Very Fine.** This is a much scarcer seldom seen issue, with only 4000 pieces of this denomination originally printed. One of the few examples we have handled. (250-up)

71 **Rhode Island July 2, 1780 $1 Choice New.** (75-up)

72 **Rhode Island July 2, 1780 $4 Gem New.** A very common note, but absolutely as nice as they come. (100-up)

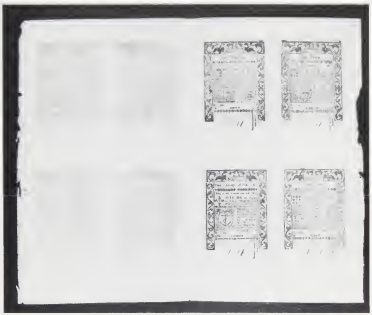
73 **Rhode Island July 2, 1780 - Double Sheet of 16.** An essentially flawless double sheet bearing two examples each of the $1, $2, $3, $4, $5, $7, $8 and $20 denomination for a total of 16 **Superb Gem** notes. The sheet is signed in brown by Comstock and in red by Harris. (1100-up)

74 **Rhode Island May 1786 5s About New.** Nice, but with a one inch clean tear. (30-up)

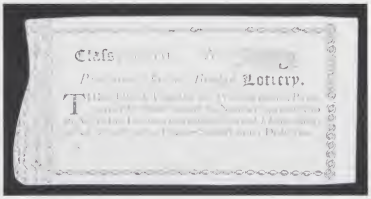
75 **Rhode Island May 1786 20s and 30s Horizontal Pair.** Both notes are free of circulation but the pair has been split across both of them and repaired on their backs with some sort of restoration tape. (50-up)

REMINDER —

A 10% Buyer's Fee will be added to all successful bids.



76 **Rhode Island May, 1786 - Double Sheet of 8.** The sheet contains two each of the 1s, 6d, 2s6d and 9d. Each of the eight individual notes is a perfect broad margined **Gem**. The sheet is signed by Comstock in red and Allen in brown. (750-up)



77 **Rhode Island Providence-Great Bridge Lottery.** A **Gem** piece, dated October 30, 1790 and flawless in every respect. (200-up)

78 **Rhode Island Smithfield Meeting House Lottery.** Dated October 1807, this ticket grades very nearly **New**. (150-up)

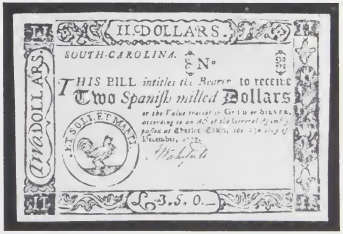
SOUTH CAROLINA

79 **South Carolina April 10, 1776 2s6d Choice About New.** A single light sheet fold separates this gorgeous note from the pure Gem category. (200-up)

REMEMBER!

PLEASE SIGN YOUR BID SHEET!

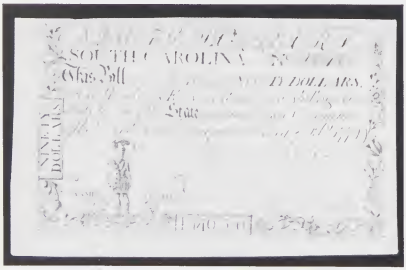


80 **South Carolina December 23, 1777(76) $2 Gem New.** A superb remainder note of this issue, signed by Wakefield only. We cannot recall seeing a brighter, better margined example for the entire issue. This is one of the earliest notes printed from this issue as it still has the incorrect 1777 dates which was later fixed to 1776. This error appeared only on the early printed $2 and $4 denominations. (400-up)

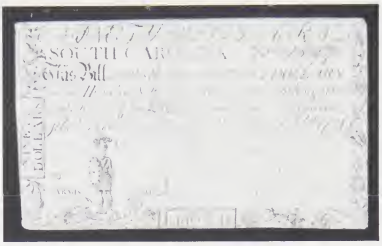
81 **South Carolina December 23, 1776 $4 Choice New.** A remainder note signed by Dart and Wakefield. (250-up)

82 **South Carolina December 23, 1776 $8 Gem New.** A remainder note signed only by Wakefield. Better printing quality and with more generous margins than usually seen on this issue. (350-up)

83 **South Carolina April 10, 1778 Cut Sheet of Four.** One each of the 2s6d, 3s9d, 5s and 10s. All grade **Choice New** and all are sharply printed and essentially flawless. (4 pieces) (800-up)



84 **South Carolina February 8, 1779 $90 New.** Totally free of any signs of circulation, but lightly stained at the left end of the face preventing a higher grade. This is one of the nicer examples we have seen of this issue, which bears the elaborate reverse engraving of Hercules strangling a lion. (700-up)



85 **South Carolina February 8, 1779 $90 Extra Fine.** A strongly printed, lightly circulated example of this popular note which bears the Thomas Coram engraving of Hercules strangling a lion. (300-up)

86 **South Carolina July 6, 1789 1s3d Choice New.** A lovely unsigned remainder of this scarce City of Charleston issue. This note bears an interesting typographical error where the word "Treasury" is misspelled "Treasusy." (500-up)

VIRGINIA

87 **Virginia March 1, 1781 $750 Choice About New.** A lovely problem-free example from this colony. Virginia Colonials are very scarce in grades above Very Fine. This beauty is perfect for a high-end Thirteen Colony set. (400-up)

88 **Early Currency Potpourri.**
Continental September 26, 1778 $8 Very Good.
Maryland - Washington Canal Lottery June, 1820 Very Fine.
New York - Manhattan Association of the City of New York $1 185_, unsigned remainder **Fine.**

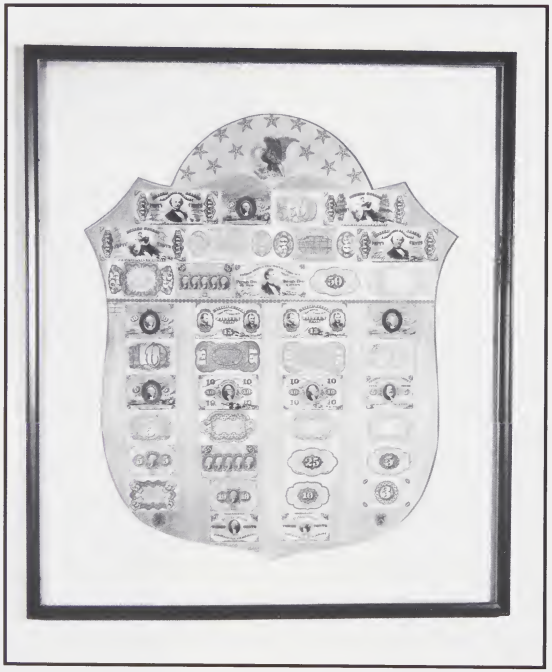
EXCESSIVELY RARE

PINK FRACTIONAL CURRENCY SHIELD

89 **Pink Fractional Currency Shield.** A very nice example of the excessively rare pink background Fractional Currency Shield. It is, in fact, considerably nicer than the pink Fractional Currency Shield we sold in our Memphis, 1995 sale. The notes, with the exception of the 25¢ Second Issue back, are extremely bright, including the Red Backs, which usually tend to fade. As always on Pink Shields, all four of the hand signed notes are the Colby-Spinner signature combination. The Grant Sherman Colby-Spinner hand signed piece is a rare note in its own right and this is a bright and beautiful example of it. The paper quality of the shield itself is exceptional, with no signs of tears or folds all the way out to its edges. There are the usual water stains, most notably at the bottom left and towards the middle right, affecting only two notes. In the hand of a professional restorer, these water stains would all but disappear, leaving a Pink Shield that would rank well in the top half of the approximately one dozen in existence. This great item is mounted in a period frame with its original wood back. (9500-up)

A MOST ATTRACTIVE

GRAY FRACTIONAL CURRENCY SHIELD



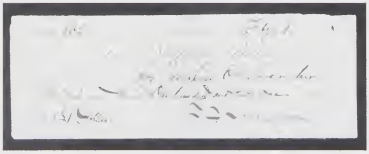
90 **Gray Fractional Currency Shield.** This Shield is far above average with perfect paper quality and only light toning on each of the notes. The only discolored note is the back of the Second Issue 25*c* as the ink used on this note was extremely light sensitive and the color change is almost always present. This Shield is matted with a mat cut to its exact shape. The mat has a presentation hand written at the lower left which reads "presented to my friend of many years, Mr. William J. Field, by William Halls, Jr. July first, 1929." (2750-up)

91 **CSA Paper Full Sheet.** An interesting story goes with this great historical item. A Civil War blockade runner, the "Bermuda" bound for Nassau in the Bahamas left Liverpool, England in March 1862 with a cargo of miscellaneous goods badly needed by the Confederacy. She was sighted during the crossing and captured by the Federal ship "Mercidita" on April 27, 1862. She was taken to Philadelphia, adjudged a legal prize of war and her cargo sold at auction. One of the articles of cargo in her holds was a consignment of bank note paper bound for Keating and Ball in Columbia, South Carolina, for use in printing Confederate currency. The sheets measured 13 inches by 17 inches and had the block CSA watermark eight times. The purchaser of this paper at auction was the U.S. Treasury Department, which used it extensively to print Fractional Currency Specimen Notes of the Second and Third Issues, many of which show parts of the CSA watermark identical to that on several Confederate Note Issues of 1861-3. (150-up)

92 **A Piece of C.S.A. Paper.** Cut from a full sheet so that a single C.S.A. watermark is perfectly centered. This paper, captured from the Confederacy, was used to print Fractional Specimens. (25-up)

SPINNER ITEMS

93 **Spinner Letter**
Dated July 5, 1862. A partially printed form filled out and signed by Spinner acknowledging the transfer of $2,000,000 in Legal Tender Notes to be forwarded to the Assistant Treasurer in New York via Adams Express. (125-up)



94 **A Spinner Check Drawn on the First National Bank of Jacksonville Florida.** Dated February 1, 1878. Wholly in Spinner's hand. (50-up)

95 **Two More.** Dated June 2 and August 23, 1880. Wholly in Spinner's hand. (90-up)

96 **Four More.** Dated June 2, 1880, and October 30, December 30, 1881 and January 3, 1882. Also in this lot is an invitation addressed to Spinner requesting his attendance at the commencement exercises for Duvall High School, June 9, 1881. (4 pieces) (125-up)

The Martin Delger Collection of Fractional Currency

We are honored to offer below an outstanding array of Fractional Currency, with many of the lots coming from the award winning collection of Mart Delger. For many years Mart has served tirelessly as the Exhibit Chairman for the Memphis International Paper Money Show. The continued success of the Memphis venue is due in no small part to Mart's ability to bring together the most important and educational exhibits in the paper money fraternity and present them in Memphis each year. Before becoming the Exhibit Chairman, Mart's own collection of Fractional Currency, which we now offer, won numerous awards, including Best of Show at Memphis. An individual m odest about his own collecting accomplishments, Mart is one of the true gentlemen in this hobby, and in all his endeavors has earned the respect and admiration of collectors everywhere.

FRACTIONAL CURRENCY

FIRST ISSUE

97 **Fr. 1228 5¢ First Issue Gem New.** Deep, full perforations all the way around highlight this lovely little note from the Mart Delger collection. (250-up)

98 **Fr. 1228 5¢ First Issue Gem New.** Very well centered and fully perforated all the way around. (250-up)

99 **Fr. 1228 5¢ First Issue.** A difficult note to grade, it is clearly strictly New and there is an inclination to call it Gem, but the perforations touch the design at the left. On the other hand, a margin strip extends far beyond them. The right hand perforations are way off line, extending into the next note. We suppose **Choice New** is the fairest grade, although in a value sense this note, for all its interesting attributes, will probably bring Gem money. (300-up)

100 **Fr. 1228 5¢ First Issue Choice New.** Fully perforated all the way around but the perforations touch at the right. (100-up)

101 **Fr. 1229 5¢ First Issue Choice New.** But for a single tight margin, this well-perforated no-monogram note would grade fully Gem. (175-up)

102 **Fr. 1229 5¢ First Issue Choice About New.** A very good looking deeply and fully perforated example of this no monogram note, a single very light centerfold away from a $400 item. (150-up)

103 **Fr. 1229 5¢ First Issue About New.** Scarce and fully perforated. (50-up)

104 **Fr. 1230 5¢ First Issue Complete Sheet of 20.** A magnificent **Gem New** sheet, fully margined out to its original edges. Bright and beautiful, with all 20 notes flawless as printed Gems, and as nice as any sheet we've ever offered. (2000-up)

105 **Fr. 1230 5¢ First Issue - Gutter Fold Error.** Grading **Choice New**, this note has a narrow but plainly visible gutter fold that opens to a blank area on both sides. This is an unusual error on Fractional. (75-up)

106 **Fr. 1230 5¢ First Issue Choice About New Inverted Reverse.** The most common of the Fractional Inverts but a very good looking example. (125-up)

107 **Fr. 1231 5¢ First Issue Choice New.** The scarce, no monogram, straight edge variety. (75-up)

108 **Fr. 1240 10¢ First Issue Gem New.** Fully perforated and very well margined, with nice original paper surfaces and pleasing color. A lovely high quality note. (250-up)

109 **Fr. 1240 10¢ First Issue Very Choice New.** Fully perforated, fresh and original. (175-up)

110 **Fr. 1241 10¢ First Issue Very Fine Inverted Reverse.** A very rare Fractional Invert. At the time of publication of Milt Friedberg's Encyclopedia this note was unique, with the piece from the 1958 ANA Kosoff Sale being the only example known. Although no longer unique, it is still an excessive rarity. Very Fine from the standpoint of wear, this note unfortunately shows some weakness on the face. (750-up)

111 **Fr. 1241 10¢ First Issue Gem New.** This scarce no-monogram variety has the full left hand selvage which includes plate number 1. Perforated notes other than the Fr. 1310a are almost never seen with their full plate margins. We cannot recall another 10¢ of either of the two Friedberg numbers. This note represents a rare opportunity for the serious collector. (500-up)

112 **Fr. 1241 10¢ First Issue Choice New.** Fully perforated and with excellent color, a difficult note to find this nice. (250-up)

113 **Fr. 1241 10¢ First Issue About New.** The scarce no monogram variety. (75-up)

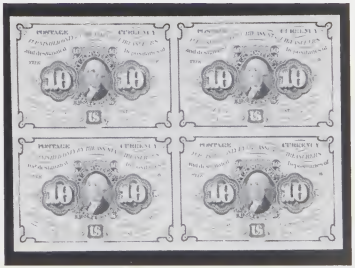
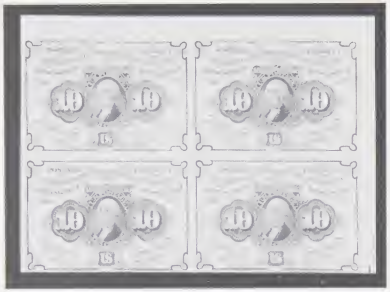
114 **Fr. 1242 10¢ Block of Eight. A Gem New** block having its full top and bottom selvage, although trimmed somewhat tightly at the sides. Each of the notes is fresh and original and the block itself is flawless. (250-up)



115 **Fr. 1242 10¢ First Issue Superb Gem New Block of Four.** All four notes and the block itself have their absolute maximum margins. The surfaces are crinkly and original. This is a pristine Fractional piece that would complement the finest collection. (750-up)



116 **Fr. 1242 10¢ First Issue Block of Four.** All four notes and the block itself grade **Gem New**. This "40¢ piece" could be cut into a **Superb Gem** and three **Choice** notes. (4 pieces) (400-up)

117 **Fr. 1242 10¢ First Issue Superb Gem New.** An unimprovable beauty with four boardwalk margins and crinkly original surfaces. This is absolutely as nice as these come. (300-up)

118 **Fr. 1242 10¢ First Issue Superb Gem New.** Humongous margins all the way around. Fresh and fully original, an utterly Superb piece. (300-up)

119 **Fr. 1242 10¢ First Issue Gem New.** (100-up)

120 **Fr. 1242 10¢ First Issue Vertical Pair Very Choice New.** (75-up)

121 **Five Fr. 1242s.** Four **Choice New** and one **About New**. (5 pieces) (150-up)

122 **Fr. 1243 10¢ First Issue Gem New.** Completely original and well margined, a lovely example of this rare number. (300-up)

123 **Fr. 1243 10¢ First Issue Very Choice New.** Fresh paper surfaces and way better than average margins carry this beauty from the Delger collection to the very edge of the Gem grade. (250-up)

124 **Fr. 1279 25¢ First Issue Gem New.** Deeply and fully perforated on all four sides. This handsome Postage Currency note is extremely well printed with near perfect centering on both sides. This easily places in the top half dozen that we have seen of this variety, and is a note that there would never be a reason to upgrade. (400-up)

125 **Fr. 1279 25¢ First Issue Gem New.** A super example, with gorgeous printing quality and exceptional centering on both sides. A premium perforated note. (400-up)

126 **Fr. 1279 25¢ First Issue Choice New.** Nicely perforated all the way around. (150-up)

127 **Fr. 1279 25¢ First Issue Choice New.** Fully perforated all the way around. (150-up)

128 **Fr. 1279 25¢ First Issue Choice About New.** (100-up)

129 **Fr. 1280 25¢ First Issue Very Choice New.** Strictly original and with beautiful, sharp printing. Only very slightly tight face margins prevent the full Gem grade (325-up)

130 **Fr. 1282 25¢ First Issue Choice New.** Fresh and strictly original. This straight edge no monogram note is in our opinion the rarest of the 16 First Issue varieties. Very close overall to the Gengerke example which we sold last winter for $478. (350-up)

131 **Fr. 1310 50¢ First Issue Choice New.** Perforated all the way around, although a few perfs are shallow here and there. Others are extremely deep, giving this scarce note a very interesting appearance. (300-up)

132 **Fr. 1311 50¢ First Issue Very Choice New.** The perforations on all four sides of this note are complete, save for a few at the bottom center. Fr. 1311's are rarely encountered in original uncirculated condition and this note certainly numbers in the nicest half dozen or so that we have ever seen. This is an undervalued Friedberg number in our opinion. (500-up)

133 **Fr. 1311 50¢ First Issue Choice New.** Near Gem quality and a truly rare number. Deeply perforated on three sides but the perfs at the right are extremely shallow. Still easily worth… (150-up)

134 **Fr. 1312 50¢ First Issue Gem New.** A note that is not often encountered in this grade. (250-up)

135 **Fr. 1312 50¢ First Issue Very Choice New.** (150-up)

136 **Fr. 1313 50¢ First Issue Very Choice New.** A near Gem example of this pretty note, similar to but slightly superior than the Gengerke piece. A rare note, seldom seen better than Very Fine. (400-up)

137 **Fr. 1313 50¢ First Issue Choice About New.** The scarce straight edge no monogram variety. (125-up)

138 **Fr. 1313 50¢ First Issue Fine.** Perfect for the grade and a really scarce note. (50-up)

SECOND ISSUE

139 **Fr. 1232 5¢ Second Issue Gem New.** A lovely example of this type. Original embossing is quite evident, something almost never seen on a Second Issue note. (175-up)

140 **Fr. 1232 5¢ Second Issue Choice New.** (60-up)

141 **Fr. 1232SP 5¢ Second Issue Wide Margin Pair Gem New.** A much nicer than average pair. (300-up)

142 **Fr. 1233 5¢ Second Issue Very Choice New.** Far better than most. (75-up)

143 **Fr. 1235 5¢ Second Issue Very Choice New.** A fresh, original and very nearly Gem example of this truly scarce 5¢ Second Issue note. In all our years of dealing in Fractional Currency we can recall seeing only two finer examples than this little jewel. (450-up)

144 **Fr. 1235 5¢ Second Issue New.** A nearly Choice example of the very scarce 5¢ fiber paper note. (100-up)

145 **Fr. 1235 5¢ Second Issue Choice Very Fine.** Extremely well centered and scarce in all grades. (50-up)

146 **Fr. 1246 10¢ Second Issue Inverted Reverse Surcharge Choice New.** Milton 2R10.3c. A very good looking Invert rated as an R-6 in the Friedberg Encyclopedia with approximately 20 pieces known. (400-up)

147 **Fr. 1246 10¢ Second Issue Gem New.** A very pretty little note with exceptional colors and margins. (175-up)

148 **Fr. 1246 10¢ Second Issue Gem New.** Vastly superior quality to most Second Issue notes. (150-up)

149 **Fr. 1249 10¢ Second Issue Extra Fine.** A very nice high grade example of this scarce fiber paper note. (125-up)

150 **Experimental 10¢ Second Issue Gem New.** V-214 Milton 2E10F.4. A much scarcer Experimental variety. (400-up)

151 **Experimental 10¢ Second Issue Very Choice New.** The type of Friedberg 1249 but with no face engraving, only the bronze oval. The back is complete with its full engraving and bronze. (300-up)

152 **Fr. 1283 25¢ Second Issue Gem New.** A very difficult type to find in this grade. This one is a real beauty with broad even margins, good printing and super colors. Fit for the finest type set. (250-up)

153 **Fr. 1283 25¢ Second Issue Very Choice New.** A near Gem example of this scarcer type. There is part of an unusually large back plate number visible. (175-up)

154 **Fr. 1283 25¢ Second Issue Very Choice New.** (175-up)

155 **Fr. 1283 25¢ Second Issue Very Choice New.** Fresh and strictly original with wonderful sharpness to the image on both sides. (175-up)

156 **Fr. 1286 25¢ Second Issue Gem New.** An exceptional grade for this issue and particularly so for this denomination. Broad even margins, perfect colors of bronze, inks and paper, a razor sharp S-18-63 surcharge and readily apparent original embossing, which is rarely evident on Second Issue notes. All in all, a very superior item. (250-up)

157 **Fr. 1286 25¢ Second Issue Choice New.** Nice but highly irregular margins, apparently scissor cut from its sheet. (75-up)

158 **Fr. 1286a 25¢ Second Issue Choice New.** This is the third straight sale where we have had the pleasure of offering one of these lovely Slate Back notes. This one, from the Delger collection, exhibits deep slate gray color. (350-up)

159 **Fr. 1288 25¢ Second Issue Choice New.** A beautiful high quality piece. (125-up)

160 **Fr. 1289 25¢ Second Issue About New.** A lightly circulated piece that is free of all soil or defects. A very scarce note in any grade, with this an exceptionally nice example. (125-up)

161 **Fr. 1290 25¢ Second Issue Choice New.** A really good looking note printed on heavy fiber paper. (275-up)

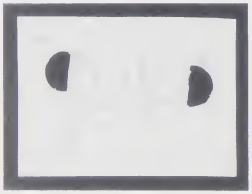
163 **Experimental 25¢ Second Issue Choice About New.** V-219 (Milton 2E25F.3b). A light centerfold makes this Experimental easily affordable. (100-up)

164 **Experimental 25¢ Second Issue Gem New.** V-237 (Milton 2E25F.6) is the second most common of the Fractional Experimental notes. This superb example is perfect for type. (300-up)



165 **Experimental 25¢ Second Issue Gem New.** This V-237 (Milton 2E25F.6) is identical and fully equal to the previous lot. (300-up)

166 **Experimental 25¢ Second Issue Gem New.** V-237 Milton 2E25F.6. Rather common for an experimental, but the single most popular piece due to its low cost and striking appearance. (300-up)

REMINDER —

167 **Experimental 25¢ Second Issue Gem New.** V-219 Milton 2E25F.3c. One of the more common Experimentals, but brighter and more attractive than the great majority. (300-up)

168 **Experimental 25¢ Second Issue Gem New.** Another V-219, fully as nice as the above. (300-up)

169 **Experimental 25¢ Second Issue Punched and Stamped Gem New.** V-218 Milton 2E25F.3b. A common Experimental but in very nice shape. (250-up)

170 **Fr. 1316 50¢ Second Issue Very Choice New.** A near Gem example of this difficult Friedberg number, nicely centered and with excellent colors. (200-up)

171 **Fr. 1317 50¢ Second Issue Gem New.** An outstanding Second Issue note regardless of the denomination. That this beauty happens to be a 50¢ and a tougher number at that makes it one of the best pieces of Fractional in this sale. Fresh paper quality, superior margins and bright colors of the ink and bronze along with razor sharp printing quality make this one of the finest Second Issue fifties we've had the pleasure of handling. (500-up)

172 **Fr. 1317 50¢ Second Issue Gem New.** A rarely encountered grade for a Second Issue fifty. We have graded this one Gem in spite of the less than perfect back centering, as the back design and surcharges are well clear of the edges and the overall quality of the note is spectacular. (450-up)

173 **Fr. 1317 50¢ Second Issue Gem New.** A great looking fresh and original example of this very scarce number. This one, unlike most, has the bright red back color usually seen on Fr. 1316 only (1317s are typically more orange and 1318s a different shade of red.) Any Second Issue 50¢ this nice is a rare find. (450-up)

174 **Fr. 1317 50¢ Second Issue Very Choice New.** A near Gem example of this much more difficult Friedberg number. Color, bronze and margins are excellent, and the back centering is perfect. (225-up)

175 **Fr. 1318 50¢ Second Issue Gem New.** A lovely example of a type that is rarely seen in top grade. Two of the margins are huge and the other two more than adequate. The back centering is perfect. (300-up)

176 **Fr. 1320 50¢ Second Issue Choice New.** A note that is very difficult to locate. Only about one in ten of the Second Issue fiber paper fifties is a Fr. 1320. (250-up)

177 **Fr. 1321 50¢ Second Issue Very Choice New.** This rare fiber paper note is fully Gem in every respect but for the top margin, which is adequate. Certainly among the best three or four of these that we have ever seen and a note that will very likely realize… (400-up)

178 **Fr. 1322 50¢ Second Issue Choice About New.** A well margined, good looking example of this fiber paper note. (150-up)

179 **Fr. 1314 SP 50¢ Second Issue Wide Margin Pair.** Both face and back are on CSA paper, the back with a bold watermark. Each is essentially **New**, but both have some light stains. (2 pieces) (150-up)

180 **Experimental 50¢ Second Issue Superb Gem New.** All 50¢ Experimentals are rare, and this gorgeous V-223 has got to be at least the equal of the finest in existence. (300-up)

THIRD ISSUE

181 **Fr. 1226 3¢ Third Issue Superb Gem New.** A beautiful example of a three cent note with huge margins. (175-up)

182 **Fr. 1226 3¢ Third Issue Gem New.** Exceptional centering. (150-up)

183 **Fr. 1226 3¢ Third Issue Gem New.** (100-up)

184 **Fr. 1226 3¢ Third Issue Very Choice New.** (75-up)

185 **Fr. 1226 3¢ Third Issue Choice About New.** Super margins and ideal centering on both sides. But for its light centerfold, this would be a $300+ note. (100-up)

186 **Fr. 1227 3¢ Third Issue Horizontal Pair Very Choice New.** Both of the Dark Curtain notes and the pair itself are near Gem quality. Multiples of Fr. 1227 are very seldom seen, and this is a nice one. (250-up)

This is only the second Red Back pair that we have had the pleasure of handling, the other pair being 10¢ notes in our January, 1992 sale. 193 **Fr. 1237 5¢ Third Issue Gem New.** Excellent original embossing, terrific margins, and perfect color These Red Back Clarks, particularly with the letter "a", tend to have serious offset smears. This note is totally free of them. (200-up)

220 **Fr. 1251SP 10¢ Wide Margin Pair Superb Gem New.** Incredible condition for a Wide Margin Pair. Heavy original embossing, 100% perfect colors and not a trace of handling or paper disturbance of any kind, as fine as any pair we've ever seen. Far superior to those normally encountered, these could bring a runaway price. (600-up)

221 **Fr. 1255SP 10¢ Wide Margin Pair Superb Gem New.** Equal in quality to the magnificent Fr. 1251 pair offered above and worth every bit as much. (600-up)

222 **Fr. 1272SP 15¢ Wide Margin Pair Superb Gem New.** Perfect in every sense of the word, including the kind of deep, original embossing that is never seen on these thin paper pairs. The face and back share perfect paper quality. (600-up)

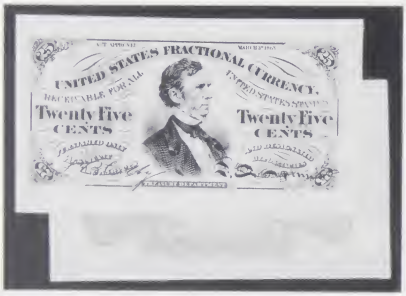
223 **Fr. 1274SP 15¢ Wide Margin Pair Gem New.** A wonderful, fully wide hand signed Jeffries-Spinner, Grant Sherman pair. The face and back are perfectly matched as to size of margins and lack of paper toning. This pair would dress up the finest of collections. Better quality than this is simply never seen. (600-up)

224 **Fr. 1274SP 15¢ Third Issue Narrow Margin Pair New.** In very nice shape, other than some minor shield remnants on the backs. (2 pieces) (100-up)

225 **Grant-Sherman Pair.** Fr. 1275 SP Wide Margin face paired with a Fr. 1272 SP Wide Margin Green Back. Well matched for size. Both pieces are essentially **Choice New** but with some minor flaws. (2 pieces) (300-up)

226 **Fr. 1291 25¢ Third Issue Gem New.** A gorgeous Red Back Fessenden with perfect color, excellent margins, and deep original embossing. (225-up)

227 **Fr. 1291 25¢ Third Issue Gem New.** A virtual twin to the preceding lot. The margins are a little better, but the original embossing is slightly less pronounced. (225-up)



228 **Fr. 1291SP 25¢ Third Issue Gem New.** A lovely pair. The margins are slightly smaller than on the other Wide Margin pairs in this offering, but that is typical of Fessendens as the plate layout was different than on any of the other notes. (300-up)

229 **Fr. 1292 25¢ Third Issue Superb Gem New.** As nice an example of this difficult Friedberg number as we can ever recall seeing, broadly margined, super bright and with superb original embossing. (325-up)

230 **Fr. 1292 25¢ Third Issue Gem New.** Bright, fresh and beautifully centered on both sides. This Red Back Fessenden is right up there with the very best of them. (300-up)

231 **Fr. 1292 25¢ Third Issue Very Choice New.** (175-up)

232 **Fr. 1292 25¢ Third Issue Choice New.** The scarcer of the two Red Back Fessendens and quite a nice one. (150-up)

233 **Fr. 1292 25¢ Third Issue Choice New.** Bright and original. (150-up)

234 **Fr. 1294 25¢ Third Issue Inverted Reverse Surcharge.** Milton 3R25.2i. This scarce invert from the Delger collection grades **Choice About New** and is well-margined with good colors. In 1978, when the Friedberg encyclopedia was published, only six pieces were known. A few more have turned up since, but we believe the total count to be under ten. (400-up)

235 **Fr. 1294 25¢ Third Issue Very Choice New.** Fully Gem in every respect but for the right face margin, which is a bit tight. (50-up)

236 **Fr. 1295 25¢ Third Issue Choice New.** Original and nearly Gem, this Fessenden exhibits the tiniest design letter "a" that we have seen for this type. The size range varies considerably, which is normal, as these were hand added to the plates, but this "a" is much smaller than the typically encountered small "a"s. (150-up)

237 **Fr. 1297 25¢ Third Issue Superb Gem New.** This is a note that is simply not seen in this grade. Even the Gengerke example which we sold last January graded only Choice. Broad even margins, excellent back centering, bright bronze and extraordinary color, as fine a fiber paper Fessenden as we can ever recall having seen. (750-up)

238 **Fr. 1297 25¢ Third Issue Very Choice New.** This bright, original fiber paper Fessenden would be a full Gem with just a little more left face margin. (400-up)

239 **Fr. 1297 25¢ Third Issue Very Choice New.** A well margined and striking fiber paper Fessenden, very nearly a full Gem. (400-up)

240 **Fr. 1297 25¢ Third Issue Choice New.** A great looking fiber paper note. Vastly superior to most that are encountered, as the paper is beautifully bright and the surfaces are strictly original. It has three huge margins with one quite small. (325-up)

241 **Fr. 1297 25¢ Third Issue Choice About New.** Bright and broadly margined, this fiber paper Fessenden gives the appearance of a Gem from the face. (150-up)

242 **Fr. 1299 25¢ Third Issue Fessenden Extra Fine.** This very scarce note with the solid bronze discs is about midrange for condition of the known pieces. (350-up)

243 **Fr. 1324 50¢ Third Issue Superb Gem New.** Humongous margins and deep originality highlight this unimprovable Red Back Spinner from the Martin Delger collection. This particular example is from the lower right corner of the sheet and exhibits the impression of the edge of the plate in its extra large margins. A real prize. (550-up)

244 **Fr. 1324 50¢ Third Issue Spinner Gem New.** Another untouched original note, with deep embossing and excellent margins. (350-up)

245 **Fr. 1324 50¢ Third Issue Spinner Choice New.** The back design touches at the right. (175-up)

Two Exceptional Fr. 1325s

246 **Fr. 1325 50¢ Third Issue Spinner Gem New.** This example of the rare "1" and "a" Red Back Spinner is beautifully original with great deep original embossing. But for the back design just barely touching the edge, the note grades Superb. An exceptional piece sure to bring… (850-up)

247 **Fr. 1325 50¢ Third Issue Spinner Very Choice New.** This "1" and "a" Red Back exhibits incredibly deep original embossing readily apparent to even the untrained eye. As bright and fresh as the moment it left the press, it would be an utterly Superb piece with just a touch more margin. As it is, it is one of the nicest examples of this rare note that we have seen. (800-up)

248 **Fr. 1326 50¢ Third Issue Spinner Gem New.** Deep original embossing and beautiful colors highlight this most attractive Spinner Red Back. (350-up)

249 **Fr. 1326 50¢ Third Issue Spinner Gem New.** A beautiful example of this scarce Red Back. (350-up)

250 **Fr. 1326 50¢ Third Issue Spinner Gem New.** Another of Mart Delger's strictly original notes with extraordinarily heavy embossing visible from both sides. (350-up)

251 **Fr. 1326 50¢ Third Issue Spinner Gem New.** Deep original embossing and huge margins with exceptional centering on both sides. Very well printed. Not many Red Back Spinners exist as nice as this one. (350-up)

252 **Fr. 1326 50¢ Third Issue Spinner Very Choice New.** Fully original and nearly a Gem. (250-up)

253 **Fr. 1326 50¢ Third Issue Spinner Choice About New.** (100-up)

254 **Fr. 1327 50¢ Third Issue Spinner Gem New.** A gorgeous original example of this Red Back Spinner with the design letter "a." (400-up)

255 **Fr. 1327 50¢ Third Issue Spinner Choice About New.** Huge margins. Bright and fully original, a Gem in every respect but there is a single light fold. (100-up)

256 **Fr. 1328 50¢ Third Issue Spinner Gem New.** Extraordinary margins and great originality. (300-up)

257 **Fr. 1328 50¢ Third Issue Spinner Gem New.** Deeply embossed and fully original, an outstanding example of the hand signed Red Back type. (300-up)

258 **Fr. 1328 50¢ Third Issue Spinner Very Choice New.** A near Gem example but there is a tiny pinhole wholly in the margin. (150-up)

259 **Fr. 1328 50¢ Third Issue Spinner Very Choice New.** Nearly a Gem. (250-up)

260 **Fr. 1328 50¢ Third Issue Spinner Choice New.** The uneven margins vary from adequate to extra large. (150-up)

261 **Fr. 1328 50¢ Third Issue Spinner Choice New.** (150-up)

262 **Fr. 1329 50¢ Third Issue Spinner Gem New.** A fresh, original example of this much scarcer Allison-Spinner hand signed variety. These Fr. 1329s are at least 25 times scarcer than the Colby-Spinner Fr. 1328, yet they only bring about three times the price of a 1328. A true sleeper in the series, as this price disparity will probably straighten itself out in the future. (750-up)

263 **Fr. 1331 50¢ Third Issue Spinner Choice New.** Fresh and original. (225-up)

264 **Fr. 1332 50¢ Third Issue Spinner Very Choice New.** This "1" and "a" note has excellent original embossing and exceptional centering. (350-up)

265 **Fr 1332 50¢ Third Issue Spinner Extra Fine** (100-up)

266 **Fr. 1333 50¢ Third Issue Spinner Gem New.** A lovely example. (300-up)

267 **Fr. 1333 50¢ Third Issue Spinner Choice New.** (250-up)

268 **Fr. 1333 50¢ Third Issue Spinner Choice New.** Bright and with quite decent margins. (250-up)

269 **Fr. 1333 50¢ Third Issue Spinner. New** and nearly Choice. (150-up)

270 **Fr. 1333 50¢ Third Issue Spinner Extra Fine.** Hugely margined. (75-up)

271 **Fr. 1334 50¢ Third Issue Spinner Gem New.** Broad, well balanced margins, with bright bronze, inks and paper. (350-up)

272 **Fr. 1334 50¢ Third Issue Spinner New.** Nearly Choice. (125-up)

273 **Fr. 1335 50¢ Third Issue Spinner Choice New.** Deep original embossing and quite decent margins highlight this scarce note. (250-up)

274 **Fr. 1335 50¢ Third Issue Spinner Choice About New.** (125-up)

275 **Fr. 1337 50¢ Third Issue Spinner Choice New.** A very scarce number in an attractive high grade and with strictly original surfaces. (300-up)

276 **Fr. 1339 50¢ Third Issue Spinner Type II Gem New.** Broad margins and nice original embossing. (350-up)

277 **Fr. 1339 50¢ Third Issue Spinner Type II New** and nearly Choice. (150-up)

278 **Fr. 1339 50¢ Third Issue Spinner Type II New.** (110-up)

279 **Fr. 1339 50¢ Third Issue Spinner Type II Extra Fine.** Strictly original. (75-up)

280 **Fr. 1340 50¢ Third Issue Spinner Type II Gem New.** Beautifully margined, perfectly centered and with excellent color, a perfect example of this rare Type II "1" and "a" Spinner. (750-up)

Currency Auctions of America, Inc. is pleased to announce that our next public auctions will take place in Orlando, in January of 1996 and in Chicago, in May of 1996!

281 **Fr. 1340 50¢ Third Issue Spinner Type II Gem New.** Although we've seen these with larger margins, we have never seen another as fresh, well embossed and nicely colored as this beauty. If this cataloger were a serious Fractional collector, we would choose this note in a second over those with larger margins but lesser paper quality. Take a close look at this note. It's a real pleasure. (500-up)

282 **Fr. 1340 50¢ Third Issue Spinner Type II Very Choice New.** Nearly a Gem. This rare "1" and "a" Spinner is quite well margined. (400-up)

289 **Fr. 1342 50¢ Third Issue Spinner Choice New.** (250-up)

290 **Fr. 1343 50¢ Third Issue Justice Gem New.** Excellent margins all the way around, fresh and original. (600-up)

291 **Fr. 1343 50¢ Third Issue Justice Very Choice New.** Bright, fresh and fully original. The face margins are superb. In fact, this gorgeous Justice is superb in every sense except for the back centering, which just touches the right edge. (450-up)

292 **Fr. 1343 50¢ Third Issue Justice Very Choice New.** Three good margins but tight at the right face. This flashy, fully original Red Back Justice is superb in every way but for its centering. (400-up)

293 **Fr. 1343 50¢ Third Issue Justice Choice About New.** A pretty Red Back. (150-up)

294 **Fr. 1347 50¢ Third Issue Justice Gem New.** A magnificent, fully margined, Red Back Justice with excellent centering on both sides and nice bright colors. One of the highest quality Fractional notes in this or any sale. (800-up)

296 **Fr. 1348 50¢ Third Issue Justice Very Fine.** Perfect for the grade and without a hint of a flaw, this rare Red Back Justice is one of the nicer circulated examples we've seen. Well worth… (250-up)

300 **Fr. 1355 50¢ Third Issue Justice Very Choice New.** Original and with outstanding margins for the issue. (350-up)

Currency Auctions of America, Inc. is pleased to announce that our next public auctions will take place in Orlando, in January of 1996 and in Chicago, in May of 1996!

301 **Fr. 1355 50¢ Third Issue Justice Choice New.** Well margined all around. (300-up)

302 **Fr. 1355 50¢ Third Issue Spinner Choice New.** A pretty, strictly original hand-autographed justice with better than average centering. (300-up)

303 **Fr. 1355 50¢ Third Issue Choice New.** Bright and good looking,with far better than average margins. (300-up)

304 **Fr. 1355 50¢ Third Issue Justice Choice New.** Decently margined and original. (300-up)

305 **Fr. 1355 50¢ Third Issue Justice Choice New.** Bright and better margined than most. (300-up)

Superb Hand Signed Justice

306 **Fr. 1356 50¢ Third Issue Justice Superb Gem New.** As nice as any note of this number that we have ever seen or heard of. With superb original embossing, four exceptional margins, dark, bold hand signatures and beautifully bright bronze. 100% fully printed — a simply great Justice. On top of all else, Fr. 1356 is by far the scarcer of the two hand signed plain paper Justices. This example is fully equal to the Gengerke Fr. 1355 which brought over $850 last January. (1000-up)

307 **Fr. 1356 50¢ Third Issue Justice Gem New.** The margins are tight in places, but the embossing, ink and paper qualities are all far superior to those usually seen on a hand signed Red Back Justice. Fr. 1356 is many times scarcer than the 1355 and this is one of the very best of the rarer variety, suitable for the very finest of collections. (750-up)

308 **Fr. 1357 50¢ Third Issue Justice Extra Fine.** The scarce hand signed fiber paper Red Back Justice, problem free and perfect for the grade. (300-up)

309 **Fr. 1358 50¢ Third Issue Justice Choice New.** Back plate number 21 appears as a mirror image at the lower left corner. A scarce note, and in beautiful condition. (350-up)

Choice New Fr. 1359

310 **Fr. 1359 50¢ Third Issue Justice Choice New.** One of the nicest examples of this very rare note that we have ever seen. Three of the margins are incredible, but the right face margin is cut slightly into the design. The note is completely fresh and original, with exceptional embossing, superb colors and extremely sharp printing quality. But for the lack of a right face margin, this rare number is purely Gem quality. (2000-up)

311 **Fr. 1360 50¢ Third Issue Justice New.** This scarce note has lots of margin top and bottom but none left or right. (100-up)

312 **Fr. 1360 50¢ Third Issue Justice Choice About New.** A rare note that appears to be one of the elusive Gem condition Justices until examined very closely. It has an extremely light center fold. This quality and rarity should still allow this note to realize… (200-up)

314 **Fr. 1362 50¢ Third Issue Justice Very Choice New.** A near Gem example and ideal Green Back Justice for type. Bright bronze and good original embossing. Three of the margins are extra large and the fourth tiny but complete. (375-up)

315 **Fr 1363 50¢ Third Issue Justice Choice About New.** (250-up)

316 **Fr. 1363 50¢ Third Issue Justice Choice About New.** Well margined and very well printed, this "1" and "a" Justice is a few corner folds away from Choice. (250-up)

317 **Fr. 1364 50¢ Third Issue Justice Gem New.** As well margined as any Justice note we have ever seen. Beautifully centered on both sides and with terrific inking quality and color. Not one Justice in a thousand will exhibit face margins like this note. (750-up)

323 **Fr. 1365 50¢ Third Issue Justice Gem New.** Incredible margins on all four sides - one of the best centered Justice notes we can ever recall seeing. The back centering is also excellent, and on top of all else, this is quite a scarce number. (700-up)

356 **Fr. 1374 50¢ Fourth Issue Lincoln Choice Extra Fine.** Technical grade and value part ways in the case of a note like this. The margins are utterly superb, as is the centering on both sides. As a bonus, seal plate number 9 is fully visible below Lincoln's portrait. This Extra Fine is a better looking and more desirable note than most of the New Lincolns we have seen. (150-up)

357 **Fr. 1374 50¢ Fourth Issue Lincoln Extra Fine.** (75-up)

358 **Fr. 1376 50¢ Fourth Issue Stanton Superb Gem New.** An absolutely gorgeous Stanton with colors and margins far above those usually seen. This is one of the very nicest we've had the pleasure of handling. (200-up)

All four margins are outsized and all are perfectly even. The corners are dead square and the back centering is perfect. ENCASED POSTAGE

409 **HB-6 EP-32a 3c Ayers Cathartic Pills Choice About New.** A pristine example of this common encasement. The mica is as perfect as they come, the stamp fully bright and well centered, and the case essentially as made. This is a perfect piece for someone desiring a single example of encased postage. Listed at $500 in the HB catalog, we expect this piece to bring at least that. (500-up)

410 **HB-18 EP-33 3¢ Take Ayers Pills.About New.** One of the more common encasements but extraordinarily well preserved. The case is unusually attractive with a touch of silvering remaining. The stamp is fully bright and the mica totally clear but for a tiny insignificant craze at the lower left. (400-up)

411 **HB-69 EP-68 5¢ F. Buhl & Co.** This rare piece is fully **Extra Fine** as the degree of wear on the case is quite minor. The mica is complete but there is an area of crazing near the center. Overall this is one of the finer examples of a Buhl encasement that this cataloger has seen. According to the Bowers reference, Buhl is one of the more difficult merchants to locate as "excepting only the 10¢ denomination, which is itself rare, all of the others are extremely rare." (850-up)

412 **HB-122 EP-77 5¢ Gage Brothers & Drake About New.** An exceptional stamp, mica, and case make this beauty from the Mart Delger collection an ideal piece to represent the five cent type. Mr. Delger used it along with the ten cent being sold as Lot 413 to exhibit the five and ten cent stamps that matched Postage Currency. Listed at $1000 in the HB reference for this grade, we would expect this extraordinary piece to bring at least… (800-up)

412A **HB-133 EP-116 10¢ J. Gault Choice About New.** The most common of the ten cent pieces, but in extraordinary condition. This beauty, which is part of the Mart Delger collection, was used in his prize winning Fractional exhibits. (550-up)

413 **HB-166 EP-181 30¢ Kirkpatrick & Gault Choice About New.** One of the finest 30¢ pieces we have ever seen for any merchant. The orange stamp is quite bright, the mica is perfect but for a inconsequential craze mark at the upper right and the case shows virtually no sign of wear and exhibits lovely light brown gloss. Although Kirkpatrick & Gault is one of the more common merchants even in this 30¢ denomination (with about a dozen pieces known) this one is as fine as any we have had the pleasure of examining. It is listed at $2500 in the Bowers reference, which we believe to be conservative for this piece. (3250-up)

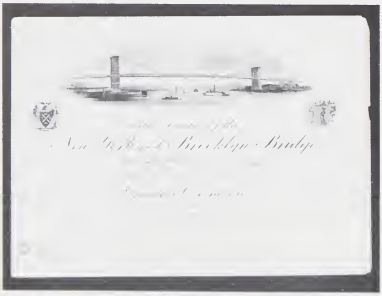
454 **Grover Cleveland $1 Bill Miniature Painting**

A superbly executed hand painted miniature of a Series of 1880 $1 Bill with the portrait of Grover Cleveland replacing that of Washington. The four inch long painting graces one side of a round ceramic box which is fitted with a brass base and three ball feet at the bottom and a brass and bevelled glass hinged top. Discovered in Spain about 15 years ago, this piece remains the only one of its kind known to us and is very possible unique. It is likely a campaign item from either the 1884, 1888 or 1892 Presidential races (Cleveland won in 1884 and 1892 and lost in 1888, making him both our 22nd and 24th president). It is also possible, though less likely, that this is a Columbian Exhibition item sold as a souvenir during Cleveland's second term. The two-color miniature shows the large orange seal used on Fr. 31 and the red serial numbers used on Fr. 28 through 30. The detail of the bill indicates the hand of a superb talent, although it is unfortunately unsigned. The last time this piece changed hands it brought in excess of $1000 and we would fully expect that same result again. (1500-up)



455 **Brooklyn Bridge Opening Ceremony Invitation**

An engraved invitation to the opening day ceremonies at 2:00 in the afternoon on Thursday, May 24, 1883. The invitation, printed on heavy card stock by Tiffany & Co., exhibits a fine steel engraving of the brand new bridge. It is signed at the bottom, "Complements of John T. Agnew," whose engraved signature appears on the invitation as one of the six members of the Board of Trustees. A lovely piece of New York City history and the first of these we have seen. (200-up)

The first page consists of a price list for services relating to the printing of bank notes, and the third page discusses engravings and gives samples of available vignettes. Folded, with a few areas of light foxing and one small burned area at the bottom of the third page, but overall still quite attractive. (125-250)

477 **Four Bank of Prosperity Certificates**

Two bear vignettes of Father Time driving a period automobile with bank notes and coins paving his way. (4 pieces) (100-200)

478 **Three Pieces of Correspondence and a House of Representatives Printed Document**

All refer to a $200 shortage — five sheets, four notes each of $10 1891 Silver Certificates. The notes, numbered 16866905 through 16866924, disappeared on December 12, 1896 from the press room or reserve vault of the BEP. The shortage was made good by D.N. Morgan, then Treasurer of the United States, from his own personal funds. (4 pieces) (100-up)

481 **Match-Safe Top**

Identical to Lot 781 of our June sale so we might as well reuse the same description. "A ceramic top to a match safe which pictures a Third Issue 10¢ Fractional Note. Prior to safety matches, heavy ceramic boxes were used to keep unstable matches from causing fires. This writer owns two such safes, one with a Fessenden 25¢ top and the other with a 50¢ Spinner top. We know of two other 10¢ tops but no complete unit. This top is unchipped and perfect with the typical washboard striker on the bottom." That piece brought $176 and we would expect this virtually identical piece to bring about the same. (175-up)

The World's First Paper Money

487 **Excessively Rare High Grade Ming Dynasty Note**

An even nicer example than the lovely piece which brought $2,750 as Lot 140 in our June sale. The story of these notes as we told it there reads: "China was the first country in the world to use paper money, the earliest report being brought back to the Western world by Marco Polo in the Thirteenth Century. At the time his report was not generally believed, as the people of Europe, Africa and the Middle East used only metal coins and could not accept the idea of people taking written pieces of paper in payment for goods and services. It was not until over a hundred years later that his accounts were verified by the appearance in Europe of actual Chinese currency from the Ming Dynasty (1368-1644). These very large notes (approx. 12"x8") were printed by hand on mulberry bark paper. Paper was made by coloring pulp from the inner bark of mulberry trees with carbon and squeezing it dry on bamboo screens. Separate wood blocks were made for printing the text of the note and the seal of the issuing Emperor. The Chinese coins in use at the time were small, round, copper coins about the size of our present day nickel. Each coin had a square hole in the center and large transactions were carried out with big bundles of these coins tied together with string. The face of these Ming Dynasty notes showed an illustration of this type so that a person who was illiterate and unable to read the Chinese characters printed on the note could simply count the number of bundles of coins pictured and determine the denomination. The Chinese referred to this earliest currency as 'flying money' because of its light weight and its ability to circulate over a large area." This piece is also 100% original and undamaged. The margin area outside the printing is larger all the way around and the three red overprintings of the issuing emperor are bold and clear. Based on the enthusiasm generated last June, we would expect this clearly superior item to realize... (2750-up)

FRANCE

491 **Vichy France Propaganda Note**

Identical to Lot 122 of our Memphis sale, although in still finer condition, grading essentially as made with no defects. These propaganda notes were issued in Vichy France during the Second World War, noting that United States Treasury Secretary Henry Morganthau Jr. was Jewish and therefore the currency of the United States was an element of the international Jewish financial conspiracy, in addition to financing the Anglo-American Jewish War. That piece last June brought $357.50 amid spirited bidding, and we would expect this better condition piece to bring about… (400-600)

MILITARY PAYMENT CERTIFICATES

471 5¢ Replacement - 1 of 3 Known

Other than the prohibitively rare Series 651 replacement notes, the Series 471 replacements are by a large margin the most difficult MPC replacements to find. Only three replacements are reported in this denomination. The somewhat higher grade $10.00 example we sold in our Memphis sale, with two known, brought $2640.00. This example is likely to see considerable bidding in the range of… (1250-up)

A 1940s (1942?) ring binder containing well organized and informative sections relating to currency counterfeiting, counterfeiting statistics, counterfeit detection, counterfeit identification and the production of both counterfeit and genuine notes. Illustrated with charts, photographs and vignettes. Apparently government produced as much of the information appears to be "In House." Many of the charts are hand prepared and quite a number of the photos are not reproductions but actual photos mounted on the pages. Totalling well over 100 pages, the book is a wealth of information for the collector of counterfeit currency. (250-up)

508 **Descriptive Catalogue of Confederate Notes and Bonds for Sale by John W. Haseltine & United States Paper Money** by George H. Blake

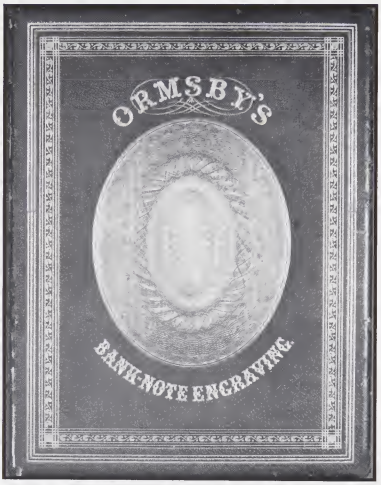
President Pierce's Personal Copy of Ormsby's "Bank Note Engraving"

514 **W.L. Ormsby's "Bank Note Engraving"**



Ormsby's 1852 book "Bank Note Engraving" has long been recognized as the finest work of its kind, and the appearance of any copy on the market in a major event. We are pleased to have been chosen to offer what we believe to be the **finest known** copy of this magnificent book along with Ormsby's handwritten letter presenting this volume to President-elect Franklin Pierce. The letter reads:

New York Jan 31 1853

Dear Sir:

Allow me to present you with a copy of my late work on Bank Note Engraving which will explain the cause of the vast amount of counterfeiting in this country. This is the first publication on this subject, and it is daily growing more and more important to every person in the community. I beg permission to call on you, at some future time, when my plans for constructing bank notes to prevent forgery are mature, that I may have an opportunity of convincing you of the utter insecurity of our present paper money, and of the necessity of Legislative action on the subject. At present I will only ask your attention to the important requisites of a Bank Note which constitutes its value — there are but two — first that the Bank be good — second that the note be genuine. The people loose (sic) more by counterfeiting money than by broken banks. It is therefore of as much importance to the poor people to have the note genuine as it is to have the Bank good. It is my object and aim to instruct the people in the art of Bank Note Engraving to the end that our General Banking Laws may be amended, so that they should define no less particularly the manner in which a note must be engraved than the manner in which the Bank must be organized.

Many of the counterfeit bills in circulation are absolutely the work of the original engravers. Counterfeiters obtain their work in spite of their utmost efforts to prevent it. This is all owing to the patch work system of constructing the note and the use of dies in the engraving of plates.

My plan is to have a Bank Note one design or picture, with all the lettering interwoven in it. The whole to be engraved on the plate by the hand of the artist without the use of dies. A counterfeiter then would be obliged to do the work himself instead of employing others who do not know for what purpose their work is to be used. On turning to page 52 you will learn how a counterfeit plate of a five hundred dollar Treasury note was engraved for a counterfeiter by the very engraver who executed the original plates! Such things have frequently occurred — the matter is seriously alarming to every business man.

Any encouragement which I may receive from you will be gratefully received by

Your most obedient humble Sevt,
W.L. Ormsby

The book itself is inscribed on the blank flyleaf, "Presented to Gen. Frank. Pierce by his humble Sevt. The author W.L. Ormsby." Elaborately goldleafed on both front and back covers, the 100+ page master work measures thirteen-and-a-half inches by ten-and-a-half inches and contains a large number of beautifully detailed, superbly engraved plates, including the tricolor red, blue and brown frontispiece. The book is in flawless, as issued condition, fully tight in its original binding with only a few, very minor scuffs at the edges of the cover. Included with the book are some items of correspondence between previous owners, one of which discusses a possible $16,000 valuation, and another which presents a brief history of the book since 1852.

This book would be the crowning glory in any numismatic library or the ultimate association item in a collection of Obsolete Bank Notes. (10,000-up)

533 **A Second $10.00 Uncut Sheet**

This example is a tad less bright than that offered above, and there are a few miniscule nicks in the margins. Overall, however, the sheet is still quite nice and should see bids in the range of... (375-525)

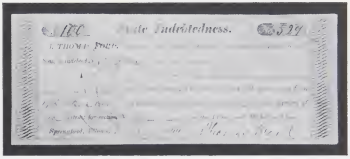
ILLINOIS

556 **Belleville - The St. Clair Savings & Insurance Co.** 5¢ Oct. 25, 1862
An extremely rare Belleville issue. **Fair**, with considerable repairs, and a few pieces missing, but the first such item of any denomination we have had in any of our sales. (100-200)

557 **An Excessively Rare Unreported Illinois Note**
Hutsonville - The Patriotic Bank $1.00 Oct. 6, 1862 G2
This note is likely unique to this short lived (1859-1862) bank, as the bank's entire issue is listed as SENC in Haxby. **Very Good-Fine**, a wonder note likely to see some serious competition. (400-800)

558 **McLeansboro - The Bank of the Republic** $3.00 Sept. 1852 G6a
A very rare note listed in the Haxby reference as a Proof only. This is a signed and issued example of the G6a, as it unquestionably lacks the ABNCo monogram. **Very Good**, with a few edge tatters and a short tear or two, but rare enough to be worth... (200-400)



559 **Springfield - State of Illinois** $100.00 Feb. 22, 1844
An interesting state emission, of a type we have not previously encountered. This is clearly a bearer instrument, albeit one with the signature of the Governor. **Very Fine**, with 2 PC. (50-100)

INDIANA

560 **Dover Hill - The American Bank** $10.00 Oct. 1, 1856 G8a Wolka 175-4
This note should not be confused with the far more common lower denominations from here. Wolka lists this as an R-7 and it likely still is. **Good**, with a long tear and a few small margin pieces missing. (50-100)

561 **New Albany - The Southern Bank** $1.00 March 1, 1859 G2a Wolka 579-2
Orange tinted version of this scarce note. **Very Good+**. (50-100)

IOWA

562 **Wassonville - J.R. Ring** Advertising Note
Silver and Copper tipped boots and shoes advertising note with a rebus on the reverse. This is the first item of any kind we've seen from this location. (75-150)

KENTUCKY

563 **Richmond - The Richmond Bank** $20.00 G22
A very scarce note on a bank we've not had before. Haxby lists this as a remainder only but this example has seen obvious circulation and appears to have been signed and issued. **Very Good**. (125-250)

LOUISIANA

564 **Baton Rouge - The City of Baton Rouge** $1.00 March 15, 1866

A very scarce issue with an attractive red overprint. **Fine**, with a few splits and some chips out of the top. (75-150)

565 **Covington - The Parish of St. Tammany** $3.00 July 7, 1862

Fully signed and issued and rare thus. **Fine**. (200-400)

566 **Some New Orleans Scrip**

New Orleans - City of New Orleans 25¢ May 6, 1862 **Fair**, stains and a corner piece off.

G.W. Holt 25¢ Jan. 1, 1862 **Very Good**

Three pieces, the first quite scarce albeit low grade. (100-150)

567 **St. Joseph - The Parish of Tensas** $5.00 April 4, 1852

This is not a rare Parish, but the grade of this note certainly is uncommon. **About Uncirculated+**, a lovely example. (100-150)

MARYLAND

568 **Ellicotts Mills - Patapsco Bank of Maryland** 50¢ Sept. 12, 1837

An excessively rare note from a bank whose issues are listed (with one Proof exception) as SENC in the Haxby reference. **Very Good.** (200-400)

569 **Baltimore - Sadlers' Business College First National College Bank** $1000.00 Nov. 1, 1872 Schingoethe MD280-1000

An excessively rare denomination from which the listing in the Schingoethe reference was taken from a 1946 Muscalus pamphlet. Well circulated, taped, and mounted on a card, this example may well prove to be the only such piece ever available to the numismatic fraternity. **Fair**. (100-200)

MASSACHUSETTS

570 **A Santa Claus Note**

Boston - The Howard Banking Co. $5.00 Aug. 23, 1837 C8a

Low grade but basically intact, with the Santa Claus vignette quite decent in appearance. **Good-Very Good**, with some internal and margin splits. (150-300)

571 **Haverhill - The Union Bank** $5.00 Nov. 1, 1862 Haxby UNL

Identical in design to Haxby A20, but that note is described as having a red overprint, while the overprint on this example is quite clearly green. **Fine** in appearance, although there is a large tear repaired on the reverse. (75-125)

572 **Northampton - Simon Cohn** Advertising Note

An interesting ad note for many different reasons. Mr. Cohn, a "Custom Boot and Shoe Maker" has placed his advertising on the reverse of a facsimile of the 1866 Irish Republic note. He also includes a pithy poem, a quote from "Othello" and the totally politically incorrect statement "Shoes for Cripples Made to Order." **Very Fine**, with a couple of margin chips out. (75-150)

573 **Provincetown - The Provincetown Bank** $50.00 Dec. 1, 1854 Haxby UNL Proof

A most attractive ex-ABNCo Proof. **Uncirculated**, 4 POC, with one inconsequential pinhole. (125-225)

574 **Provincetown - The Provincetown Bank** $100.00 Dec. 1, 1854 Haxby UNL Proof

Lovely ex-ABNCo holdings Proof which is similar to Haxby G16a with the addition of a red overprint. **Uncirculated**, one small flaw outside the lower right margin but otherwise pristine. (125-225)

575 **Dealer Lot of $1.25 Issues**

Roxbury - The Roxbury Bank $1.25 G6

Three pieces, each averaging **Fine** or so. Haxby lists these at $75 each in Very Good. (125-250)

576 **Worcester - Mechanics Bank** $20.00 Aug. 4, 1864 C12a

This scarce note has one of the great vignettes to appear on any piece of obsolete currency. **Fine**, with a considerable number of pinholes and a small tear or two, but still quite nice in its overall appearance. (75-125)

MICHIGAN

577 **Adrian - The Bank of Adrian** $1.00 May 10, 1841 G2a Bowen 1

A scarce issue. Nice **Fine**. (60-100)

Scarcer denomination from here. **Fine**. (75-125)

587 **Sault De St. Mary - The Chippeway County Bank** $20.00 G6 Bowen 8

588 **Singapore - The Bank of Singapore** $1.00 Dec. 25, 1837 G2 Bowen 1

A very scarce Michigan bank. **Very Good**, with a couple of margin chips out and missing a small corner tip, but still quite decent in appearance. (150-250)

589 **Singapore - The Bank of Singapore** $2.00 Dec. 25, 1837 G4 Bowen 2

An even scarcer denomination than the $1.00 offered above. The $5.00 we had from this bank in slightly lesser grade brought $264.00 in our 1995 Orlando sale. **About Fine**, with a couple of minor tears, but actually quite nice looking. (175-350)

590 **Better Ypsilanti Trio**

Ypsilanti - The Bank of Ypsilanti $3.00, $5.00, $10.00 G6, G8, G10 Bowen 4, 5, 8

629 **New York City - The East River Bank** $5.00 Haxby UNL Proof

Similar to Haxby G14, but with the addition of a dark red overprint. This and the following lot are tinted a lovely dark brown that makes these virtually perfect color proofs. **Uncirculated**, ex-ABNCo sale with 4 POC. (150-250)

Ad note for a dentist making a specialty of "Extracting and filling teeth absolutely without pain." **Very Fine.** (50-100)

637 **New York City - New York & Western Exchange Co.** $2.00 Aug. 10, 1837

638 **New York City - Original A. Jacob's Sons** Ad Note

A most interesting advertising piece which is a very close currency look-alike, right down to the Ormsby like central vignette of an Indian shooting an arrow into a charging buffalo. Indeed, the green background repeating One Hundred Chatham Street is quite reminiscent of the protectors used on obsolete notes. The Jacobs' concern imported and manufactured musical instruments, watches, and jewelry. **Very Good**, quite a neat item. (100-200)

639 **New York City - Philip Stiner** Advertising Note

Red and green currency look-alike from this coffee and tea purveyor. **Very Fine**, with one or two tiny reverse repairs. (50-100)

640 **Early German Language New York Advertising Piece**

New York City - Winfield Compagnie Advertising Note

This early piece, with its text in German, dates to the founding of the village of Winfield. Located in Queens County (and still the site of a station on the Long Island Rail Road), this village was only three miles from Williamsburg, which afforded an easy ferry connection to Manhattan. This is the only piece of this type we have ever seen, and it is certainly rare and possibly unique. It affords a glimpse into a fascinating piece of Long Island history. **Fine-Very Fine.** (150-300)

641 **Peekskill - Unknown Issuer** 12 1/2¢ 1837

A rather amateurish job, as the 12 1/2¢ notation on the left faces the wrong way on the note. We've not seen another such example from here. **Very Fine**. (75-150)

642 **Peekskill - Unknown Issuer** 25¢, 50¢ 1838

Obviously from the same issuer, although the date has changed from 1837 to 1838. The vignettes are identical. **Very Fine**. (2 pieces) (125-250)

643 **Penn Yan- Bank of Bainbridge** $20.00 Sept. 15, 1852 G22a Proof

Extremely Rare Late Dated Sodus Issues

646 **Sodus - E.A. Green's Banking House** $5.00 Oct. 20, 1873

Clearly a bank note, despite the late date and the prohibitions contained in the National Currency Act against issuing same after 1866. We have not seen this note or any of the other two that follow previous to this offering. **Fine**, with a corner tip off and a bit of margin fraying. (300-600)

647 **Sodus - The Bank of Sodus** $1.00 Oct. 20, 1874

Dated a year to the day after the note above, and again signed by E.A. Green, although the title has been changed. This was apparently a legitimate banking operation, as both E.A. Green and the Bank of Sodus are listed in Dillistin's *Historical Directory of the Banks of the State of New York*. **Fine+**, with one tiny corner tip off. (300-600)

648 **Sodus - The Bank of Sodus** $2.00 Oct. 20, 1874

Similar to the note above, although with a different design, and again signed by E.A. Green. **Fine**. (300-600)

649 **Southeast - The Croton River Bank** $1.00 Haxby UNL

An excessively rare Putnam County bank, where every note listed in the Haxby reference save one is listed as SENC. This piece is the same design as Haxby G2b but has the ABNCo monogram, which Haxby does not list at all. This note is as well circulated as a note can be and still be intact, although there are two small POCs and some chips out of the top. **Fair-Good**, but rare enough to be worth… (150-300)

Two identical pieces, each **Fine** or better. (50-90)

668 **Dixon - W.H. Richmond** 10¢ Hoober UNL

Unlisted in Hoober. Note that the town name is spelled differently on this note, and the overprint names W.H. Richmond rather than Wm. H. Richmond. As this piece is not issued, it is possible that it's an earlier (and later corrected) printing. **Fine+**. (100-150)

The town name is once again spelled correctly on this high grade example. **Extremely Fine**. (100-150)

673 **Oil City - The Oil City Bank** $10.00 Sept.15, 1864 G8a Hoober 290-4

A scarce higher denomination note from here, fully signed and issued. This late American Bank Note Co. product has the look of real currency to it, especially on the reverse, which is very similar to the first emission Legal Tender notes of 1862-63. **Fine**, with a few inconsequential pinholes. (75-125)

674 **Do You Need Money?**

Philadelphia - British-American Loan Co. Advertising Note

A promotional piece dating from 1913 touting the services of this public spirited enterprise. Ladies, the piece notes, "can borrow money from us on their own signature." What George Washington, whose stern visage appears on the front of the note, would have thought about the odd title of this venture must remain a matter of conjecture. Well circulated but intact **Good-Very Good**. (50-100)

The William Doovas Collection of Error Currency

This is without question the finest collection of error currency ever to be offered at public sale. Beginning in the late 1960's, and continuing up through the 1980's, Mr. Doovas endeavored to buy the finest error notes that became available. That he succeeded is beyond question as the evidence below indicates. This offering, from the inverts to the mismatched numbers, from the obstructed printings to the double denominations, and finally to the true King of Errors, the Legal Tender printing on Federal Reserve Note stock, will be the standard by which all other offerings of error notes will forever be judged.

Please note that a Unique Gold Certificate Star note with an inverted reverse is being offered as Lot 1337 as part of the Tom Conklin Star Note collection.

709 **Fr. 1525 $5.00 1928 Legal Tender. Fine-Very Fine. Inverted Reverse.**

A very difficult series from which to find an invert. This is an attractive example with good color and body for the grade. (300-500)

710 **Fr. 1602 $1.00 1928B Silver Certificate. Very Fine. Inverted Reverse.**

An attractive invert in a series where they are certainly not normally available. (300-500)

711 **Fr. 1606 $1.00 1934 Silver Certificate. Very Fine. Inverted Reverse.**

A very scarce series for inverts. We are fortunate enough to have two to offer. (300-500)

712 **Fr. 1606 $1.00 1934 Silver Certificate. Fine. Inverted Reverse.**

Despite the fact that we have two of these inverts to offer, this is not exactly a common series for inverts. (225-425)

713 **Excessively Rare Consecutive Invert Pair**

Fr. 1610 $1.00 1935A Silver Certificates. Choice Crisp Uncirculated. Inverted Reverse.

Even one invert in this grade would be cause for excitement, let alone a consecutive invert pair. We know of no other such pairs from this or any other series. If you are a serious collector of these fascinating notes, this is a pair you must own. (600-1000)

714 **Fr. 2006-B $10.00 1934A Federal Reserve Note. Very Good-Fine. Inverted Reverse.**

The first invert in the 1934A series we have handled. (200-400)

715 **Fr. 1613 $1.00 1935D Silver Certificate. Crisp Uncirculated.**

A most attractive example of this dramatic third printing invert. Do not be misled by the number of these errors offered here, as these are truly scarce on the early notes. It is important to keep in mind that this collection is the result of over two decades of work by Mr. Doovas to locate and acquire the finest errors available. (300-500)

716 **Fr. 1614 $1.00 1935E Silver Certificate. Choice Crisp Uncirculated.**

The series and signatures are inverted, a rather rare error. (150-300)

717 **Fr. 1614 $1.00 1935E Silver Certificate. Fine-Very Fine.**

A nice companion to the error above. Here the serial numbers and the treasury seal are inverted. (125-225)

Fantastic Pair of Inverted Third Printings

722 **Fr. 2159-H $100.00 1950B Federal Reserve Note. Gem Crisp Uncirculated.**

One of the highlights of the Doovas collection and an incredible note in all respects, from the rarity of this error to the denomination to the magnificent condition of the note. Mr. Doovas paid what was then an outrageous sum to acquire this pair almost 20 years ago, and we anticipate some stiff competition now that it has returned to the market. (900-1500)

723 **Fr. 2159-H $100.00 1950B Federal Reserve Note. Gem Crisp Uncirculated.**

The mate to the piece above and again magnficent in all respects. If you can't buy the first one, then buy the second, or, better still, buy both. (900-1500)

An Exceptional Offering of Obstructed Printings

736 **Fr. 2011-C $10.00 1950A Federal Reserve Note. Gem Crisp Uncirculated.**

An exceptional error of great rarity and desirability. At the end of the paper roll a piece of brown kraft paper from the wrapping adhered to the reverse of the note as it was printed. The impression itself is perfect, including that section printed directly onto the kraft paper. This wonderful error is one of the centerpieces of the Doovas collection, and will likely be the highlight as well of the collection it now enters. (750-1250)

737 **Fr. 1528 $5.00 1928C Legal Tender. Gem Crisp Uncirculated.**

A very scarce early error where an obstruction caused the elimination of the third, fourth, and part of the fifth digits in the right serial number. The embossing is still quite visible for each digit. (150-300)

738 **Fr. 1600 $1.00 1928 Silver Certificate. Choice Extremely Fine.**

The entire seal and serial number printing is missing, although the embossing is quite prominent. This is a classic early error which is just plain rare. (350-700)

739 **Fr. 1606 $1.00 1934 Silver Certificate. Extremely Fine.**

The embossing is still visible where the missing digits of the left serial number should be, but an obstruction caused them not to be printed on the note. (150-300)

740 **Fr. 1614 $1.00 1935E Silver Certificate. Choice Crisp Uncirculated.**

Another highlight from this great collection. An extra piece of what appears to be standard currency stock was affixed to the lower right corner of this note during the printing process. At some point, likely when the note entered circulation, it came off, but was retained with the note itself. It is likely an excessively rare, if not unique combination. (400-800)

741 **Fr. 1614 $1.00 1935E Silver Certificate. Gem Crisp Uncirculated.**

An eye catching error indeed. Apparently the sheet shifted in position as the reverse was printed, but the missing area on the reverse is not a gutter fold or an open butterfly, as it seems clear that some obstruction when the printing took place caused the large blank area. (200-400)

742 **Fr. 1654 $5.00 1934D Silver Certificate. Extremely Fine.**

An obstruction has caused a large part of the Treasury seal to be missing, although the embossing is present. (100-200)

743 **Fr. 1905-B $1.00 1969B Federal Reserve Notes. Choice Crisp Uncirculated.**

Two consecutive pieces, each missing the district seal and district numbers from the left side of the note. This was likely caused by an obstruction as there is no evidence whatever of any embossing. (100-150)

744 **Fr. 1955-D $5.00 1934 Federal Reserve Note. Crisp Uncirculated.**

The obstruction here has covered part of the seal and the right serial number. This rare early error is fully Choice save for a tiny corner fold. Early errors such as this are just plain rare. (200-400)

745 **Fr. 1962-C $5.00 1950A Federal Reserve Note. Gem Crisp Uncirculated.**

Another great error. Here the obstruction covered the area of the upper district number and the district seal, most of the left serial number, and a small part of the series designation as well. The note is pristine but for two blue pencil circles, one around the left serial number and one on the right side, likely affixed when the error was discovered. Hard to estimate, because this is likely not easily duplicated, but certainly worth… (500-900)

746 **Fr. 2059-D $20.00 1950 Federal Reserve Note. About Uncirculated.**

Very few errors are more visually pleasing than this obstructed printing. (200-400)

747 **Fr. 2060-H $20.00 1950A Federal Reserve Note. Gem Crisp Uncirculated.**

An exceptionally striking example of an obstructed printing where there is a razor sharp line denoting the obstruction. (200-400)

748 **Fr. 2070-E $20.00 1969C Federal Reserve Note. About Uncirculated.**

The obstruction here is on the reverse. (100-200)

749 **Fr. 2072-L $20.00 1977 Federal Reserve Note. Choice Crisp Uncirculated.**

The left side district seal and numbers are missing. While there is no embossing on the seal, the numbers indicate that either the printer was clogged or there was a light obstruction over the paper when the note was printed. (60-100)

750 **Fr. 2101-G $50.00 1928A Federal Reserve Note. Gem Crisp Uncirculated.**

One of the great errors in the Doovas holdings. The right serial and seal were not printed, although the embossing for both is present. How this early high denomination escaped the Bureau's far more rigorous inspection in those days we can only conjecture, but errors such as this will always be among the elite in this rapidly developing field. (600-1000)

751 **Fr. 2152-L $100.00 1950E Federal Reserve Note. Extremely Fine.**

Each of these notes was printing off register, with most having a sliver of the adjoining note showing. (6 pieces) (60-100)

778 **Fr. 1509 $2.00 1953 Legal Tender. Extremely Fine.**

A misaligned reverse this far out of alignment would be a major error regardless of denomination. On a $2.00 Legal, it is just plain rare. This is about as striking as these errors ever come. (300-600)

779 **A Rare Pair of Legal Errors**

Fr. 1531 $5.00 1928F Legal Tender. Gem Crisp Uncirculated.

Fr. 1532 $5.00 1953 Legal Tender. Gem Crisp Uncirculated.

Two misaligned reverses, the first so far to the left that the entire right sheet selvage shows, the second so far up that a good chunk of the note below is visible. (175-350)

780 **Fr. 1955-B $5.00 1934 Federal Reserve Notes. Choice Crisp Uncirculated.**

A really interesting group of five consecutive error notes showing a rather dramatically off-center reverse from the top of the sheet on down. The bottom four notes each have a small piece of the top note's reverse showing. Groups such as this are available to collectors only when great collections like the Doovas holdings are dispersed. (250-500)

785 **Fr. 2055-L $20.00 1934A Federal Reserve Notes. Choice About Uncirculated.**

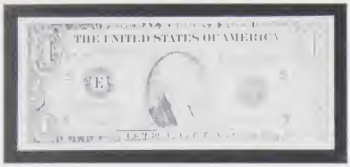
Very similar to the above lot with off register reverses, but the error is not quite as striking. Each note but the top one does show a sliver of the note above. (5 pieces) (175-325)

786 **Misaligned Reverses**

This lot contains 19 pieces, each with a reverse that is misaligned. Included are 1 Legal Tender note, 8 Silver Certificates, 9 Federal Reserve Notes (all but one 1950 series pieces), and one National Bank Note, whose reverse, while centered high, would not constitute a real error. Many of the remaining notes show small pieces of the adjoining notes above or below. This is a very nice lot which likely could not be duplicated in any dealer's inventory today. **Very Good-Crisp Uncirculated**, with the average **Extremely Fine** or better. (400-800)

787 **Fr. 1907-B $1.00 1969D Federal Reserve Note. Gem Crisp Uncirculated.**

Excessive wiping of the plate caused the lack of ink making this a virtual "ghost" note. (100-200)



788 **Fr. 1909-E $1.00 1977 Federal Reserve Note. Gem Crisp Uncirculated.**

Severe underinking on the first printing has caused this interesting error. (75-150)

The well known AH/BH serial number mismatch. It has been some time since we have had even one example to offer our bidders. These are the only error sheets released by the Bureau and are quite popular. The examples we have had in the past have realized between $290 and $330. This one should bring around the same figure. 829 **Fr. 1614 $1.00 1935E Silver Certificate. About Uncirculated.**

A most fascinating piece. Apparently the sheet that this note was a part of was placed atop the next sheet at almost a right angle. The freshly printed sheet underneath (which seems to have had only its first printing) was wet enough to create this offset, which, interestingly enough, shows parts of two notes on the underlying sheet. Hard to estimate, but likely to see bidding in the range of… (250-500)

830 **Scarce Early Gutter Fold**

Fr. 2002-B $10.00 1928B Federal Reserve Note. Fine-Very Fine

A very dramatic gutter fold which, most interestingly, is as prominent on the reverse, showing that the fold was present and open during both the first and second printings. (100-200)

865 **Fr. 1980-I $5.00 1988A Federal Reserve Note. Crisp Uncirculated.**

These wildly skewed first printings are some of the most dramatic errors that have ever escaped the Bureau. This is a nice one. (300-600)

A Wonderful Mini-Collection of Hawaii Note Errors

866 **Fr. 2300 $1.00 1935A Hawaii Silver Certificate. Choice Crisp Uncirculated.**

The first three lots in this section are all from the same sheet. The sheet was apparently misaligned when the Hawaii overprint was applied. All Hawaii note errors are rare, and errors of this magnitude are offered only when great collections come to the market. (350-700)

867 **Fr. 2300 $1.00 1935A Hawaii Silver Certificate. Choice Crisp Uncirculated.**

The "C" plate position from the same sheet, and again the Hawaii overprint is skewed. (350-700)

868 **Fr. 2300 $1.00 1935A Hawaii Silver Certificate. Choice Crisp Uncirculated.**

The "F" position on the sheet, and the overprint here is shifted and skewed to the left. It is our hope that this likely unique trio will be kept intact by its new owner. (300-600)

869 **Fr. 2302 $5.00 1934A Hawaii Federal Reserve Note. Choice About Uncirculated.**

A wonderful gutter fold which was in the paper from the first printing until the sheet was cut. The overprint on the back, as well as the seal and entire face design is affected by the gutter. This would be a neat error on any early note, but on a Hawaii five it is a prohibitively rare item. We have graded this as Choice About Uncirculated due to a light corner fold, but in every other respect the note is a flaming Gem. (400-800)

870 **Fr. 2306 $20.00 1934A Hawaii Federal Reserve Note. Very Fine-Extremely Fine.**

There is an ink smear below the Hawaii overprint on the reverse. (100-200)

871 **A Friedberg What?**

Fr. ? $1.00 ? Silver Certificate. Gem Crisp Uncirculated.

One of the highlights of Mr. Doovas' error collection. While missing the third printing, the note does have its serial number penciled in on the right hand side. We will leave it to the imagination of our bidders how this piece left the BEP, but suffice it to say that there are few if any like this in existence. A liberal bid is strongly suggested to bring this prize home. (450-900)

Enigmatic Double Printing

872 **Fr. 2011-B $10.00 1950A Federal Reserve Note. Choice About Uncirculated.**

One of the classic errors in the Doovas collection. This is an obvious third printing doubling, but how can one explain the partial obstruction on one of the district seals or the fact that the right serial number is only printed once, although the embossing suggests there may have been more than one printing there as well. Suffice it to say that this is an error collector's dream note, and we've not seen any like it in 25 years in the business. (1000-2000)

The King of Errors Times Four

873 **Double Denomination $5.00/$10.00 Gem Crisp Uncirculated.**

A beautiful example of the $5.00 1934D Kansas City face with a $10.00 reverse. This magnificent note is as fully bright and fresh as the day it was printed, and the centering on both sides is letter perfect. If this were the only double denomination in the Doovas collection, it would be a simply superlative example. With three other double denominations, its impact is more limited but it is just as superlative. (4000-8000)

874 **Double Denomination $10.00/$5.00 Choice Crisp Uncirculated.**

The extremely rare $10.00 1928A Richmond face with a $5.00 reverse. This is the first $10.00/$5.00 double denomination we have ever handled, and with the demand for great errors as high as it is, expect some stiff competition to bring this one home. (4500-8500)

875 **Double Denomination $20.00/$10.00 Gem Crisp Uncirculated.**

The only modern (post 1963 series) double denomination of which we are aware. These caused a sensation when they were discovered in the Houston area, and the price has only gone up from then. It has been almost a decade since we have handled one of these, and that example was a circulated copy far inferior to this. (4000-8000)

876 **Double Denomination $10.00/$1.00 About Uncirculated.**

This is the true king of the double denominations, as the $10.00 1950A New York Federal Reserve Note face is joined to a $1.00 1935D or E Silver Certificate reverse. Until we examined this example, we were totally unaware that such a double denomination even existed, and even now we are excited to have the privilege of offering this wonderful note to the collecting fraternity. Other than one light center fold, the note is new, although the margins are somewhat aged in appearance. This is hard to estimate, for when this example is sold, could all the money in the world produce another? (6000-10000)

The True King of Errors

877 **Fr. ? "1953B Federal Reserve Note." Fine-Very Fine.**

The highlight of the Doovas collection, and an error most did not even know existed before this specimen emerged. Unlike the similar 1953 Silver Certificate third printing on a Federal Reserve Note we sold in our May, 1993 sale, the existence of this note had never even been hinted at. Also, unlike that error, this example, which is a Legal Tender printing on a Federal Reserve Note, is perhaps unique. Whether unique or not, this offers what is likely the only opportunity to obtain a note of this type for perhaps the remainder of most of our lives. (3000-6000)

878 **A Lot of Errors**

Ten pieces, from the totally minor (partial offsets, shifted printings, etc.) to a nice reverse ink smear and a substantially shifted reverse on a Silver Certificate. No returns on this lot for any reason. (150-225)

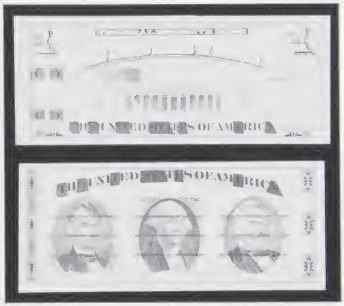
TEST NOTES

879 **Two Specimen Notes**

A 1929 Specimen note from the American Bank Note Company and an undated but apparently modern Test Note printed by De La Rue. Both grade **Choice New**. (2 pieces) (50-up)

880 **Three Giori Test Pieces**

Each printed on both sides with the same design, one with a green face and black back and two much rarer pieces, one with a black face and brown back and the other the very rare black face with a maroon back. (3 pieces) (400-up)



881 **Magna Test Pieces**

Two pieces, the green face design with a blank back, and green back design with blank face. (2 pieces) (150-up)

882 **Four Web Test Pieces**

All four bear the same design: Lincoln at the left, a keystone in the center and a factory at the right. One is printed in black, one in brown, one in green and the fourth a totally blank impression with no trace of ink but with the deeply embossed design totally apparent. (4 pieces) (400-up)

Currency Auctions of America, Inc. is pleased to announce that our next public auctions will take place in Orlando, in January of 1996 and in Chicago, in May of 1996!

The William Doovas Collection of Uncut Sheets

The William Doovas Collection of Uncut Sheets constitutes, without a doubt, the finest holding of uncut small size sheets in any private collection in the country. Mr. Doovas assembled his sheet collection as he assembled the other collections offered within the covers of this catalogue — by going out and buying the best items on the market until the collection was as complete as could reasonably be accomplished. Several of these sheets are excessively rare, with a couple being unique in private hands. Enjoy this opportunity, as its like will not soon occur again.

Very Rare $1 Legal Tender Sheet

883 **Fr. 1500 $1.00 1928 Legal Tender. Uncut Sheet of 12. Choice Crisp Uncirculated.**

We open with one of the classic rarities in small size uncut sheets, the 1928 Legal Tender $1.00. The new Oakes reference indicates that Bureau and Treasury records indicate that only 11 of these sheets were made available for sale in uncut form. Eight are listed in the Oakes census, with this example not among them. It is offered here for the first time to the collecting fraternity. The sheet is virtually as issued, with just a small pinch fold in the middle between the notes and a couple of miniscule corner creases. It certainly ranks as one of the nicest of the handful extant. Items such as this appear so infrequently that estimates are almost impossible,but a likely realization is… (15000-25000)

884 **Fr. 1501 $2.00 1928 Legal Tender. Uncut Sheet of 12. About Uncirculated.**

This excessively rare sheet is one of only two of this series reported to exist. Neither the Bureau nor the Treasury, in fact, have any records of this sheet being made available to the public at all. The overall appearance is bright and lovely, with one central fold and several corner folds being the only faults. This wonderful item is certain to see some spirited competition, and may well exceed the Oakes catalogue price of $5000.00. (4000-8000)

885 **Fr. 1504 $2.00 1928C Legal Tender. Uncut Sheet of 12. Choice Crisp Uncirculated.**

A far above average sheet which is a new addition to the census. This is a tougher sheet to find, and the sheet itself is quite nice, with only a tiny corner tip fold and one light fold at the lower left keeping this sheet from perfection. (1000-1500)

886 **Fr. 1504 $2.00 1928C Legal Tender. Uncut Sheet of 12. Uncirculated.**

There are some internal creases, some light corner folds, and a bit of detritus on the bottom note on the left hand side, but for all that the sheet is still rather attractive. (700-1000)

887 **Fr. 1506 $2.00 1928E Legal Tender. Uncut Sheet of 12. Choice Crisp Uncirculated.**

Although only 50 sheets were issued, these are not particularly rare, with the Oakes reference listing a total of 26, including this one. The sheet is virtually pristine but for a small corner fold or two. (700-1000)

888 **Fr. 1509 $2.00 1953 Legal Tender. Uncut Sheet of 18. Gem Crisp Uncirculated.**

A superb sheet, bright, fresh and original. Totally free of marks or defects of any kind, the sheet begins with note number A00000033A. (1200-1800)

889 **Fr. 1509 $2.00 1953 Legal Tender. Uncut Sheet of 18. Choice Crisp Uncirculated.**

A lovely example with no folds and minimal handling. (1000-1750)

890 **Fr. 1509 $2.00 1953 Legal Tender. Uncut Sheet of 18. Choice Crisp Uncirculated.**

Serial number A00000040A through A00136040A. This is just as nice as the serial number 34 example offered above. (1000-1750)

Two of the 14 Known 1928D $5.00 Legal Tender Sheets

891 **Fr. 1529 $5.00 1928D Legal Tender. Uncut Sheet of 12. Crisp Uncirculated.**

One of the key sheets which, with only 14 known, is virtually never offered. Of course, the Doovas collection has two. There is one small repaired cut in the upper left hand margin, and there are the usual minor handling marks, but this is an attractive sheet nevertheless. (1750-2750)

892 **Fr. 1529 $5.00 1928D Legal Tender. Uncut Sheet of 12. Choice About Uncirculated.**

The higher of the serial numbers, and with a center fold down the middle of the sheet, but actually nicer in appearance than the lot above. (1500-2250)

893 **Fr. 1530 $5.00 1928E Legal Tender. Uncut Sheet of 12. Choice Crisp Uncirculated.**

A lovely sheet,with a tiny corner tip fold at the lower left, otherwise separated from perfection by only the most miniscule of handling marks. Oakes reports 14 sheets known, with this not included in that compilation. (1000-1500)

894 **Fr. 1532 $5.00 1953 Legal Tender. Uncut Sheet of 18. Gem Crisp Uncirculated.**

A splendid, well margined, perfectly clean 18 subject $5.00 Red Seal Sheet. Free of handling, storage defects and any extraneous marks, this sheet begins with note number A00000029A. (1250-2000)

REMINDER —

A 10% Buyer's Fee will be added to all successful bids.

894A **Fr. 1600 $1.00 1928 Silver Certificate. Uncut Sheet of 12. Choice Crisp Uncirculated.**

Only fourteen sheets of this type are listed in the new Oakes reference, and none is likely finer than this. There are a few minute handling marks on the margins, but otherwise this sheet is bright and virtually perfect. (2000-3000)

894B **Fr. 1603 $1.00 1928C Silver Certificate. Uncut Sheet of 12. Choice Crisp Uncirculated.**

This is an excessively rare sheet, with only five examples listed in the Oakes reference, including this one. The sheet is vivid and virtually as issued. We can not imagine another sheet of these rare notes even being in the same league as this. Oakes' catalogue values this sheet at $9000, and this lovely sheet may well see bids in that range or higher. (7000-10000)

894C **Fr. 1604 $1.00 1928D Silver Certificate. Uncut Sheet of 12. Choice Crisp Uncirculated.**

Another very scarce sheet, with the single notes selling for $250 or more. This is an attractive sheet, with its only flaw being a handling mark which extends through the bottom two notes on the lower right side. (2000-4000)

895 **Fr. 1606 $1.00 1934 Silver Certificate. Uncut Sheet of 12. Choice Crisp Uncirculated.**

A beautiful and rare sheet, bearing low serial numbers A00000073A through A00000084A. This sheet is only one corner tip fold from perfection, and displays no other folds and virtually no handling. Only ten sheets are listed in the census, with this having the next to lowest serial numbers. (2000-4000)

896 **Fr. 1607 $1.00 1935 Silver Certificate. Uncut Sheet of 12. Choice Crisp Uncirculated.**

An attractive example of this sheet, with only the lightest of handling and 1 corner tip fold. (1250-2250)

897 **Fr. 1607 $1.00 1935 Silver Certificate. Uncut Sheet of 12. About Uncirculated.**

Another example of this tougher sheet, with some edge handling and corner tip folds. There are also some light folds into the notes, as well as a tiny internal closed tear. (800-1200)

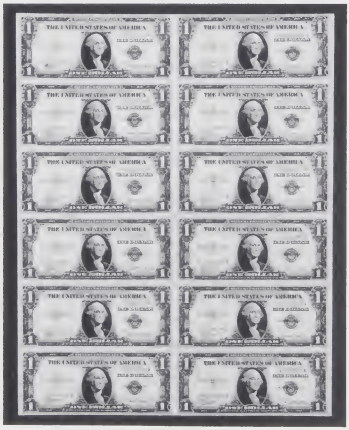
898 **Previously Unlisted 1935 $1.00 Silver Certificate Mule Sheet**

Fr. 1607 $1.00 1935 Silver Certificate. Uncut Sheet of 12. Choice Crisp Uncirculated.

This is the first uncut sheet of 1935 Mules reported to exist. There is one corner fold, but handling is minimal and the sheet makes an excellent appearance. Oakes notes in his book the "All 1935 Series Mules are Scarce." What this possibly unique sheet is worth remains to be seen. (2500-5000)



899 **Fr. 1608 $1.00 1935A Silver Certificate. Uncut Sheet of 12. Choice Crisp Uncirculated.**

An attractive sheet with one corner tip fold but no other folds or handling of any kind. (900-1200)

900 **Fr. 1608 $1.00 1935A Silver Certificate. Uncut Sheet of 12. Crisp Uncirculated**

Not quite as nice as the sheet above, with an as made paper wrinkle, two corner tip folds, and a fingermark at the lower right hand corner. (600-900)

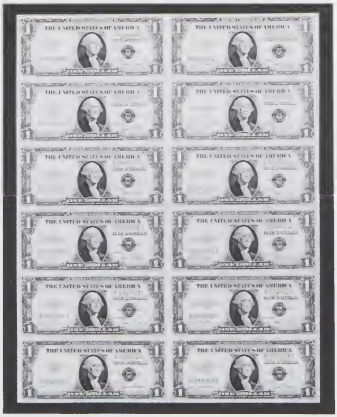
901 **Fr. 1611 $1 1935B Silver Certificates. Uncut Sheet of 12. Choice Crisp Uncirculated.**

Fresh and original, but there are some very light discoloration spots on the top two notes. (400-600)

902 **Fr. 1612 $1.00 1935C Silver Certificate. Uncut Sheet of 12. Crisp Uncirculated.**

There are a few light smudges, a couple of corner tip folds, and some handling in the margins, but otherwise this sheet is unimpaired. (500-700)

Currency Auctions of America, Inc. is pleased to announce that our next public auctions will take place in Orlando, in January of 1996 and in Chicago, in May of 1996!



903 **Fr. 1613 $1.00 1935D Silver Certificate. Uncut Sheet of 12. Choice Crisp Uncirculated.**

A virtually perfect sheet with only the tiniest of handling marks. (600-900)

904 **Fr. 1614 $1.00 1935E Silver Certificate. Uncut Sheet of 18. Choice Crisp Uncirculated.**

A lovely sheet with just a minimum of handling. (700-900)

905 **Fr. 1614 $1.00 1935E Silver Certificate. Uncut Sheet of 18. Choice Crisp Uncirculated.**

Just as nice as the preceding sheet. This example is from the U-G block. (700-900)

906 **Fr. 1614 $1 1935E Silver Certificate. Uncut Sheet of 18. Choice Crisp Uncirculated**

There are some very minor handling marks at the edges; otherwise this sheet is pristine. (600-800)

MAIL BIDDERS! PLEASE REMEMBER TO SIGN YOUR BID SHEET, AND MAIL EARLY!

907 **Fr. 1650 $5.00 1934 Silver Certificate. Uncut Sheet of 12.**

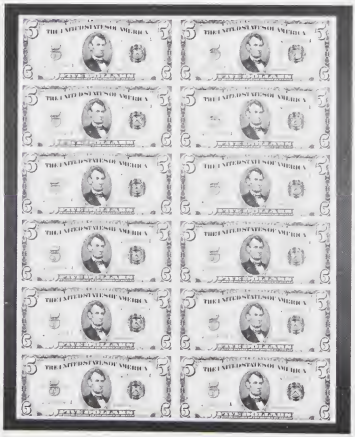
A low numbered and scarce sheet, but with a few problems, including a corner tip piece which is missing, brittle margins, a chip gone from the top right margin, and a fair degree of handling. As this is a sheet, we have not graded it with a traditional grade, preferring to describe it rather than label it. (750-1250)

908 **Fr. 1652 $5.00 1934B Silver Certificate. Uncut Sheet of 12. Crisp Uncirculated.**

There are a couple of corner folds and some minimal margin handling typical of these large items, but no folds penetrate the body of the sheet and the appearance is quite pleasing. Ten sheets are listed in the Oakes census in this scarce series,with this one unreported. (1750-2750)

909 **Fr. 1653 $5.00 1934C Silver Certificate. Uncut Sheet of 12. Crisp Uncirculated.**

The Oakes reference lists only ten sheets extant, with this example not included. There is some handling in the margins and corners,but the notes are free of folds. There is one minor small stain on the reverse. (1000-1500)



910 **Fr. 1654 $5.00 1934D Silver Certificate. Uncut Sheet of 12. Choice Crisp Uncirculated.**

A sharp and attractive sheet with minimal handling. This sheet, as do the next two offered, has the Wide-1 reverse. (1250-1750)

911 **Fr. 1654 $5.00 1934D Silver Certificate. Uncut Sheet of 12. Crisp Uncirculated.**

There is a repaired tear into the top note,but otherwise this sheet is fully Choice. (800-1200)

912 **Fr. 1654 $5.00 1934D Silver Certificate. Uncut Sheet of 12. About Uncirculated.**

There are no folds, but just too much handling at the corners and edges to call this sheet new. There is a bit of light green ink staining on the reverse. (600-900)

913 **Fr. 1655 $5.00 1953 Silver Certificate. Uncut Sheet of 18. Choice Crisp Uncirculated.**

A lovely low number sheet, with no folds whatever and only the most minimal evidence of handling. This is a scarce sheet, and we seriously doubt any could be nicer. (1500-2500)

914 **Fr. 1701 $10.00 1934 Silver Certificate. Uncut Sheet of 12. About Uncirculated.**

There is a vertical fold and folds into and between the notes. One note has a light stain, and there is an ink spot on the margin. For all that, this is a very rare sheet, which is one of seven listed in the new Oakes reference. With a catalogue value of $4500 , expect to see a winning bid in the range of… (2000-4000)

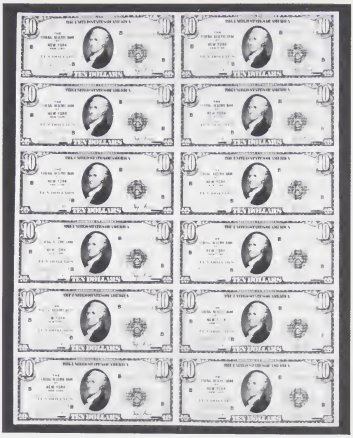
915 **Fr. 1706 $10.00 1953 $10.00 Silver Certificate. Uncut Sheet of 18. Crisp Uncirculated.**

A very scarce sheet which we have never handled previously. Only ten such sheets are listed in the census, including this example. There is some evident handling, especially on the bottom row of notes, but nowhere is the sheet folded between the notes. Oakes' catalogue valuation is $5000 but a more likely realization is… (3000-5000)

One of Two Federal Reserve Bank Note Sheets in Private Hands

916 **Fr. 1860-B $10.00 1929 Federal Reserve Bank Note. Uncut Sheet of 12. About Uncirculated.**

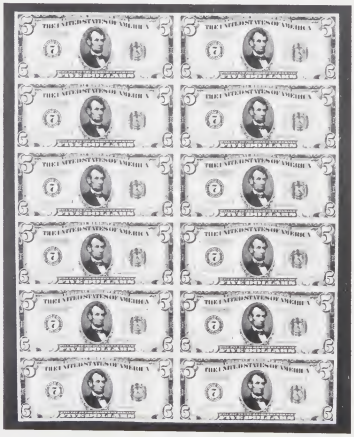
We are truly pleased to offer this fantastic item for your consideration, an item so rare that one could easily spend a lifetime in this business and never have the opportunity to handle one like it. Unlike the Legal Tender and Silver Certificate sheets, Federal Reserve Bank Note and Federal Reserve Note sheets were never officially available for public sale at the Treasury's Cash Division. While it is speculated that the few sheets extant from these series were made available as presentation pieces, the fact is that we have no idea whatever today as to how these sheets were released or how they survived. This example is the higher serial number example of the two Federal Reserve Bank Note uncut sheets known to exist. Both are from the New York district and both are $10.00 sheets. To our best knowledge, neither has ever been available at public sale before this offering. The sheet itself has folds at the center and between the notes, but despite this and some light handling, the overall appearance is quite lovely, with the color and quality of a lovingly protected item. The Oakes catalogue value of $20,000 is strictly theoretical, but if rarity and desirability are any guide, bidding will end in that vicinity if not higher. (15000-25000)



Two of the Four Known $5.00 Federal Reserve Note Uncut Sheets

917 **Fr. 1950-C $5.00 1928 Federal Reserve Note. Uncut Sheet of 12. Gem Crisp Uncirculated.**

A magnificent sheet in all respects. This is the only Philadelphia $5.00 uncut sheet known and one of only four from any district reported extant. It is also in incredible shape, virtually as nice in fact as the day it left the Bureau. The colors are spectacular and the sheet exhibits virtually no traces of handling whatever. Hard to estimate, but certainly this is worth… (7500-12500)



918 **Fr. 1950-G $5.00 1928 Federal Reserve Note. Uncut Sheet of 12. Choice Crisp Uncirculated.**

Another superlative item from the Doovas collection. This is the second of four sheets known in this series, and again it is a beautiful item, with great color and absolutely minimal handling. It gets repetitious to say this, but this is an opportunity that is at least as rare as these sheets. (7500-12500)

Magnificent Philadelphia Uncut $10.00 Sheet

919 **Fr. 2000-C $10.00 1928 Federal Reserve Note. Uncut Sheet of 12. Choice Crisp Uncirculated.**

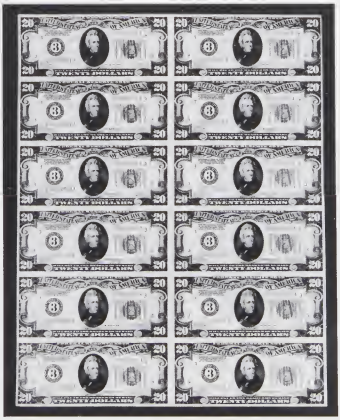
One of six $10.00 green seal sheets reported to date. This is a gorgeous sheet, just a couple of corner folds away from perfection. (7500-12500)

Unique Minneapolis Uncut $10.00 Sheet

920 **Fr. 2000-I $10.00 1928 Federal Reserve Note. Uncut Sheet of 12. Choice About Uncirculated.**

The notes are all virtually pristine, but there is a fold down the middle of the sheet. It hardly matters, because no amount of money can buy another Minneapolis $10.00 Federal Reserve Note uncut sheet. (7500-12500)

The Only Uncut Serial Number 1 Sheet in Private Hands



921 **Fr. 2050-C $20.00 1928 Federal Reserve Note. Uncut Sheet of 12. Crisp Uncirculated.**

A magnificent and unique sheet which speaks for itself. There are few currency items so spectacular that an entire collection could be built around them. This is one of those items. This sheet is virtually as it was printed, with only a few handling marks and one small nick in the margin of the number 1 note keeping it from perfection. If you collect sheets, have lots of money, and want to own the best of the best, this is certainly for you. (15000-30000)

922 **Fr. 2300 $1.00 1935A Hawaii Silver Certificate. Uncut Sheet of 12. Choice Crisp Uncirculated.**

A virtually perfect sheet, with no folds whatever and only the slightest evidence of handling of any kind. Other than some very light foxing at the edges, this scarce sheet is Gem. Expect to see a winning bid in the range of… (3500-5500)

923 **Fr. 2306 $1.00 1935A North Africa Silver Certificate. Uncut Sheet of 12. Choice Crisp Uncirculated.**

Terrific color on this rare sheet. There is one corner fold in the upper right corner, but no other folds of any kind and only the most minimal evidence of handling. This is an even scarcer sheet than the Hawaii sheet offered above, and should see bidding in the range of… (3750-5750)

The William Doovas Collection of Small Size Currency

It gives us great pleasure to present below the William Doovas collection of small size currency. From its inception in the 1960's, when small size type notes were regarded as little more than spending money by the majority of collectors and dealers alike, Mr. Doovas, as in his other collecting endeavors, was a pioneer in recognizing the potential in small size type material. From the low serial numbers to the star notes, from rare mules and blocks to great multiple examples of the 1933 $10.00 Silver Certificates, Mr. Doovas acquired it all. As the market matured, Mr. Doovas' holdings became recognized as one of the great, if not the greatest, collections of small size currency extant. Enjoy this opportunity, as its like may never again occur.

924 **Fr. 1500 $1.00 1928 Legal Tender. Gem Crisp Uncirculated.**

Exceedingly well centered and a very low number as well. (125-250)

925 **Fr. 1500 $1.00 1928 Legal Tender. Gem Crisp Uncirculated.**

As nice as these normally poorly centered pieces ever come. (75-100)

926 **Low Number Pair**

Fr. 1500 $1.00 1928 Legal Tenders. Gem Crisp Uncirculated.

Two pieces, one with serial number A00000911A and one with serial number A00000928A. Each is as perfectly centered as these notes ever come. (225-325)

927 **Gem Consecutive Pair**

Fr. 1500 $1.00 1928 Legal Tenders. Gem Crisp Uncirculated.

A lovely pair, with each note perfectly centered. (150-200)

928 **Fr. 1500 $1.00 1928 Legal Tenders. Gem Crisp Uncirculated.**

Three pieces, each a bright and vivid example. The margins, although more than adequate, are not quite as perfect as on the examples above. (175-250)

929 **Fr. 1500 $1.00 1928 Legal Tender. Choice Crisp Uncirculated.**

Well centered and with a four digit serial number. (60-100)

930 **Fr. 1500 $1.00 1928 Legal Tenders. Choice Crisp Uncirculated.**

Three pieces, each with one close margin. One of the notes has a four digit serial number. (150-225)

931 **Fr. 1500 $1.00 1928 Legal Tender.** Cut Half Sheet of Six. **Choice-Gem Crisp Uncirculated.**

A lovely cut half sheet, with three Choice examples and three beautifully centered full blown Gems. (6 pieces) (350-550)

932 **Fr. 1501 $2.00 1928 Legal Tender. Gem Crisp Uncirculated.**

Low numbers in the early Legal series are very difficult to obtain. This example, the only such piece Mr. Doovas could obtain in addition to the star below, would fit nicely into the finest of collections. (300-600)

933 **Fr. 1501★ $2.00 1928 Legal Tender. Gem Crisp Uncirculated.**

One of the great low numbers from the Doovas holdings. This is the first low number star 1928 $2.00 Legal we have ever had to offer in any grade. (450-900)

934 **Fr. 1501★ $2.00 1928 Legal Tender. Gem Crisp Uncirculated.**

A tough to find star, especially this nice. (175-325)

935 **Fr. 1502 $2.00 1928A Legal Tender. Choice Crisp Uncirculated.**

This has now become recognized as a scarce item in this grade. (125-175)

936 **Fr. 1502 $2.00 1928A Legal Tender. Choice Crisp Uncirculated.**

A scarce note in this high grade. (125-175)

937 **Fr. 1503 $2.00 1928B Legal Tender. Gem Crisp Uncirculated.**

Unusually well centered on both the front and back, and a premium example of this key note to the series. If you are searching for a 1928B deuce to complete your ultimate set, this lovely note is for you. (500-900)

938 **Fr. 1503 $2.00 1928B Legal Tender. Crisp Uncirculated.**

Great color on this key piece, which is just a touch too close at the bottom margin to call Choice. (200-400)

939 **Fr. 1503 $2.00 1928B Legal Tender. Choice About Uncirculated.**

The key to the regular issue $2.00 Legals. This is an attractive and well centered example one sharp fold from new. (175-250)

940 **Fr. 1504 $2.00 1928C Legal Tender. Gem Crisp Uncirculated.**

Original and very nicely centered. (60-90)

941 **Fr. 1505★ $2.00 1928D Legal Tender. Choice Crisp Uncirculated.**

A lovely note with great color, but the back centering is skewed low. (100-150)

942 **Fr. 1506/1507 $2.00 1928E/1928F Legal Tender Notes. Changeover Pair. Gem Crisp Uncirculated.**

This pair is unlisted in the new Oakes reference, which has only two such pairs recorded. Catalogue value is $250.00, which seems a bit on the low side. (200-400)

943 **Fr. 1507★ $2.00 1928F Legal Tender. Choice Crisp Uncirculated.**

An attractive and well centered example of this tough star note. (100-200)

944 **Fr. 1508 $2.00 1928G Legal Tender. Choice Crisp Uncirculated.** Uncut Pair.

A bit of handling, but the margins here are unimprovable, as these were cut from the sheet taking all the margin from the surrounding notes. (75-150)

945 **Fr. 1508 $2.00 1928G Legal Tenders. Choice Crisp Uncirculated.** Uncut Pair.

Less handling than on the pair above, but less margin as well. (50-100)

946 **Fr. 1508★ $2.00 1928G Legal Tender. Gem Crisp Uncirculated.**

The most common of the 1928 series $2.00 stars but a nice example nevertheless. (100-150)

947 **Fr. 1512 $2.00 1953C Legal Tender Pack of 100. Gem Crisp Uncirculated.**

100 consecutive notes, an original pack. Only the front of the band comes with the pack. (350-550)

948 **Fr. 1514 $2.00 1963A Legal Tender Pack of 100. Gem Crisp Uncirculated.**

A beautiful pack which could not be improved on. (300-400)

949 **Legal Tender $2.00 Notes**

Fr. 1501 $2.00 1928 Choice Crisp Uncirculated.

Fr. 1502 $2.00 1928A Choice About Uncirculated, Fine (2), **Very Good** (5)

Last of this small group, and again a beautifully centered and perfectly printed example. (300-500)

960 **Fr. 1530★ $5.00 1928E Legal Tender. Gem Crisp Uncirculated.**

An extremely rare single digit Legal. There is an as made crease but otherwise this note is Gem. (300-500)

962 **Fr. 1532 $5.00 1953 Legal Tender. Gem Crisp Uncirculated.**

The margins on this note are superb, which should come as no surprise, as all of the low number Legals in this series were hand cut from Bureau sold uncut sheets. This one is serial number A00000019A. The note is perfect save for a tiny spot on the reverse. (175-325)

966 **Fr. 1550 $100.00 1966 Legal Tender. Gem Crisp Uncirculated.**

967 **Fr. 1550 $100.00 1966 Legal Tender. Gem Crisp Uncirculated.**

Perfectly centered, with two digit serial A00000089A. This will likely be the only auction in the entire decade of the 1990's. to offer three two digit serial examples of the 1966 hundreds. (350-700)

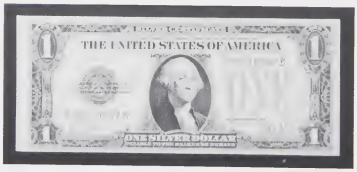
Serial Number 2



985 **Fr. 1602 $1.00 1928B Silver Certificate. Gem Crisp Uncirculated.**

A power note in all respects, with that just off the press quality and the all important serial number H00000002B. While the centering falls a bit short of perfection, labeling this example anything short of Gem would simply be ludicrous. (400-800)

986 **Fr. 1602★ $1.00 1928B Silver Certificate. Crisp Uncirculated.**

A very tough and seldom offered star, particularly in this grade. This example is quite well centered and definitely crisp, but a few light handling marks and a bit of paper rippling compel us to avoid calling this Choice. (200-400)

987 **Fr. 1602/1601 $1.00 1928B/1928A Silver Certificates. Changeover Pair. Choice Crisp Uncirculated.**

F-B block changeover pair. (100-200)

992 **Fr. 1603 $1.00 1928C Silver Certificate. Gem Crisp Uncirculated.**

There is one tiny handling mark, but otherwise this well centered beauty has the punch through, originality and color of a note printed yesterday. (400-600)

993 **Fr. 1603 $1.00 1928C Silver Certificates. Extremely Fine, Very Fine-Extremely Fine.**

Two pieces, one from the D-B block, one from the E-B block. The latter piece appears new at first look. (250-450)

996 **Fr. 1604 $1.00 1928D Silver Certificates. Choice Crisp Uncirculated..**

997 **Fr. 1605 $1.00 1928E Silver Certificate. Choice Crisp Uncirculated.**

Centered between four even margins, this well printed example of the key to the series would be a desirable addition to any collection. (900-1100)

998 **Fr. 1605 $1.00 1928E Silver Certificate. Crisp Uncirculated**, tear.

A well centered example of the key note to the $1.00 Silver Certificate series. This would be a four figure note but for the 1" tear at the upper right. The tear has been repaired, although not professionally. It still should be worth about... (300-500)

A Quintet of 1933 Tens

1041 **Fr. 1700 $10.00 1933 Silver Certificate. Choice Crisp Uncirculated.**

Low serial number A00000013A. This is a lovely note which would easily grade Gem but for a couple of as made printing wrinkles and a very tight lower margin. It is still a great note which would fit nicely into the finest of collections. (3500-5500)

1042 **Fr. 1700 $10.00 1933 Silver Certificate. Gem Crisp Uncirculated.**

Perfectly printed and bearing low serial number A00000044A. The only detraction, if it can be called that on a note of this quality, is the slightly close bottom margin. Expect to see some stiff competition to bring home this low numbered beauty. (4500-6500)

1043 **Fr. 1700 $10.00 1933 Silver Certificate. Gem Crisp Uncirculated.**

A perfect Gem well centered example that is as nice as any 1933 Ten we have ever seen. If you want the finest available, come to the sale and buy this note. (5500-7500)

1044 **Fr. 1700 $10.00 1933 Silver Certificate. Extremely Fine+.**

A barely circulated example that looks new at first glance. There is a short tear in the right margin which barely touches the design. (1500-2500)

1045 **Fr. 1700 $10 1933 Silver Certificate. Fine-Very Fine.**

A nice circulated example of the rarest of the small size type notes. Strictly original and unmolested. (1250-1750)

Magnificent 1934B $10.00 Consecutive Pair

1046 **Fr. 1703 $10.00 1934B Silver Certificate. Gem Crisp Uncirculated.**

A virtually flawless example of this modern day rarity. This is a perfectly centered and totally original example of this underrated note. We have only had one other 1934B $10.00 Silver anywhere near this in grade in the last two decades. Expect some competition to bring this rarity home. (1000-1500)

1047 **Fr. 1703 $10.00 1934B Silver Certificate. Gem Crisp Uncirculated.**

A second example, consecutive to the last and just as nice. Only when great collections are offered does one get the opportunity to purchase material of this caliber. (1000-1500)

Evenly circulated example of this key piece to the series. (200-300)

Fr. 1950-K $5.00 1928 Federal Reserve Notes. Crisp Uncirculated. Uncut Strip of Three

Serials K00000007A-K00000009A, each a great note and in this form even scarcer. The top note exhibits a bit of light foxing, and the bottom note has one fold, but the overall appearance is such that everyone who sees this will want to own it. (750-1250)

1098 **Fr. 1950-L $5.00 1928 Federal Reserve Note. Choice Crisp Uncirculated.**

A beautiful example with just the slightest traces of handling. Serial number L00000031A. (150-250)

1102 **Partial Set of 1950 $5.00 Feds**

Fr. 1961 $5.00 1950 Federal Reserve Notes (9).

Nine pieces, missing the Boston, New York, and Richmond districts. The Philadelphia and San Francisco notes grade **About Uncirculated**, with the remaining districts grading **Choice** or **Gem Crisp Uncirculated.** (9 pieces) (100-150)

1103 **Fr. 1952-L★ $5.00 1928 Federal Reserve Note.** Light Green Seal. **Choice Crisp Uncirculated.**

An extremely scarce issue for stars from any district, and particularly so from this district. The new Oakes reference lists no stars recorded for the 1928-B San Francisco issue in either the light or the dark green seal. (250-500)

1104 **Fr. 1952-L★ $5.00 1928 Federal Reserve Note.** Light Green Seal. **Choice Crisp Uncirculated.**

A second copy of this scarce star. The centering is not quite as nice as on the example above. (200-400)

1105 **Fr. 1953-F $5.00 1928C Federal Reserve Note. About Uncirculated.**

A very scarce and seldom offered note. (300-500)

1106 **Gorgeous 1928D $5.00 Fed**

Fr. 1954-F $5.00 1928D Federal Reserve Note. Gem Crisp Uncirculated.

Easily the finest example of the rare 1928D $5.00 Federal Reserve Note we have ever laid eyes on. This short lived series was issued only by the Atlanta district and is scarce even in circulated grades. It is prohibitively rare in this state of preservation. Cataloguing at $1000 in the new Oakes reference, we believe this beautiful example will exceed that figure by a considerable margin. (1000-1500)

1107 **Fr. 1954-F $5.00 1928D Federal Reserve Note. About Uncirculated.**

Only the Doovas collection would have a second example of this rare note in this state of preservation. (600-900)

1108 **Fr. 1955-B $5.00 1934 Federal Reserve Note.** Light Green Seal. **Choice Crisp Uncirculated.**

A tiny ink spot under the serial number and an off center reverse take this note from the Gem class. (300-600)

1109 **Fr. 1955-D $5.00 1934 Federal Reserve Note.** Light Green Seal. **Choice Crisp Uncirculated.**

A beautiful single digit serial example. (400-800)

1110 **Fr. 1955-H $5.00 1934 Federal Reserve Note.** Light Green Seal. **Gem Crisp Uncirculated.**

A magnificent note in all respects. There is one tiny and as made crease in the paper, but otherwise this example is simply superb. If you only desire the best in small size, this is a note you must own. (500-900)

1111 **Fr. 1957-D/1958-D $5.00 1934A/1934B Federal Reserve Notes. Changeover Pair. Gem Crisp Uncirculated.**

The Oakes catalogue valuation of $200 seems about right for this changeover pair. (150-250)

An attractive example of this scarce star issue. (100-200)

1113 **Fr. 1961-B $5.00 1950 Federal Reserve Note. Choice Crisp Uncirculated.**

Fr. 1969-C★ $5.00 1969. Gem Crisp Uncirculated. SN I00000088★.

Four pieces. The 1969 Minneapolis star has the potential of becoming a scarce note in its own right, with a printing of only 640,000. (200-300)

1116 **Fr. 2000-A $10.00 1928 Federal Reserve Note. Choice Crisp Uncirculated.**

This lovely two digit serial number note is just a light counting mark away from perfection. (175-275)

1117 **Fr. 2000-A $10.00 1928 Federal Reserve Note. Choice Crisp Uncirculated.**

Serial number A00000077A. This is another beautiful note separated from Gem by the merest traces of handling. (175-275)

1118 **Fr. 2000-D $10.00 1928 Federal Reserve Notes. Choice-Gem Crisp Uncirculated.**

A neat pair, the first with serial number D00001000A, the second with serial number D00002000A. The first note has a bit of handling which necessitates the Choice designation, the second is a Gem. (150-300)

1119 **Fr. 2000-I $10.00 1928 Federal Reserve Note. Gem Crisp Uncirculated.**

As perfect as any of these early Feds can be. (200-400)

1120 **Fr. 2000-J $10.00 1928 Federal Reserve Note. Choice Crisp Uncirculated.**

A touch too close at the top margin for Gem status. This bears serial number J00000666A. (100-150)

1121 **Fr. 2000-K $10.00 1928 Federal Reserve Notes. Crisp Uncirculated.** Uncut strip of three.

The mate to the K00000007A-K00000009A strips of fives and twenties appearing elsewhere. This strip has some foxing, mostly on the bottom two notes, the bottom note also having a small corner fold. (600-1000)

1122 **Fr. 2000-L $10.00 1928 Federal Reserve Note. Choice Crisp Uncirculated.**

Low serial number L00000380A. (100-150)

Similar to the last, this with serial number A00000030A. (150-250)

Four pieces, all consecutive and all well centered. (150-250)

1133 **Fr. 2050-G★ $20.00 1928 Federal Reserve Note. Gem Crisp Uncirculated.**

There is one miniscule handling mark, but this note is otherwise so superior that it still merits the Gem grade. Early stars just do not come along very frequently any longer. (350-550)

1134 **Fr. 2050-G★ $20.00 1928 Federal Reserve Note. Choice Crisp Uncirculated.**

Another lovely example of this very scarce early star. (250-450)

1135 **Fr. 2050-J $20.00 1928 Federal Reserve Note. Choice Crisp Uncirculated.**

Serial number J00000666A, a worthy companion to the similar $5.00 and $10.00 offered above. The margin is cut a bit tightly at the upper right side. (100-150)

1136 **Fr. 2050-K $20.00 1928 Federal Reserve Notes. Choice Crisp Uncirculated.** Uncut Strip of Three.

The nicest of the three matched K00000007A-K00000009A strips. Each of the notes is Choice to Gem, and there is a minimum of light foxing, which here is visible only on the top note. (800-1400)

1137 **Fr. 2050-K $20.00 1928 Federal Reserve Notes. Choice Crisp Uncirculated.** Uncut Pair.

A great low number uncut pair. There is a fold between the two notes, but each note is Choice Crisp Uncirculated. (400-700)

1138 **Fr. 2051-A $20.00 1928A Federal Reserve Note. Choice Crisp Uncirculated.**

1139 **Fr. 2053-L $20.00 1928C Federal Reserve Note. Choice Extremely Fine.**

Perfectly centered and with incredible freshness and embossing for this issue. (700-1000)

1195 **Fr. 2304 $20.00 1934 Hawaii Federal Reserve Note. Choice Crisp Uncirculated.**

This is the 1934 mule variety. Any of the 1934 Hawaii issues are very much scarcer than the 1934A issues, particularly the $20.00, although the price differential is not what it should be. This is a very scarce note, especially in this grade. (500-800)

1196 **Fr. 2304 $20.00 1934 Hawaii Federal Reserve Note. Extremely Fine.**

A scarce note, particularly in this grade. The back is very slightly discolored. (150-250)

1197 **Unusual Hoard of 1934 Hawaii Twenties**

Fr. 2304 $20.00 1934 Hawaii Federal Reserve Notes.

Early on in his collecting career Mr. Doovas recognized the relative rarity of the 1934 $20.00 Hawaiis, and retained every example he could obtain. This group, the largest we have seen in the past two decades, contains seven mules (the more common variety) grading from **About Fine** to **Very Fine+**, and two non-mules, grading **Fine-Very Fine**. Catalogue value in the new Oakes reference is over $100 per note, so with nine pieces, a conservative estimate would be… (600-1000)

1198 **Fr. 2304★ $20.00 1934 Hawaii Federal Reserve Note. Extremely Fine.**

The 1934 Hawaii $20.00 star is one of the classic small size star rarities. Issued in a total of only 56,000 pieces, and with its use barred within the continental United States, it comes as no surprise that the survival rate of these notes appears to have been extremely low. This is the first 1934 $20 Hawaii star that we have handled in over a decade, and it is the highest grade piece we have ever had the pleasure of offering. With demand for star notes as strong as it is, we would not be surprised to end in the range of… (1000-2000)

1199 **Fr. 2305 $20.00 1934A Hawaii Federal Reserve Note. Gem Crisp Uncirculated.**

A beautifully well centered note just 12 digits away from the Gem we sold in our 1995 Orlando sale. This lovely note is fully original and sure to delight. (600-800)

An Amazing Run of Gem 1934A $20.00 Hawaii Mules

1200 **Fr. 2305 $20.00 1934A Hawaii Federal Reserve Note Mule. Gem Crisp Uncirculated.**

This is an issue that is truly rare in this grade. The notes in this small run would be amazing in their quality for color and originality even if they were not of the much more difficult to find mule variety. If you are looking for the ultimate in a $20.00 Hawaii note for your collection, one of this group from the Doovas holdings is for you. (600-800)

1201 **Fr. 2305 $20.00 1934A Hawaii Federal Reserve Note Mule. Gem Crisp Uncirculated.**

Two serials removed from the example above and just as striking in its pristine appearance. (600-800)

1202 **Fr. 2305 $20.00 1934A Hawaii Federal Reserve Note Mule. Gem Crisp Uncirculated.**

Consecutive to the note offered above and every bit as nice. (600-800)

1203 **Fr. 2305 $20.00 1934A Hawaii Federal Reserve Note Mule. Gem Crisp Uncirculated.**

Consecutive to the above note. The back is just a touch less well centered but the overall quality is just as nice. (550-750)

1204 **Fr. 2305 $20.00 1934A Hawaii Federal Reserve Note Mule. Gem Crisp Uncirculated.**

The last of this wonderful run from the Doovas holdings. This is a gorgeous example fit for the finest of collections. (600-800)

1208 **Fr. 2306 $1.00 1935A North Africa Silver Certificate. Choice Crisp Uncirculated.**

The rare F-C block, of which only 12,000 were printed. This is a very attractive piece, although the centering is less than perfect. (150-250)

1209 **Fr. 2308 $10.00 1934 North Africa Silver Certificate. Fine-Very Fine.**

A rare and seldom offered note in all grades. This high grade circulated example was the nicest Mr. Doovas could find for his collection. (600-1000)

Fr. 2306 $1.00 1935A North Africa Silver Certificate. Extremely Fine.

1214 **Fr. 2400 $10.00 1928 Gold Certificate. Choice Crisp Uncirculated.**

Bright, well centered and original. (150-200)

1215 **Fr. 2400 $10.00 1928 Gold Certificate. About Uncirculated.**

Beautiful color and paper quality, but just too much handling to call new. (70-100)

1216 **Fr. 2400 $10.00 1928 Gold Certificate. Fine.**

The far scarcer B-A block. (40-60)

1217 **Superb $20.00 Cut Half Sheet**

Fr. 2402 $20.00 1928 Gold Certificates. Cut Half Sheet of Six. **Gem Crisp Uncirculated.**

This is the happy exception to the rule that the 1928 $20.00 Gold Certificates are impossible to find fully original and well centered. The six notes in this cut half sheet are as nice as any that exist. Each has wonderful color and that just off the press freshness. Just as important for this issue, the centering on each note is virtually letter perfect. Only when great collections are sold do items like this become available. (1400-1800)

1218 **Fr. 2402 $20.00 1928 Gold Certificate. Choice About Uncirculated.**

Beautifully fresh with a light center bend. (75-100)

1219 **Fr. 2402 $20.00 1928 Gold Certificate. About Uncirculated.**

Lovely in every way but there is a center fold. (70-100)

1220 **Fr. 2404 $50.00 1928 Gold Certificate. Choice Crisp Uncirculated.**

Far nicer than normally seen with fresh, clean surfaces. (500-700)

1221 **Fr. 2404 $50.00 1928 Gold Certificate. Choice Crisp Uncirculated.**

A most popular attractively centered example and as such always quite popular. (500-700)

1222 **Fr. 2404 $50.00 1928 Gold Certificate. Choice About Uncirculated.**

There is one slight bend and one pinhole, but otherwise this note is fully new. (200-250)

1223 **Fr. 2405 $100.00 1928 Gold Certificate. About Uncirculated.**

Well centered and bright. (250-350)

1224 **Fr. 2405 $100.00 1928 Gold Certificate. Extremely Fine.**

A note which appears new at first glance but does have some folds. (200-250)

High Grade $1000 Gold

1225 **Fr. 2408 $1000.00 1928 Gold Certificate. Choice About Uncirculated.**

We were sorely tempted to grade this note as Uncirculated, because, although there are some ripples, we can discern no folds whatever, but we are being extremely conservative and describing this as About Uncirculated. There is some evidence of handling, and a corner tip bend, but the original embossing is present on the serial numbers and there is minimal evidence of any circulation at all. This is a rare note in the upper grades, and we would not be surprised to see bidding end in the range of… (3250-4750)

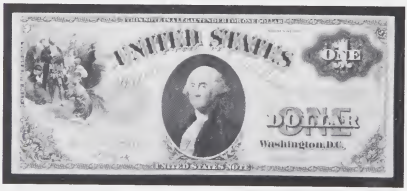
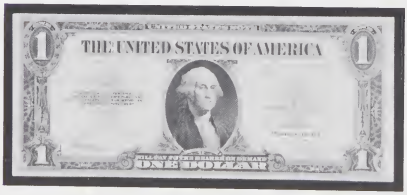
The Tom Conklin Collection of Large Size Star Notes

We are pleased to offer in the following lots the Tom Conklin collection of large size star notes. Formed over a 20 year period from 1974 through 1993, this collection is easily the most comprehensive offering of star notes by Friedberg number ever offered at public sale to the numismatic fraternity. Over the years Tom has given freely of himself through his dedicated research in collaboration with Doug Murray and the other pioneers in the star note field. In many ways, the popularity and the recognized rarity of star notes is due to the dedicated work of Tom and the small band of pioneers who popularized this area of collecting and made it an integral part of the wider currency market. For the many new collectors of large size stars, the opportunities afforded by the Conklin collection will likely never be repeated. Tom joins us in wishing you every success in obtaining some of the rarities offered herein.



1232 **Fr. 37 $1 1917 Star Note About Uncirculated.** A most attractive example. (150-up)

Obtained from Robert W. Hearn in October of 1975.



1233 **Fr. 40 $1 1923 Star Note Very Fine.** One of the more common stars, with more reported in CU than in the circulated grades. (100-up)

One of Tom's first purchases for his collection.

1234 **Fr. 57 $2 1917 Star Note Choice Crisp Uncirculated.** There are several Crisp Uncirculated Fr. 57's reported in the census, but it is doubtful that any are significantly nicer than this lovely example. (350-up)

Obtained from Robert W. Hearn in December of 1977.

1235 **Fr. 84 $5 1907 Star Note Good.** Well circulated with a couple of small margin tears and a reverse paper pull or two, but a scarce number with only four such examples (including this one) listed in the Murray compilation. (75-up)

Obtained at a Florida coin show in February of 1977.

1236 **Fr. 91 $5 1907 Star Note Extremely Fine.** A nice high grade example which will fit nicely into any set of stars. (150-up)

Purchased from Robert W. Hearn in January of 1975.

1237 **Fr. 122 $10 1901 Star Note Fine+.** An attractive circulated example of this most popular star with excellent body and color for the grade. (450-up)

Obtained from Ralph Hinkle, a veteran collector-dealer who was one of the founders of the Paper Money Collectors of Michigan, in September of 1974.

1238 **Fr. 147 $20 1880 Star Note About Fine.** $20.00 Legal stars are among the most difficult to acquire type examples in the star note field. The Conklin example is a nice evenly circulated no problems note which is guaranteed to please. (400-up)

Purchased from Fred Pitkoff when he dispersed his star collection in June of 1985.

1239 **Fr. 230 $1 1899 Star Note Choice Crisp Uncirculated.** A beautiful example of one of the toughest of the Eagle star numbers. This most attractive piece is worth a premium bid in the range of… (400-up)

Obtained from then New Jerseyan and now Californian Lou Rasera in June of 1978.

1240 **Fr. 237 $1 1923 Star Note Choice Crisp Uncirculated.** The most common star, but not so in this grade. (100-200)

1241 **Fr. 237 $1 1923 Star Note About Uncirculated.** Common, but an attractive example nevertheless. (60-90)

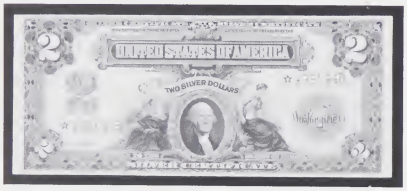
1242 **Fr. 238 $1 1923 Star Note Fine-Very Fine.** What appears at first look to be a totally unexceptional note is in actuality the highest reported serial number of the well over 400 known Series 1923 stars, including the supposedly later issued Fr. 239's. (100-up)

This was the last note Tom purchased for his collection. It was found at the Memphis Paper Money show in June of 1993.

A Complete Signature Set of $2.00 Silver Stars

1243 **Fr. 252 $2 1899 Star Note Very Good.** The first star signature combination and a scarce one at that, with only four such examples listed by Murray. There is a small corner tip missing which does not intrude into the design. (125-up)

Purchased from The Vault in January of 1981.



1244 **Fr. 253 $2 1899 Star Note Crisp Uncirculated.** A very scarce note in this grade, with only six Fr. 253 stars reported (not including this example) in the Murray listing. This piece is a well centered Gem on its face but we have called it only New to account for the very slight paper clip indentation and minute rust spots visible only on the reverse. (500-up)

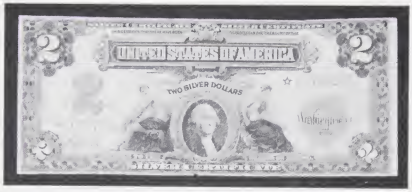
Purchased from Allen Mincho in October of 1987.

1245 **Fr. 255 $2 1899 Star Note Fine.** This is an excessively rare number for stars in this series, with only two pieces, including this example, listed in the Murray compilation. The one other known specimen is listed without a grade, indicating that it has never been available to the numismatic community. It certainly is possible that the Conklin specimen offered here may be the only Fr. 255 star extant that will ever be offered publicly. (600-up)

Purchased in May of 1976 from a private collector.

1246 **Fr. 256 $2 1899 Star Note Very Fine.** A pleasing and well margined example which would serve quite nicely as the type $2.00 star example in any collection of circulated stars. (250-up)

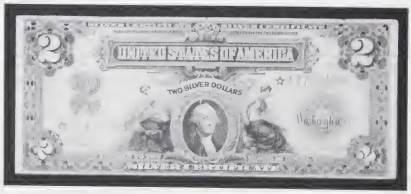
Obtained from the late Phil Lampkin, a Washington, DC dealer whose lists were among the finest issued during the decade of the 1970's, in November of 1975.



1247 **Extremely Rare Fr. 257 Star**

Fr. 257 $2 1899 Star Note Very Good. This example is the sole Fr. 257 star listed in the Murray reference, and again may well represent the only opportunity for collectors to complete a star set by Friedberg number. (450-up)

Obtained from a private collector in November of 1987.

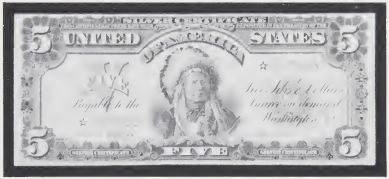


1248 **Fr. 258 $2 1899 Star Note Fine.** A decent circulated example of this seldom seen star type. (175-up)

Obtained from the collection of Dr. Bernard Schaaf in November of 1980.

1249 **Fr. 258 $2 1899 Star Note Very Good-Fine.** .A duplicate piece, in just slightly lower grade. There is a small paper pull on the reverse. (125-up)

Purchased at the 1984 FUN show.



1250 **Fr. 279 $5 1899 Star Note Fine+.** This series has proved to be much tougher in star notes than one would have expected, even more so in fact than the more highly touted $10.00 Bisons. This example, one of only seven Elliott-Burke examples reported, is a no problems piece which will fit nicely into any set of better stars. (450-up)

Purchased by Tom at a local New Jersey coin show in August of 1974.

1251 **Fr. 281 $5 1899 Star Note Fair.** Rare but impaired. This is only the third Fr. 281 recorded, but there are two significant pieces missing from the body of the note. The 95% remaining is Fine or better. (100-up)

Purchased from The Vault in October of 1988.

Finest of the Three Known

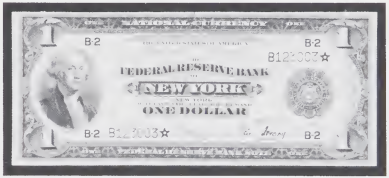
1252 **Fr. 321 $20 1891 Star Note Very Fine.** One of the highlights of the Conklin collection and one of the greatest star notes we've ever had the privilege of offering. Only three 1891 $20.00 star examples are known in all grades combined, with the other two each being very well circulated. This is head and shoulders above that level, and, while one can never predict what will turn up in the future, it is doubtful that a finer specimen of this type will ever be offered. If quality and rarity are any guide, expect to see bidding go well into the range of… (3500-up)

Obtained at the St. Louis Paper Money show in November of 1990 from Ed Kuszmar after much feverish negotiating.

The Only Complete District Set of $1.00 Federal Reserve Bank Note Stars Ever Offered at Public Auction

1253 **Fr. 708 $1 1918 Star Note Good-Very Good.** Well circulated but scarce, with only six pieces, including this example, reported. (100-up)

Purchased from Robert W. Hearn in December of 1975.



1254 **Fr. 712 $1 1918 Star Note About Uncirculated.** A wonderful grade for any Federal Reserve Bank Note star. (300-up)

Acquired from The Vault in March of 1976.

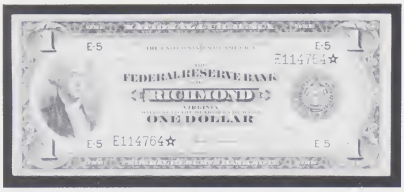
1255 **Fr. 713 $1 1918 Star Note Very Good-Fine.** A duplicate for the district that Tom acquired along the way. (100-up)

1256 **Fr. 715 $1 1918 Star Note Fine-Very Fine.** A very scarce number, with only five pieces reported, including this example. (200-up)

Purchased from The Vault in May of 1982.

1257 **Fr. 720 $1 1918 Star Note Choice Extremely Fine.** This is an exceedingly scarce number with only four pieces reported, including this one, in the Murray census. With the exception of one piece graded as CU, this is the nicest of the group, and it will likely be some time before another Fr. 720 this nice will be offered to the numismatic fraternity. (350-up)

Obtained from Allen Mincho in May of 1984.

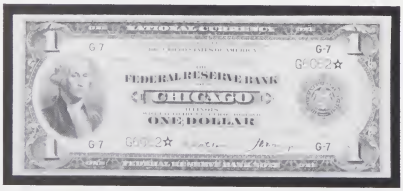


1258 **Fr. 721 $1 1918 Star Note Fine.** A very scarce district for stars in this series. This is a decent circulated example with no problems whatever. (200-up)

Purchased from The Vault in January of 1976.

1259 **Fr. 723 $1 1918 Star Note Very Fine.** Only one Fr. 723 is listed in the Murray reference and it grades Very Good. The Conklin example is two grades higher and was unknown when the Murray listing was compiled. The lower grade Fr. 724 Atlanta star (also one of two known) we had in our 1995 Memphis sale brought $1100.00 on a $750.00 estimate. This will likely do as well or better. (800-up)

Acquired from Allen Mincho in April of 1988.



1260 **Fr. 727 $1 1918 Star Note Crisp Uncirculated.** A small run of these exists in Uncirculated condition, making this the perfect note to buy if you are simply trying to obtain a $1.00 Federal Reserve Bank Note Star in the ultimate condition. (400-up)

Obtained from Dr. Bernard Schaaf at the 1984 Memphis Paper Money show.

1261 **Fr. 730 $1 1918 Star Note Fine.** One of eight notes listed for this number in the Murray reference. (175-up)

From Doug Murray in June of 1983.

1262 **Fr. 736 $1 1918 Star Note Choice Extremely Fine.** It will come as no surprise that the Minneapolis district is the key to completing a set of $1.00 Federal Reserve Bank Note stars. Only seven pieces are listed for all three signature combinations combined, and of those only one might be superior to this in any way. Expect to see some serious bidding to determine who gets to bring this rarity home. (600-up)

Obtained from the June 18, 1983 H.I.M. sale.

1263 **Fr. 737 $1 1918 Star Note Fine.** Only five star Fr. 737 notes are listed in Murray, and this example is the finest of the group. (200-up)

Purchased from Commercial Coin Company in September of 1974.

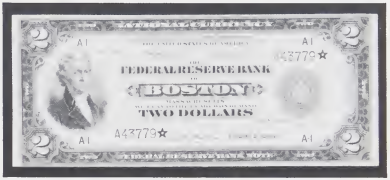
1264 **Fr. 742 $1 1918 Star Note Choice Crisp Uncirculated.** A beautiful example of this rare Dallas star which is fit for the finest of collections. While a couple of other uncirculated examples of this number are listed, we have never seen one near as nice as this for sale. (500-up)

From the Lyn Knight auction of March 1, 1988.

1265 **Fr. 743 $1 1918 Star Note Fine.** Highest serial number reported of the eight examples listed in Murray. (175-up)

Obtained from The Vault in the fall of 1975.

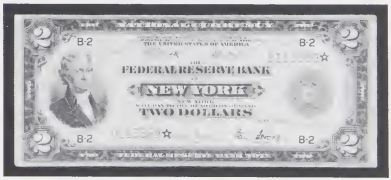
1266 **Fr. 742 $1 1918 Star Note Choice About Uncirculated.** A duplicate which would be a great note in almost any collection. This well centered example is fully new but has a bit too much handling to merit the uncirculated designation. (350-up)



1267 **Excessively Rare Fr. 747 Star**

Fr. 747 $2 1918 Star Note Extremely Fine. This is one of only two reported examples of this prohibitively rare Battleship star. Estimating these notes is difficult, because so few of them are ever available, but a conservative number would be… (850-up)

Ex-Kagin's 1984 Memphis sale, lot 1407.



1268 **Possibly Unique Fr. 752 Star**

Fr. 752 $2 1918 Star Note Very Good. This example is the sole note listed in the Murray compilation of known star notes. If you need a Fr. 752 star to complete your set, this may be your first and last chance to obtain one. (700-up)

Acquired from The Vault in March of 1976.

1269 **One of Two Reported Fr. 756 Stars**

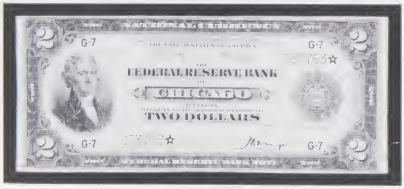
Fr. 756 $2 1918 Star Note Very Good. This is one of only two Fr. 756 stars listed in the Murray reference, and, despite only grading Very Good, it is superior to the other listed example by a full grade. (500-up)

Purchased from Harry Jones in September of 1980.

Unique Atlanta Star Deuce

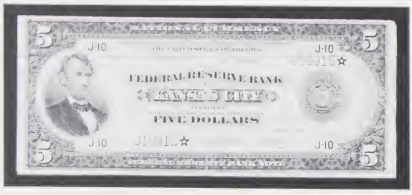
1270 **Fr. 763 $2 1918 Star Note Fine.** One of the undoubted highlights of the Conklin collection and a note worth whatever it takes to bring it home. Estimating the unique is always difficult, but the recent surge of interest in rare stars makes it likely that bidding will end in the range of (1500-up)

Obtained from Allen Mincho in April of 1983. The note was part of a type set of circulated notes in which this was the sole Battleship. It was the only star in the collection and had no doubt been added to fill the Battleship hole, not because it was a star.



1271 **Fr. 767 $2 1918 Star Note Fine.** One of three Fr. 767 stars listed in Murray, with one lower grade and the other with no grade listed. All of these Battleship stars are just plain rare. (450-up)

Obtained from Doug Murray in June of 1983.



1272 **Rare $5.00 Federal Reserve Bank Note Star**

Fr. 803 $5 1918 Star Note Very Good-Fine. One of the very rarest types in large stars to obtain, with only seven examples known from all districts combined. This is the first we have ever had to offer in any of our Currency Auctions of America sales. Again, hard to estimate, but we expect that this will likely reach or exceed… (1500-up)

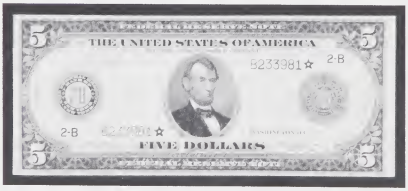
From the collection of Dr. Bernard Schaaf, obtained by Tom in December of 1975.

1273 **Fr. 846 $5 1914 Star Note Fine-Very Fine.** One of six pieces reported to date for this tougher signature combination. (200-up)

Purchased from Robert W. Hearn in February, 1977.

1274 **Fr. 848 $5 1914 Star Note About New.** An extremely rare number, with only three notes reported for this signature combination, all from a consecutive serial number run. (450-up)

Acquired from Doug Murray in June of 1982.



1275 **Fr. 849 $5 1914 Star Note Fine-Very Fine.** The Burke-Glass signature pair has proved to be by far the scarcest of all combinations in the Federal Reserve Note series. In the $5.00 Feds, for example, of the 164 star notes recorded in the Murray reference, a total of only six Burke-Glass specimens have been reported. The example we offer here is the nicer of the two pieces listed from the New York district. (350-up)

Acquired from a fellow collector in 1984.

1276 **Fr. 851a $5 1914 Star Note Choice Extra Fine.** Not a rare note, but very nice grade for a star example. (150-up)

Purchased from The Vault in March of 1976.

1277 **Rare High Grade "Type b"**

Fr. 851b $5 1914 Extremely Fine-About Uncirculated Star Note. Only three Type b examples from the New York district (and only one other from any other district) are listed in the Murray reference. This newly discovered example is easily the second finest known. Expect some stiff competition to see who brings this attractive piece home. (300-600)

1278 **Fr. 851c $5 1914 Star Note Very Good-Fine.** A decent circulated example of the scarcer Type c. The Murray catalogue value of $100 will likely prove very consecutive. (125-up)

Acquired in October, 1976 from Robert W. Hearn.

1279 **Fr. 855a $5 1914 Star Note Very Fine.** An attractive example well within the top half of the condition spectrum of the 12 specimens reported to date. (150-up)

One of the first notes acquired by Tom, who purchased it as the GENA show in September of 1974.

Currency Auctions of America, Inc. is pleased to announce that our next public auctions will take place in Orlando, in January of 1996 and in Chicago, in May of 1996!

1280 **Unique Fr. 855b Star Note**

Fr. 855b $5 1914 Star Note Extremely Fine. No examples of this note were known to Murray prior to the appearance of this example in the Thompson collection, and no others have appeared since. A note such as this is hard to estimate since it is by definition sui generis, but in the current climate with the demand for better stars it is likely to see bidding in the range of… (1000-up)

Ex James W. Thompson Collection, Stack's March, 1991 sale.

1281 **Excessively Rare Fr. 855c**

Fr. 855c $5 1914 Star Note Fine-Very Fine. Another unique note, with no examples whatever of the Fr. 855c being listed in the Murray reference. Again, hard to estimate, but look for bids in excess of… (750-up)

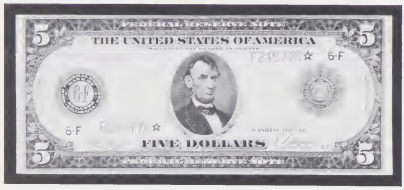
Purchased from Mid-American Currency in November of 1988.

1282 **Fr. 859c $5 1914 Star Note Extremely Fine.** Only three examples of this scarce "c" variety are listed in the Murray reference, with this example by far the finest of the trio. **Extremely Fine**, a bright and lovely example fit for the finest of collections. (300-up)

Acquired from veteran New York City dealer Ted Kemm in February of 1976.

1283 **Fr. 862 $5 1914 Star Note About Fine.** An excessively scarce note which is one of only four star $5.00 examples known from the Richmond district and one of but two reported Fr. 862's. While this example is listed in the Murray reference as "Good-Very Good," the note grades a full Fine but for a few small and non-distracting rust spots visible on the reverse only. As the other known example is in very strong hands and unlikely to be offered any time soon, a liberal bid is suggested to bring this rarity home. (300-up)

Acquired from Doug Murray in November of 1987.



1284 **Fr. 866 $5 1914 Star Note Fine-Very Fine.** This rare Atlanta district example is one of the key pieces to completing a district or signature set of these elusive stars. Only four examples from the Atlanta district are known (two each with the Burke-Houston and White-Mellon signatures), with this note being the finest of the four. For those who seek the finest available, this landmark offering offers one of the few opportunities to find it. We would not be surprised to see bidding end in the range of… (400-up)

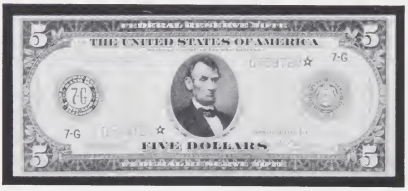
1285 **Fr. 869 $5 1914 Star Note About Fine.** Another extremely rare note, with this Burke-Glass example only the second such item reported to date from the Chicago district. As a group, the Burke-Glass signature combination is the key to any hope of completion of a FRN star set by Friedberg number. (250-up)

Purchased by Tom at the 1985 Memphis Paper Money show from First National Coins of Iowa. The appearance of this note, which surfaced as part of the Fred Clayton estate, caused considerable jockeying within the star note community as to who would wind up with this rarity. Tom wound up the winner by dint of persistence along with the liberal application of cash.



1286 **Fr. 870 $5 1914 Star Note Choice Crisp Uncirculated.** A lovely example which is incredibly high grade for a star note. Only one other Chicago $5.00 star has been reported in this grade, and that example has not surfaced in the past decade. (350-up)

Ex-Tom Knebl, the late and fondly remembered California currency dealer, from a March, 1978 price list.

1287 **Fr. 871a $5 1914 Star Note Very Fine.** A relatively common example which was one of the first notes that Tom acquired for his collection. (75-up)

Purchased in May of 1976 from The Vault.

1288 **Fr. 873 $5 1914 Fine Star Note.** This example is only the second St. Louis district Burke-Glass star to be reported. It has been crumpled and has a few pinholes, but is otherwise exceptionally bright for the grade and worthy of a strong bid. (300-600)

1289 **Fr. 874 $5 1914 Star Note Fine-Very Fine.** A very rare district, with but five examples in the $5.00 denomination listed for all four signature combinations from here. This example is one of the now two known specimens with the Burke-Houston combination, and, like most of the Conklin notes, is the finer of the two examples reported to date. (400-up)

Acquired from Mid-American Currency in December of 1987.

1290 **Fr. 879 $5 1914 Star Note Extremely Fine+.** A lovely example from the excessively scarce Minneapolis district. Graded as Crisp Uncirculated in the Murray reference, this attractive piece is not quite there, but is likely equal to if not better than any of the other four notes listed from this most difficult to obtain district. (400-up)

Acquired privately in November of 1987 at the St. Louis Paper Money show.

1291 **Fr. 882 $5 1914 Star Note Fine-Very Fine.** One of two Fr. 882's listed in the Murray reference. As with so many of the rare Conklin stars, the last appearance of any Fr. 882 for sale occurred when this example appeared on a 1981 fixed price list. There is one tiny split at the center fold, but otherwise this note is closer to Very Fine than Fine. (350-up)

Acquired in January of 1981 from the Vault.

1292 **Fr. 883a $5 1914 Star Note Very Good-Fine.** Only in star notes would an example with five specimens reported be labeled as a relatively common note. Despite its grade, the Conklin specimen is tied for third finest known for this elusive Friedberg number. (150-up)

Purchased in September of 1979 from The Vault.

1293 **Fr. 887a 1914 Star Note Fine.** The Dallas district has turned out to be the key district to completing the $5.00 FRN set. When the Murray reference was completed some ten years ago, only one Dallas $5.00 star of any kind was listed. That piece, grading only Good-Very Good, remained the sole representative from Dallas until this example was acquired by Tom in late 1987. Grading a nice unmolested Fine, this rare note is likely destined for a collection where its rarity will truly be appreciated. (450-up)

Acquired by private treaty at the 1987 St. Louis Paper Money show.

1294 **Possibly Unique Fr. 890 Star**

Fr. 890 $5 1914 Star Note Extremely Fine. The only Fr. 890 star listed in the Murray reference and the only such example we've ever seen or heard of. This was one of Tom's favorite notes, and, considering its wonderful combination of grade and rarity, it's easy to see why. (750-up)

Acquired from a private collector in July of 1979.

1295 **Fr. 891a $5 1914 Star Note Good.** Some stains and pinholes, and a chip or two out of the margins, but basically just well circulated. (50-up)

Acquired in January of 1982 from The Vault.

1296 **Fr. 907a $10 1914 Star Note Fine+.** An attractive evenly circulated example of this tougher Boston star. (150-up)

Ex-Lyn F. Knight June 1982 sale, lot 206.

1297 **Fr. 909 $10 1914 Star Note Extremely Fine.** A very high grade example of the scarce Burke-Glass star signature combination. One of only four such examples reported to date, this note was graded as Extremely Fine+ when it was last publicly offered in 1977. (300-up)

Purchased from Lyn F. Knight in August of 1977.

1298 **Fr. 911a $10 1914 Star Note Very Good-Fine.** An evenly circulated example right in the middle of the grade range of the five such notes listed in the Murray reference. (125-up)

Acquired by Tom at a local coin show in May of 1976.

1299 **Fr. 911b $10 1914 Star Note Very Good.** Lower grade but scarce, with the nicest of the three 911b examples known grading only Fine. (100-up)

Purchased at a one day New York City coin show in September of 1980.

1300 **Fr. 911c $10 1914 Star Note Fine-Very Fine.** The scarcer Type c variety, with this example one of only four listed in the Murray star reference. There is a small and non-distracting bank stamped number on the reverse. (175-up)

Obtained via a trade with a private collector in December of 1982.

Possibly Unique Fr. 913 Star

1301 **Fr. 913 $10 1914 Star Note Very Good.** This note is the sole entry for the Burke-Glass Fr. 913 signature combination listed in the Murray reference. Discovered in Memphis at the 1984 Paper Money show, it remains excessively rare and perhaps irreplaceable. While well circulated, it retains considerable body and is actually quite pleasing in appearance. (600-up)

Purchased from Harry Jones at the 1984 Memphis Paper Money show.

1302 **Fr. 914 $10 1914 Star Note Very Fine.** Five examples are listed in the Murray reference, with this being the second highest grade note in the group. (175-up)

Purchased in March of 1976 from The Vault.

1303 **Fr. 915a $10 1914 Star Note About Fine.** A very collectible example which is one of only four such notes listed in the Murray reference. (200-up)

Acquired from Robert W. Hearn in July of 1983.

1304 **Fr. 919a $10 1914 Star Note Very Good.** One of the more "common" star numbers with all of six pieces reported. (100-up)

Acquired by Tom from a private collector in August of 1984.

Finest Known Fr. 929 Star

1305 **Fr. 929 $10 1914 Star Note Very Fine-Extremely Fine.** Another rare Burke-Glass example, with but four reported in the Murray reference. This is by a wide margin the finest known of this small group, easily outdistancing its nearest competitor by at least a grade and a half. Expect to see some stiff competition to take home this prize. (450-up)

Ex-Dr. Bernard Schaaf collection, obtained by Tom directly from him in August of 1975.

Rare Large Star Error

1306 **Fr. 930 $10 1914 Star Note Error Very Fine.** This is one of only a handful of large star errors known, as there is a small extra tab similar to a butterfly fold at the lower left margin of the note. (400-up)

Ex-Hickman Auctions October 1990 sale, lot 685, where it brought $462.00.

1307 **Fr. 930 $10 1914 Star Note Very Fine.** A most attractive example, with the back skewed so far off center as to almost make this an error note.(150-up)

Purchased from Dallas dealer Mike Follett in May of 1975.

1308 **Fr. 931a $10 1914 Star Note Extremely Fine-About Uncirculated.** A beautiful example with a great pedigree that is very likely the second finest of the 13 pieces listed by Murray. This piece, which looks new at first glance, will enhance even the best of collections. (250-up)

Purchased from the collection of Dr. Bernard Schaaf, one of the pioneer collectors of star notes, in August of 1975.

1309 **Fr. 934 $10 1914 Star Note Very Good (corner off).** This piece offers the perfect caution in using the grades supplied in the Murray reference as gospel, as it is listed there as "Very Good-Fine," which it might be if one does not mention the fact that the entire left bottom corner has been severed from the note. We offer this with no estimate and suggest that it be inspected before the sale, as no returns will be permitted on this lot for any reason.

Purchased at the FUN show in January of 1985.

Lovely Kansas City Star

1310 **Fr. 942 $10 1914 Star Note Choice About Uncirculated.** A beautifully well margined example with the brightness and vivid colors of a new note but just enough faint traces of circulation to compel us to call this Choice About Uncirculated. (350-up)

Acquired from Dean Oakes in July of 1989.

Currency Auctions of America, Inc. is pleased to announce that our next public auctions will take place in Orlando, in January of 1996 and in Chicago, in May of 1996!

1311 **Fr. 944 $10 1914 Star Note Fine.** A rare Dallas star, with this example one of three listed in the Murray reference. (250-up)

Acquired privately by Tom in 1992. This is the only note in the collection purchased that year, and the next to last note Tom was able to find prior to consigning his collection in 1995.

1312 **Fr. 966 $20 1914 Star Note Fine-Very Fine.** This is a rare district for $20.00 stars, with only six pieces listed in the Murray reference for all three signature combinations combined. In addition, all but one of the listed pieces grade Fine or lower, making this example all the more desirable. (250-up)

Ex-Lyn F. Knight sale of July 18, 1986, lot 642.

Possibly Unique Fr. 968 Star

1313 **Fr. 968 $20 1914 Star Note Good-Very Good.** This is the only example of an Fr. 968 star we know of. The Murray reference lists no such pieces in any grade. This example is limp and well circulated, but quite surprisingly for a note in this grade exhibits no problems whatever despite its evident hard use. (250-up)

Found at the Cherry Hill, New Jersey Paper Money show in November of 1985.

1314 **Fr. 970 $20 1914 Star Note Fine.** A handsome problem free example whose purchase dates back to the days when these notes were available on a much more regular basis than today. (150-up)

Obtained from Dean Oakes in September of 1976.

1315 **Fr. 974 $20 1914 Star Note Very Good-Fine.** One of only six Fr. 974's listed by Murray. (125-up)

Purchased from Frank Trask in November of 1980.

1316 **Fr. 979a $20 1914 Star Note Fine.** Only four examples of this number are listed in the Murray reference, including this piece. (200-up)

Obtained from a private collector in April of 1979.

Possibly Unique Fr. 980 Richmond Star

1317 **Fr. 980 $20 1914 Star Note Very Good+.** This note is the only example listed in the Murray reference with the Richmond Burke-McAdoo signature combination, and is one of only two reported $20.00 Richmond stars for all combinations combined. Expect some spirited bidding on this star, which is one of the key pieces to the completion of a district or signature set. (600-up)

Purchased from Dallas dealer John Rowe at the 1987 Memphis Paper Money show.

Newly Discovered Unique Star Example

1318 **Fr. 983 $20 1914 Star Note Fine+.** This newly discovered and likely unique example is listed here with the Conklin collection to preserve the uniformity of this wonderful offering of star notes. The $20.00 Richmond is the key district in this denomination, with only two examples of any kind hitherto recorded. Both, in fact, are lower grade than this example, and neither has been offered to the collecting fraternity in recent years. The note we now offer came to us from the estate of a Pennsylvania collector who knew what he had but never had the opportunity to report his discovery. Hard to estimate, but as the only extant Fr. 983 star, and from a rare district as well, likely to see bidding in the range of… (700-up)

1319 **Fr. 984 $20 1914 Star Note Fine-Very Fine.** The Murray reference lists four Fr. 984 star examples, not including this piece. The Conklin note, which surfaced in 1990, is not only the lowest known Atlanta number but is the lowest serial number reported for any $20.00 Federal Reserve star note. (300-up)

Obtained from The Vault in April of 1990.

1320 **Fr. 989 $20 1914 Star Note Very Good.** A very scarce number, with only three such examples, including this piece, listed in the Murray compilation. All of the reported notes are within a half a grade of each other. (200-up)

Purchased from Jules J. Karp in March of 1984.

1321 **Fr. 990 $20 1914 Star Note Very Fine-Extremely Fine.** Highest grade of the seven Fr. 990 stars listed by Murray. (250-up)

Sold to Tom by the late Robert Condo in February of 1976.

1322 **Fr. 992 $20 1914 Star Note Very Good.** A very scarce note, with only three examples for this Friedberg number listed in the Murray reference. Although only Very Good, this note is at least equal to the best known, if it is not indeed the finest itself. (250-up)

Purchased from Kevin Foley in 1983.

1323 **Fr. 994 $20 1914 Star Note Fine.** A tougher star with six examples reported to date. This piece has the highest serial number of any known. (175-up)

Pedigree uncertain for this piece.

Excessively Rare Minneapolis $20.00 Star

1324 **Fr. 998 $20 1914 Star Note Very Fine.** This is possibly unique for this Friedberg number and is one of only two $20.00 star examples of any kind reported for the Minneapolis district. The other known example, a Fr. 996, is distinctly inferior to the Conklin specimen as well. This was one of Tom's favorite notes to display and it is certain to delight its new owner as well. (700-up)

Purchased from the collection of a Minnesota collector when he broke up his Minneapolis district set of Federal Reserve Notes in June of 1983.

1325 **Fr. 1002 $20 1914 Star Note About Fine.** The nicest of the three reported Kansas City $20.00 Feds. This example would actually grade a full Fine but for a slight amount of soiling on the reverse. (300-up)

Obtained from Frank Trask in November of 1980.

1326 **Fr. 1004 $20 1914 Star Note Fine-Very Fine.** A very tough district for star notes, and this is a nice one. (350-up)

From the collection of Dr. Bernard Schaaf, then to John Rowe, Harry Forman, and Kevin Foley before it was obtained by Tom in August of 1979.

1327 **Fr. 1011a $20 1914 Star Note Very Fine.** A very pleasing San Francisco district star. (200-up)

Purchased at the Boston ANA in August of 1982.

1328 **Fr. 1030 $50 1914 Star Note Very Good+.** The high denomination Federal Reserve Notes have proven to be among the most difficult to obtain large stars. The five pieces we are offering here in the Conklin collection represent over 20% of the reported 23 piece total for the $50.00 and $100.00 denominations combined in the Murray listing. This evenly circulated New York district $50.00 is one of only two reported for the district (although a third piece is known) and is virtually as nice as the example we sold in our Orlando sale which realized $1182.50. (800-up)

Purchased from Mid-American Currency in March of 1982.

1329 **Fr. 1039a $50 1914 Star Note Very Good-Fine.** Four fifties are reported from the Cleveland district, although it has been some time since any of them have been offered at public sale. This example will fit nicely into virtually any collection. (600-up)

Purchased in December of 1982 from a local New Jersey dealer.

One of Two Known Richmond $50.00 Stars

1330 **Fr. 1042 $50 1914 Star Note Fine.** This is one of the true wonder notes in this outstanding collection. Only one other Richmond $50.00 star is known, and that example is ensconced in a major holding and is not likely to be available any time in the foreseeable future. A liberal bid is suggested to bring this rarity home. (1000-up)

Purchased at the 1983 FUN show in Orlando, Florida.

1331 **Fr. 1120 $100 1914 Star Note Fine.** One of three Kansas City $100.00 stars extant, and the first to be offered publicly since this example surfaced in 1985. (600-up)

Acquired from Massachusetts dealer Roland Hill in March of 1985.

1332 **Fr. 1124 $100 1914 Star Note Very Fine-Extremely Fine.** One of the crown jewels of the Conklin collection, and a note truly worth whatever it takes to bring it home. This piece is hard to estimate, but considering its combination of rarity, condition, and pedigree, we expect the hammer to fall when bids reach or exceed… (1500-up)

Ex-Amon Carter collection, then offered as lot 684 of the June 25, 1988 Hickman-Oakes auction.

A Rare Pair of 1907 $10.00 Gold Stars

1333 **Fr. 1169 $10 1907 Star Note Extremely Fine.** Two examples of this rare star number are listed in the Murray reference, with this example the third reported. Murray lists only 12 1907 $10.00 Gold stars spread over the five possible signature combinations, making this one of the more elusive star types as well. (700-up)

Obtained from Allen Mincho in September of 1986.

1334 **Fr. 1171 $10 1907 Star Note Very Fine.** This note is the higher grade of the two listed in the Murray compilation. With the popularity of both star notes and gold certificates, it would not surprise us to see the hammer drop at around… (600-up)

Purchased from Allen Mincho in February of 1976.

1335 **Fr. 1173 $10 1922 Star Note Very Fine-Extremely Fine.** A nice high end example with bright colors and excellent margins. (200-up)

Obtained from Robert W. Hearn in March of 1977.

1336 **Fr. 1183 $20 1906 Star Note Fine.** The Series 1906 $20.00 Gold Certificate has proved to be one of the scarcer types for star notes. Only eight pieces are listed in Murray, although that number has grown somewhat in recent years. This is a nice circulated example with good color and body for the grade. (350-up)

Purchased from a Pennsylvania dealer in November of 1985.

Unique Gold Certificate Star Invert

1337 **Fr. 1185 $20 1906 Star Note Inverted Reverse Fine.** An incredible rarity which is the only Gold Certificate star invert known to exist. This would be the pinnacle of any collection of either stars or inverts and represents an opportunity which may never again reoccur. If rarity is any guide. expect to see a winning bid of over… (3500-up)

Purchased at the 1982 ANA convention from Lyn Knight.

1338 **Fr. 1187 $20 1922 Star Note Very Fine.** An attractive copy of this star note. (250-up)

Obtained from Dean Oakes in May of 1981.

1339 **Fr. 1187 $20 1922 Star Note Very Good.** The mule variety with the so called Type A reverse. (100-up)

Purchased locally by Tom in 1975.

1340 **Fr. 1200 $50 1922 Star Note Very Good.** A tougher star type which is seldom offered. There is one small erasure on the face. (250-up)

Purchased from Allen Mincho in January of 1985.

1341 **Fr. 1215 $100 1922 Star Note Fine, corner off.** Another scarce star type, this unfortunately with a small piece gone from the upper left corner. (250-up)

From the collection of Dr. Bernard Schaaf, purchased by Tom in June of 1984.

1342 **Fr. 851c $5 1914 Star Note Fair.**

Fr. 2000-J★ $10.00 1928 Federal Reserve Note. Fine-Very Fine.

Two pieces, the first with a large rust hole. (50-90)

FEDERAL PROOFS

1343 **$100 Three Year Six Percent Treasury Note.** This specimen, which is unlisted in the Hessler reference, is the type of Fr. 193, but is printed from the unfinished plate. All three vignettes and the central portions of the text have been completed, but the signatures and peripheral text are yet to be added. The condition is superb but for a minor pinch fold requiring the technical grade of **About New**. No issued notes of this series exist in high grade, and Gengerke lists only seven pieces in private hands for Fr. 193, 193a and 193b combined, none of which have sold in the last 15 years. We would not be surprised to see this great currency item realize… (5000-up)

1344 **$50 National Customs Note Specimen.** According to Gene Hessler in his 1979 "U.S. Essay, Proof and Specimen Notes," "National customs notes were never issued, although they would have filled an obvious gap in the national currency system since neither legal tender nor interest bearing treasury notes could be accepted as payment toward duties. The same design for the one year interest bearing treasury notes with an overprint was considered for this design." Hessler was aware of two pieces, one from plate "A" with six cancellation holes and a blue specimen stamp and a second piece, from plate "B" which he illustrates on page 91, having four oblong cancellation holes. The currently offered note, also from plate "B," also exhibits four cancellation holes, but their placement is different from the Hessler illustration. This piece, one of only three in existence to our best knowledge, is in **Superb Gem New** condition. It is printed on pure white paper which shows a heavy embossing effect through to the blank back. The gold overprint is fully bright and flawless. Specimen notes seldom reach the market, and this particular piece is far more desirable than most as this note is obtainable only as a specimen. (5000-up)

LARGE SIZE TYPE NOTES

We are pleased to offer part of what we believe to be among the largest individual holdings of Gem type notes extant. The vast majority of these pieces were obtained in the 1940's & 1950's with several having pedigrees reaching back to the days of the Limpert catalog. Part II of this important grouping will be offered in our January, 1996 Orlando sale.

DEMAND NOTES

1345 **Fr. 2 $5 1861 Fine.** Another new number to the census. This note from series 13 has the "for the" printed in much smaller type. Free of restorations, the note is flawless for the grade save for a few minor, inconsequential edge splits. (1000-up)

1346 **Fr. 2 $5 1861 Fine.** This new number to the census is the variety with no series number and the "for the" printed on the note in large type. Solid for the grade and totally defect free other than a small stamp hinge repair at the top center. A respectable example of this historic Greenback. (1000-up)

LEGAL TENDER NOTES

1347 **Fr. 16 $1 1862 New.** Beautifully bright with great colors, although with a bit of light handling and a natural preprint wrinkle. (450-up)

Please check your bid sheet carefully to ensure against errors. We can not be responsible for your errors in bidding.

1348 **Fr. 16 $1 1862 Choice About New.** Bright and well margined, a pleasing note with the added bonus of a small gutter fold, making this a minor error note. (400-up)

1349 **Fr. 16 $1 1862 About New.** Strictly original and beautifully centered, this pretty note is worth more than most technically New examples. 100% fresh and original. (400-up)

1350 **Fr. 16 $1 1862 Choice Extra Fine.** There are a few, extremely hard to locate vertical folds on this clean and beautifully bright note that appears Choice New at a glance. (350-up)

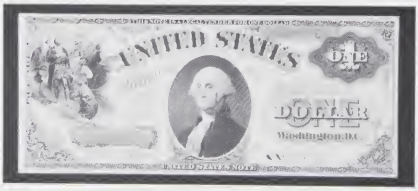
1351 **Fr. 18 $1 1869 Gem New.** Broadly margined and with striking colors. This is a great example of the Rainbow one. (1300-up)

1352 **Fr. 18 $1 1869 Gem New.** Well margined, bright and beautiful, this Rainbow ace has the fresh colors of a note that was printed yesterday. In the photo, it may appear as though the upper right margin is tight. In reality, the margin is quite generous; the green security print runs at a slight angle and occupies much of the margin area at the right. A premium note. (1200-up)

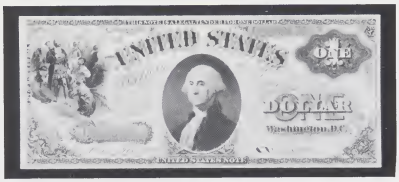
1353 **Fr. 18 $1 1869 Extra Fine.** Well centered and with great color. (400-up)

1354 **Fr. 20 $1 1875 Choice New.** Well printed and with vibrant colors, this Fr. 20 exhibits a prominent, major doubling of "of 1875" in "Series of 1875" at the upper left of the face. Clearly an engraving anomaly rather than a printing error, this is the boldest re-engraving we have ever seen on a piece of U.S. currency. It appears as though an error in alignment had occurred and then the letters were redone without removal of the undertype. This is the first example of this error which we have encountered. After discovering it, we carefully re-examined all the notes of this type which are available to us and located a second example, the Series E Fr. 25 which appears below as Lot 1357. That note was printed from the same face plate and position letter: plate 35, position B. Future research, which we are sure these two notes will provoke, will show whether or not this anomaly exists on this plate only, or perhaps on this plate in position B only. (500-up)

Extraordinary Series C Pair



1355 **Fr. 23 $1 1875 Series C Gem New.** A spectacular Series "C" note. The finest Fr. 23 we have had the pleasure of handling, and likely one of the finest, if not the finest, to exist. Strictly original paper surfaces and vivid bright inking including the important and often weak red overprint. This note belongs in the very finest of sets. (2500-up)



1356 **Fr. 23 $1 1875 Series C Gem New.** An extraordinary grade for this rare "Series C" note. Fresh and strictly original with crinkly surfaces and deep embossing, this is as fine an example as we can recall seeing for any of the rare "Series" notes Fr. 21 through 25. The red color of the seal and flourishes is as bright as will ever be encountered. This is a very special note. (2500-up)

1357 **Fr. 25 $1 1875 Series E About New.** This rare note is unlisted individually in the Gengerke reference, but is assigned a rarity rating of 5 by the author. This group of five notes (Fr. 21-25) distinguished Series A, B, C, D and E, are all, in our opinion, extremely underrated. This particular piece is the plate note from the Donlon catalog. It is very well margined and quite attractive, its only flaw being a foreign substance (cream-colored White Out?) having been applied to the right margin, apparently to conceal a defect. This particular Fr. 25 shows a marked doubling of the "of 1875" in "Series of 1875." Clearly not a printing error, but rather this is due to the re-engraving of the plate (see Lot # 1354 above.) The Fine example which sold as Lot 193 of our June 17, 1995 sale brought $660.00. This lovely note, being one of the finest known of this number, should easily bring… (1750-up)

1358 **Fr. 26 $1 1875 Gem New.** Broad even margins and terrific color. (450-up)

1359 **Fr. 26 $ 1875 Very Choice New.** A near Gem example of this pretty type. The red colors are particularly bold. (350-up)

1360 **Fr. 27 $1 1878 Superb Gem New.** This is the variety printed on the blue end paper with the interlinked repetitive "USUS" watermark. Much scarcer than the plain paper variety, this particular example is as exquisite appearing as currency gets. The contrast between the blue end paper, which in this case runs along the bottom of the note, and the elaborate red floral design which overlaps it lends an eye appeal that cannot be equalled. From the standpoint of condition and beauty, this is one of the finest notes in the sale. (750-up)

1361 **Fr. 27 $ 1878 Gem New.** Broad margins and exquisite sharp printing. The Washington portrait is extraordinarily lifelike and the red colors, often weak, are bold and sharp. (550-up)

1362 **No Lot**

1363 **Fr. 27 $1 1878 Choice New.** Gem in all respects but for the colors, which are a bit muted. (300-up)

1364 **Fr. 29 $1 1880 Gem New.** A truly lovely example virtually without flaws. (450-up)

1365 **Fr. 29 $1 1880 Choice New.** Fresh and original with good embossing. (275-up)

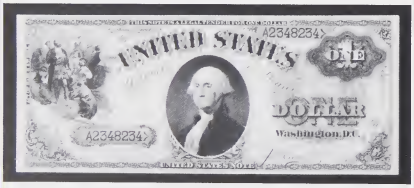
1366 **Fr. 29 $1 1880 Choice New.** Strictly original and a Gem but for a lightly stained counting crease that could easily be overlooked without close inspection. (250-up)

1367 **Fr. 30 $1 1880 Gem New.** Fresh, original, and as nice an example of this number as you are ever likely to encounter. (450-up)

1368 **No Lot**

1369 **Fr. 31 $1 1880 Very Fine.** Quite a scarce note and a very attractive example, particularly so from the face. Original and unmolested. (450-up)

Brown Seal Blue Number Pair



1370 **Fr. 32 $1 1880 Gem New.** A fresh and attractive example of this rare Friedberg number. Beautifully well margined and extremely bright, this variety with the large brown seal and blue serial numbers has always been one of our favorites. (2000-up)

1371 **Fr. 33 $1 1880 Gem New.** Much the scarcer of the two notes of this variety (Fr. 32 and 33), this lovely, strictly original note is from the short run of uncirculated pieces appearing in the Gengerke listings. Well centered and with super original embossing, these Fr. 33s are seldom encountered in any grade. A search for one this nice may take a very long time… (2250-up)

1372 **Fr. 34 $1 1880 Gem New.** A lovely example with super sharp printing, exceptional margins and perfect original colors. (400-up)

1373 **Fr. 35 $1 1880 Gem New.** Identical in quality and appearance to the lovely Fr. 34 in the previous lot. Margins, colors and printing quality are right up there with the very best. (400-up)

1374 **Fr. 35 $1 1880 Choice About New.** The lightest of center bends and a very minor stain on the back are all that separate this fully original note from the Gem category. (150-up)

1375 **Fr. 36 $1 1917 Gem New.** A really common note, but this is as nice an example as you are ever likely to encounter. (200-up)

1376 **Fr. 37 $1 1917 Cut Sheet of Four Superb Gem New.** An incredible cut sheet with dead perfect centering on all four notes. Each exhibits 100% of its original color, freshness and embossing. As fine a cut sheet as could exist, and an excellent opportunity to acquire four perfectly margined pieces from this notoriously poorly margined issue. (4 pieces) (900-up)

1377 **Fr. 37 $1 1917 Superb Gem New.** Outstanding even for this common type. As many of these as we see, they always seem to have something wrong with them — not so this exceptional piece. (225-up)

1378 **Fr. 37 $1 1917 Gem New.** Original and untouched with exceptional margins for this issue. (200-up)

1379 **Fr. 37 $1 1917 Gem New.** Another extremely well margined original note from an issue that is seldom seen this nice. (200-up)

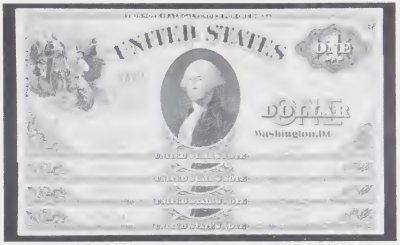
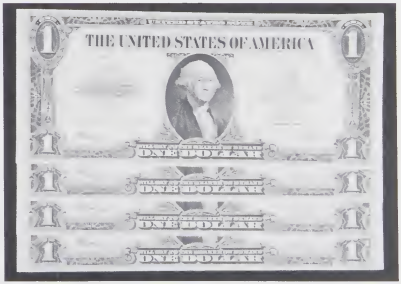
1380 **Fr. 37a $1 1917 Superb Gem New.** An incredible example of the rare Reversed Signature variety, with the Burke signature on the left and the Elliott signature on the right. It is by far the finest example of this rare note that we have had the pleasure of handling. We would not be surprised to see this rare note in this pristine, well embossed, original condition realize… (1000-up)



1381 **Fr. 38 $1 1917 Cut Sheet of Four Gem New.** Lovely and strictly original. All four notes have margins considerably more generous than typical for this issue. A premium cut sheet. (750-up)

1382 **Fr. 38 $1 1917 Superb Gem New.** Incredible centering and strict originality. This note bears the neat serial number M45555555A. (400-up)

1383 **Fr. 39 $1 1917 Choice New.** (125-up)



1384 **Fr. 40 $1 1923 Cut Sheet of Four Superb Gem New.** An incredible sheet of these pretty notes, each fully original, heavily embossed and perfectly centered. As nice as these can get. (4 pieces) (1250-up)

1385 **Fr. 40 $1 1923 Gem New.** Low serial number A402B. (350-up)

1385A **Fr. 40 $1 1923 Gem New.** Consecutive to the last lot and every bit as nice. (350-up)

1386 **Fr. 40 $1 1923 Gem New.** Jumbo margins, bright, original, and with the four digit radar serial number A4334B. (300-up)

1387 **Fr. 40 $1 1923 Choice New.** Low serial number A447B. (250-up)

1388 **Fr. 40 $1 1923 Choice About New.** Well centered and fully original with just a few minor corner folds. (125-up)

1389 **Fr. 41 $2 1862 Very Choice New.** Original and superb in every respect but for the margins, which although more than adequate for the issue, are not quite large enough for Gem. (1750-up)

1390 **Fr. 41 $2 1862 Extra Fine.** Save for some insignificant repaired edge splits, this is one of the nicer Extra Fines that we have seen on this issue. The colors and centering are exceptional. (650-up)

1391 **Fr. 41a $2 1862 Very Good-Fine.** Totally flawless for the grade, this defect-free early deuce is ideal for the budget minded collector. (200-up)

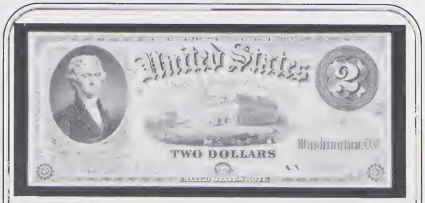
1392 **Fr. 42 $2 1869 Very Choice New.** A near Gem example of this extremely popular Rainbow Two. The colors are superb and the centering is far above average. This clearly ranks in the top half-dozen or so that we have seen. (2000-up)

1393 **Fr. 42 $2 1869 Choice About New.** Beautiful colors and large face margins lend an exceptional appearance to this Rainbow Deuce. Only very close inspection reveals a hint of the fold that prevents the Gem grade. This is the perfect note to exhibit for Gem appearance at about a third of the $3500 this note would cost minus its nearly invisible fold. (1100-up)

1394 **Fr. 42 $2 1869 Choice Extra Fine.** Great color, good margins and total originality of the surfaces make this Rainbow Deuce a very desirable acquisition. (800-up)

1395 **Fr. 42 $2 1869 Extra Fine.** Original, unmolested and with superb colors. The margins are excellent everywhere but for the bottom right where it comes a bit close. This is a terrific looking example of the Rainbow Two. (750-up)

1396 **Fr. 42 $2 1869 Extra Fine.** Well centered and with good colors but the surfaces are a bit soft. (700-up)



1397 **Fr. 46 $2 1875 Series B Gem New.** A great example of this seldom seen note, one of the hardest numbers to find of the $2 Legal Tenders, particularly so in this top grade. Well centered and vibrant, the red color and both of the "Series B 1875" overprints are bright and sharp. The only other Friedberg 46 that we have ever had the opportunity to offer was a Fine sold as Lot 1406 of our November 1992 University of Missouri sale. We would expect this strictly original beauty to realize… (2000-up)

1398 **Fr. 48 $2 1878 Gem New.** This difficult Friedberg number has three expansive margins with the bottom margin smaller but well more than adequate for the Gem grade. Printed with photographic sharpness, this stunning piece of currency will satisfy the most discriminating of tastes. (1000-up)

1399 **Fr. 48 $2 1878 Extra Fine.** Fresh, bright and strictly original. This lovely Deuce exhibits the strong red color that makes this type so attractive. (375-up)

1400 **Fr. 51 $2 1880 Very Choice New.** A near Gem example of this popular brown seal type. (425-up)

1401 **Fr. 52 $2 1880 Gem New.** Fresh, original and very well centered. (550-up)

1402 **Fr. 52 $2 1880 Extra Fine.** Clean and totally original, perfect for the grade. (150-up)

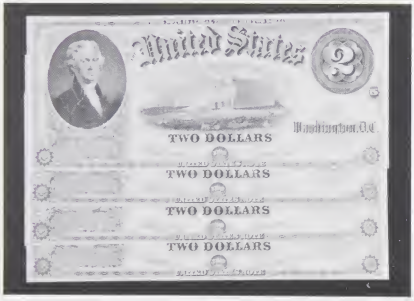
1403 **Fr. 54 $2 1880 Fine.** Solid and defect free, this unmolested rarity has some clear claims to the grade of Very Fine. A new note to the census, this clean, well margined Deuce brings the number known up to eleven. The last two pieces on the auction market were a Fine sold by Bowers in 1990 for $1100 and the Very Good which we sold in June of 1994 at $957. (1000-up)

1404 **Fr. 56 $2 1880 Gem New.** Excellent margins and snappy original paper quality. (350-up)

1405 **Fr. 57 $2 1917 Gem New.** A gorgeous example of the type. (250-up)

1406 **Fr. 58 $2 1917 Very Choice New.** Nearly a Gem. (175-up)

1407 **Fr. 59 $2 1917 Very Choice New.** Another near Gem example of this popular type. (175-up)



1408 **Fr. 60 $2 1917 Cut Sheet of Four Gem New.** Four lovely notes, each fresh, original and well margined. Close examination of this cut sheet will show you why Fr. 60s are never found with large top and bottom margins. The spaces between the notes were practically non-existent on the original sheet, so that even perfect cutting would leave a very small margin. The only larger margins ever seen are the top margin on the "A" position note and the bottom margin on the "D" position note. This gorgeous cut sheet shows exactly these features. (1000-up)

1409 **Fr. 60 $1 1917 Gem New.** Bright and very well centered. (225-up)

1410 **Fr. 60 $2 1917 Very Choice New.** Nearly a Gem. (200-up)

1411 **Fr. 60 $2 1917 Choice New.** (175-up)

1412 **Fr. 60 $2 1917 Choice New.** Tight at the top. (150-up)

1413 **Fr. 60 $2 1917 Choice New.** (150-up)

1414 **Fr. 61a $5 1862 Gem New.** Fresh and strictly original, this early Five is 100% defect free. Margins are unusually generous for this typically poorly margined issue and exhibit not a hint of a split, the defect that always plagues these notes. (850-up)

1415 **Fr. 61a $5 1862 Very Choice New.** Beautiful bright colors and far better than average margins highlight this sharply printed early five. (750-up)

1416 **Fr. 61a $5 1862 Very Choice New.** Broadly margined, crackling fresh and fully original. (750-up)

1417 **Fr. 61a $5 1862 Choice New.** Bright and Gem quality but for the closeness of the top margin. The low serial number 41 enhances the appearance and value of this strictly original piece. (750-up)

1418 **Fr. 61a $5 1862 Fine.** Evenly circulated and problem free save for some edge roughness and a few small splits. Apparently an **error note** as there is no trace whatever of the red Treasury seal and no indication whatsoever of its fraudulent removal, as most errors of this variety are relatively modern creations where the seal has been encouraged to vanish. We have been over this one with consummate care and are 99% plus convinced of its originality. (300-up)

1419 **Fr. 63 $5 1863 Gem New.** Outstanding colors and margins, a very lovely example of this early five. (1000-up)

1420 **Fr. 63a $5 1863 Gem New.** Another brightly colored early five from this beautiful run. Just a tiny bit too close at the lower left, otherwise superb in ever respect. (1000-up)

1421 **Fr. 63a $5 1863 About New.** Well margined and bright with no signs of circulation, but the upper right corner has been torn and rather poorly restored. Likely worth the value of a Very Fine. (300-up)

1423 **Fr. 64 $5 1869 Gem New.** Identical in quality and color to the previous lot and only about 200 numbers removed from it. Another real beauty. (900-up)

1424 **Fr. 64 $5 1869 Extra Fine.** The color of the paper is a bit toned down, but this Rainbow five is strictly original. (350-up)

1425 **Fr. 65 $5 1875 Very Choice New.** Great original embossing and bright, fresh color. This note is very near the elusive Gem classification. (500-up)

1426 **Fr. 67 $5 1875 Series B Very Choice New.** A scarce note not often seen in top grade. This one is strictly original and with better-than-average margins. (500-up)

1427 **Fr. 69 $5 1878 Choice New.** A great looking, purely original example. But for the closeness of the top margin at the left, this note grades Gem. (500-up)

1428 **Fr. 71 $5 1880 Choice New.** Great original punch through, better centering than normally seen and 100% original colors. (475-up)

1429 **Fr. 72 $5 1880 Gem New.** As fresh as the moment it left the press, with cavernous original embossing and perfect centering of both sides. A premium example. (700-up)

1430 **Fr. 73 $5 1880 Gem New.** Super untouched quality. The large red plain seal and the deep blue serial numbers contrast beautifully with the pure white paper and jet black, razor sharp face printing. Again with superb original embossing and near perfect centering on both sides. (1000-up)

1431 **Fr. 73 $5 1880 Choice New.** Fresh, original and Gem in every respect but for the bottom margin, which is close. The serial number ends with four fives. (700-up)

1432 **Fr. 74 $5 1880 Superb Gem New.** Outstandingly large, even margins and a super note in all respects, bright, gorgeous, perfectly centered on both sides with deep, original embossing. This number, with its large red seal and blue serial numbers, is truly scarce in high grade. (1250-up)

1433 **Fr. 79 $5 1880 Superb Gem New.** This note is as nice as we can imagine any in existence to be. Wonder margins all around, perfect centering on both sides, deeply embossed and fully bright. (450-up)

1434 **Fr. 80 $5 1880 Choice New.** Fresh and original, Gem in all respects but the bottom margin which is a bit close. (275-up)

1435 **Fr. 81 $5 1880 Superb Gem New.** Impeccable quality with all the attributes required for this difficult to obtain grade. (450-up)

1436 **Fr. 81 $5 1880 Superb Gem New.** Not a rare note, but in truly spectacular grade, with broad even margins, perfect color, and exceptional original embossing. (450-up)

1437 **Fr. 85 $5 1907 Superb Gem New.** Simply perfection. As nice as these can get and a tougher number as well. (350-up)

1438 **Fr. 85 $5 1907 Choice About New.** (100-up)

1439 **Fr. 86 $5 1907 Very Fine.** The rare Napier-Thompson signature combination, seldom seen in any grade. This attractive note should bring… (250-up)

1440 **Fr. 90 $5 1907 About New.** (100-up)

1441 **Fr. 91 $5 1907 About New.** (100-up)

1442 **Fr. 92 $5 1907 Superb Gem New.** The nicest example we have ever seen of this deceptively scarce note. In our experience, less than one in one hundred Gem 1907 fives is a Friedberg 92. We expect this lovely note will realize… (400-up)

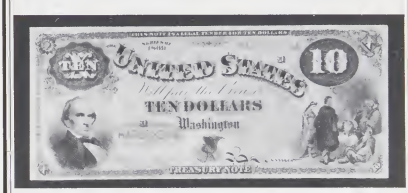
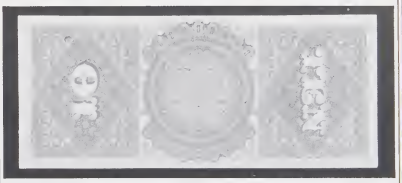
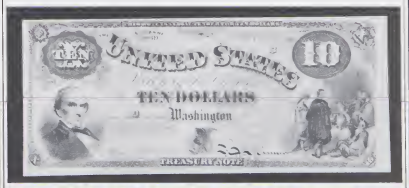
Three Exceptional 1869 Rainbow Tens





1443 **Fr. 96 $10 1869 Superb Gem New.** An absolutely glorious example of this extremely popular note which bears the explosion of color that earns this series the nickname "Rainbow." The surfaces are original, the margins are huge and the centering is absolutely perfect on both sides. We are truly impressed by the quality of this lovely note. (3000-up)

1444 **Fr. 96 $10 1869 Choice New.** Superb in every other way but the top margin is a bit tight, particularly at the left. (1750-up)



1445 **Fr. 96 $10 1869 Choice New.** But for the top margin being tight at the upper left, this Rainbow Ten is truly a Gem. All the other margins are large, the back centering is ideal, the colors vibrant and the printing quality excellent. (1700-up)

1446 **Fr. 103 $10 1880 Choice New.** A much scarcer type, bright, fresh and original in every respect. A Gem if the centering were a bit better. (800-up)

1447 **Fr. 106 $10 1880 Gem New.** Beautifully centered and with incredible deep original embossing, this note is absolutely as fresh and clean as the instant it left the press over a century ago. As the A note from the top of the sheet, this immaculate beauty bears an overly large top margin. This is a simply superb piece of currency. (1500-up)

1448 **Fr. 106 $10 1880 Choice New.** One of the scarcer Jackass numbers which bears the large orange seal and blue serial numbers. (900-up)

1449 **Fr. 107 $10 1880 Very Fine.** Scarce and attractive. (400-up)

1450 **Fr. 108 $10 1880 Gem New.** A gorgeous crackling-fresh original note with cavernous embossing and flashy colors. Fr. 108 is the only collectible number of this ten dollar brown seal blue serial number type, the only other note of this design being Fr. 109 of which only two pieces are known. As the bottom note from its sheet, this flashy piece has an extra wide bottom margin. (1250-up)

1451 **Fr. 110 $10 1880 Superb Gem New.** Excellent margins and colors along with super original paper surfaces and deep embossing make this Jackass Ten one of the nicest small seal blue number notes we've seen in quite some time. When a nice one is encountered, it is invariably the Tillman-Morgan signature combination, Fr. 111. This Rosecrans-Nebeker Fr. 110 is easily ten times scarcer in this grade. (1500-up)

1452 **Fr. 110 $10 1880 Gem New.** Spanking fresh and original, this beautiful Jackass Ten would grade Superb with just a hair more top margin. (900-up)

1453 **Fr. 115 $10 1901 Very Good.** Heavily circulated, but faultless for the grade, a very decent inexpensive Bison. (175-up)

1454 **Fr. 117 $10 1901 Very Fine.** Unmolested, strictly original and perfect for the grade. Fr. 117 is one of the scarcer Bison numbers. (400-up)

1455 **Fr. 120 $10 1901 Choice About New.** This well margined and very pretty Bison is likely to sell for… (800-up)

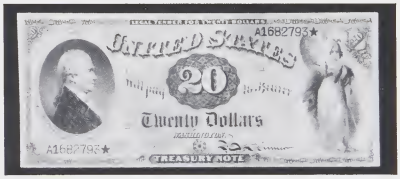
1456 **Fr. 122 $10 1901 Choice Extra Fine.** A bright and flashy looking Bison with perfect paper originality and a few very light folds. The ideal Extra Fine - a perfect collector's note. (650-up)

1457 **Fr. 122 $10 1901 Very Good/Fine.** This Bison grades fully Fine but for a bit of roughness at the center of the top margin. There is a blue colored pencil number on the face. (175-up)

1458 **Fr. 123 $10 1923 Superb Gem New.** To the best of our recollection, this is the most broadly margined Fr. 123 we have seen. Most of the uncirculated pieces come from the run that comprises the final hundred notes printed, and although many of them are nice, they seem to lack the vibrancy of this note, which is not part of any of the runs noted by Gengerke. If a finer Fr. 123 exists, we have yet to see it. (3500-up)

1459 **Fr. 126a $20 1863 Very Good.** A much scarcer note, with Gengerke listing only 15 pieces for both Fr. 126 and 126a combined. There are no recent enough auction records to get an accurate fix on the value, but we expect this nice circulated note to bring about… (600-up)

1460 **Fr. 126b $20 1863 Very Choice New.** Beautifully bright and with exceptional colors, this early Twenty is the plate note from the Limpert catalogue. Totally flawless, which is remarkable for this weak paper issue, the note would be a Superb Gem with a bit more left and top margin. As it is, it unquestionably ranks among the finest known of this type. (3500-up)



1461 **Fr. 127 $20 1869 Gem New.** One of the very nicest examples of this Rainbow Twenty that we have ever seen, with brilliant colors, exceptional margins and centering and strict originality of the paper surfaces. This example from the "A" position on the plate has an unusually large top margin which serves to highlight the appearance of the note even further. While far from a rare note in terms of the number known, most of the high grade examples are "almost" notes: an apology for some flaw or other must be included in their description. Happily, this note is free of any defects whatever. (5500-up)

1462 **Fr. 128 $20 1875 Gem New.** Fresh and original, this lovely note has a strong red overprint which brings up all the detail in both of the Roman numeral twenties that grace the face. Of the 45 pieces in the Gengerke population census only a handful are graded New, and it is unlikely that any of those are nicer than this lovely piece. (3500-up)

A Pair of Gorgeous Fr. 129s

1463 **Fr. 129 $20 1878 Gem New.** A wonderfully bright note with large, well-balanced, even margins on both sides. The red overprint is particularly vivid, offering an unusually sharp look at the cherubs who reside in the Roman numeral twenties on the face of the note. The Hamilton portrait, which is often rather muddy appearing on this series, is lifelike in its sharpness. All in all, this is a very handsome piece of currency. (3000-up)

1464 **Fr. 129 $10 1878 Very Choice New.** Equal in every way to the previous lot but for the centering which is slightly skewed, the margins ranging from extra large to slightly small although never touching the design. This beauty, which is from the same pack as the previous piece (separated by only 48 numbers), very nearly qualifies as a full Gem. (2500-up)

1465 **Fr. 136 $20 1880 Gem New.** An incredibly beautiful note that is truly without flaw. Superb originality of the paper and 100% brilliance of the inks highlight this magnificent piece of paper, which was the plate note for the Limpert catalogue. This type, with its large orange seal and blue serial numbers, has always been extremely popular with collectors and we expect this gorgeous Twenty to be the object of serious bidding competition. (2500-up)

1466 **Fr. 136 $20 1880 Fine.** New to the census for this scarce variety of the large orange spiked seal. (350-up)

1467 **Fr. 136 $20 1880 Very Good.** A number of pinholes and a little roughness at the top edge, otherwise, a nice example of this scarce note. (150-up)

1468 **Fr. 137 $20 1880 Gem New.** The perfect mate to the Gem Fr. 136 above, identical in every respect but for the signature combination. Large seal 1880 Twenties have always been among this cataloger's favorite notes. It takes no more than a glance at this one to see why. They are classic items in every sense of the phrase. (2500-up)

1469 **Fr. 142 $20 1880 Superb Gem New.** Beautifully bright and strictly original. If this is not the finest small seal 1880 Twenty it must be tied with it. The colors, margins and paper quality are simply as fine as could exist. (1500-up)

Popular Spread Eagle $100

1470 **Fr. 165 $100 1862 Very Good-Fine.** Numerous repairs about the edges give this very rare Spread Eagle hundred the appearance of a higher grade. Of the 12 known pieces, three are permanently off the market in government hands or private foundations. Of the remaining nine pieces, only three grade higher than this note, with none of them reaching Extra Fine. This is a classic rarity of American currency and an opportunity to add a significant piece to your holdings. (5000-up)

SILVER CERTIFICATES

1471 **Fr. 215 $1 1886 Very Fine.** (225-up)

1472 **Fr. 217 $1 1886 Gem New.** Huge margins and perfect centering on both sides highlight this scarce orange seal Martha. This is a much more difficult to locate variety than the often seen Fr. 215. (900-up)

1473 **Fr. 218 $1 1886 Choice Very Fine.** A scarcer number Martha and a strictly original one. (250-up)

1474 **Fr. 219 $1 1886 Gem New.** Broad, even face margins frame this large brown seal blue serial number Martha. This number does not often appear, and this is a particularly attractive one. (900-up)

1475 **Fr. 219 $1 1886 About New.** There are a few small pinholes and a very light fold, otherwise this well-centered brown seal Martha is quite attractive. (325-up)

1476 **Fr. 223 $1 1891 Superb Gem New.** Beautiful deep original embossing, an exceptionally bold red seal, and ideal margins put this note right up there along with the finest Marthas we have ever had the pleasure of handling. (950-up)

1477 **Fr. 223 $1 1891 Choice Extra Fine.** Fresh and strictly original, this Martha is 100% clean with deep embossing throughout. It's just a few light folds away from grading Gem New. (400-up)

1478 **Fr. 224 $1 1896 Superb Gem New.** Well embossed and fully original, with boardwalk margins all the way around and perfect centering on both face and back. As nice a one dollar Educational note as anyone could ever hope to locate. Fully original. (1000-up)

1479 **Fr. 224 $1 1896 Gem New.** Deep original embossing is readily evident. The margins and colors far exceed what is generally seen. (900-up)

1480 **Fr. 224 $1 1896 Choice New.** (650-up)

1481 **Fr. 224 $1 1896 Choice About New.** Hugely margined and very pretty, this $1 Educational has a single, difficult to locate fold to the left of the center. (400-up)

1482 **Fr. 224 $1 1896 Fine.** Unmolested and perfect for the grade. (125-up)

1483 **Fr. 225 $1 1896 Choice Extra Fine.** A lovely, fresh example of the more difficult of the two $1 Educationals. (350-up)

1484 **Fr. 225 $1 1896 Extra Fine.** Original and untouched. (300-up)

1485 **Fr. 225 $1 1896 Choice Very Fine.** Bright and well margined. No signs of circulation, but the three folds are a bit too heavy for the Extra Fine grade. (250-up)

1486 **Fr. 226a $1 1899 Superb Gem New.** A perfect example of the Black Eagle type, with great margins and cavernous original embossing. (225-up)

1487 **Fr. 226a $1 1899 Superb Gem New.** The perfect Black Eagle Ace. Huge margins, great centering on both sides, extraordinary paper quality, razor sharp printing, and deep original embossing. Absolutely as fine as they come. (225-up)

1487A **Fr. 233 $1 1899 Gem New.** Low two digit serial number Y91Y with good centering and deep original embossing. (300-up)

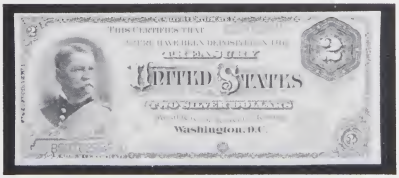
1488 **Fr. 235 $1 1899 Gem New.** A fully original Black Eagle with the low radar serial number K7667A. (275-up)

1489 **Fr. 236 $1 1899 Autographed by Tom Henrich About New.** Unremarkable in every other respect but signed by New York Yankees star Tom Henrich on the back and dated by him, December 3, 1947. (150-up)

1490 **Three 1923 Ones Gem New.** Two are Fr. 237 and the other is a Fr. 238. (3 pieces) (125-up)

1491 **Fr. 238 $1 1923 Star Note Choice New.** A common star but in very nice grade. (150-up)

1492 **Fr. 238/237 $1 1923 Reverse Changeover Pair.** Two consecutive serial number notes with the lower serial number being the Woods-White combination Fr. 238 and the higher number the Speelman-White Fr. 237. Both notes are fresh and original and Gem but for the centering which makes them **Choice New**. (2 pieces) (200-up)



1493 **Fr. 240 $2 1886 Gem New.** Exceptionally broad margins and bright colors highlight this small red seal Hancock Deuce. Of the five different Friedberg numbers in this series, the Fr. 242 is the only one that regularly appears in this grade. Finding a small seal Hancock with the eye appeal of this beauty is a most unusual event. (1500-up)

1494 **Fr. 242 $2 1886 Superb Gem New.** Fresh and strictly original. This Hancock Deuce is among the very best we have had the pleasure of handling. (1500-up)

1495 **Fr. 242, $2 1886 Gem New.** Bright and beautifully centered, this Hancock deuce is by far the most common Friedberg number, making it the ideal note for type. Quite a few of these have been on the market in the last few years, and auction prices have sagged a bit for them. The astute buyer might well take advantage of what is likely a temporary anomaly. (1300-up)

1496 **Fr. 245 $2 1891 Superb Gem New.** Beautifully bright, with extraordinary margins and perfect centering. This Windom deuce would be the ideal example for a high end collection. (2500-up)

1497 **Fr. 247 $2 1896 Choice Extra Fine.** Exceptionally well margined and 100% original, this Educational deuce, which bears a five digit serial number, is simply a superb uncirculated note with three folds. (900-up)

1498 **Fr. 247 $2 1896 Very Good.** Problem free and strictly original. (175-up)

1514 **Fr. 282 $5 1923 Choice New.** Fresh and fully original, this Porthole note is Superb in every respect but for the centering, which although quite adequate is less than perfect. Deep original embossing is evident throughout. (850-up)

Serial #1 Cleveland Battleship

1577 **Fr. 757 $2 1918 Very Choice New.** Serial number 1. Originally sold by Max Mehl as part of the fabled Grinnell Collection in the 1940s, this classic rarity appeared again at auction in Stacks' March 12, 1991 sale where it was graded an excessively conservative AU. At that auction it brought $5500. The note is strictly original and without a trace of folds or soil. Well centered and bright, it is one of only four serial number 1 Battleships known to exist for the 34 Friedberg numbers of the type. This beautifully margined Battleship, exhibiting its full original embossing, will be the centerpiece of the collection it enters. (7500-up)

1578 **Fr. 759 $2 1918 Cut Sheet of Four Superb Gem New.** A truly impressive cut sheet. All four notes are simply as nice as they can possibly be. 1580 **Fr. 766 $2 1918 Choice Extra Fine.** Courtesy autographed by S.B. Cramer above his engraved signature as Cashier of the Chicago district. Gengerke does not list any examples of courtesy autographs for any Chicago FRBN. Undoubtedly very scarce and quite possibly unique, this should be of great interest to collectors of courtesy autographs. (500-up)

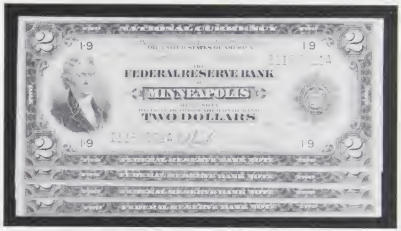
1581 **Fr. 767 $2 1918 New.** There are a few closed pinholes. (300-up)



1582 **Fr. 772 $2 1918 Cut Sheet of Four Choice New.** Fresh and original and Superb Gem in every respect but for the margins, which on all four notes are larger at the top and smaller at the bottom although in all four cases totally clear of the design. This is the only Minneapolis cut sheet of Battleships that we know to exist. It would make a magnificent addition to a definitive collection of these notes. (2500-up)

1599 **Fr. 815 $10 1918 Very Fine.** St. Louis is the scarcest district for Federal Reserve Bank Note tens, with only 14 pieces listed in the Gengerke reference. This new number brings the total up by one. Although the paper is a bit soft, the quality is roughly comparable to Lot 1347 from our 11/9/90 Sale, which brought $522. When the Treasury stopped keeping records in 1944, only 237 examples of this note were still outstanding on their books. (650-up)

Magnificent Large Thousand

1648 **Fr. 1133 $1000 1918 Superb Gem New.** The finest by far of any $1000 we have had the privilege of offering to the numismatic community. Only six $1000's are known from this district, one in government hands, one grading Fine with tattered edges, a Very Fine sold 15 years ago, an Uncirculated piece sold 25 years ago and the note one digit below this serial number sold by Stack's in 1991 for $11,550. The note is perfectly clean, extremely well centered and essentially flawless. This is the only $1000 from any district we have handled that exhibits its full original embossing. We would not be surprised to see this note exceed… (12000-up)

1649 **Fr. 1133 $1000 1918 Fine.** Of the 15 notes known for this district, four are permanently impounded. Always very popular, this Thousand is decently margined and clean for the grade. We expect it will bring right around… (2000-up)

Gem New 1905 Technicolor Twenty

1666 **Fr. 1180 $20 1905 Gem New.** One of the nicest examples of the rare and extremely popular Technicolor Twenty that we have had the pleasure of handling. Beautifully margined and loaded with lots of crinkly originality, this gorgeous note is part of the short run of uncirculated notes referred to in the Gengerke reference. The scarcer of the two numbers of this type, this is one of the very few 1905 Twenties that exhibit the original embossing of the serial number printing. We expect the green sheet price, which includes the more common Fr. 1179, to prove conservative for this gorgeous note. (9000-up)

Fr. 1219d $1000 Gold

1691 **Fr. 1219d $1000 1907 Very Fine.** From our January, 1995 sale where it was described "The lowest serial of a scant seven recorded by Gengerke. Of these, only one is higher grade. Nicely centered and bright with a light rub on the back." This note, which realized $6600 last January, will likely bring that or a bit more now. (7000-up)

Rare 1922 $1000 Gold

1692 **Fr. 1220 $1000 1922.** One of the 28 pieces known to Gengerke, six of which are permanently impounded. This **Very Good-Fine** example has a scattering of pinholes and a few minor scuffs that do not affect any of the engraved areas. An overall attractive note that should bring…(3500-up)

1694 **Fr. 1225 $10,000 1900 About New.** This uniface, non-negotiable Gold Note with the Vernon-Treat signature combination shows no sign of actual use, but it has some minor stains, probably caused by water used in the extinguishing of the December 13, 1935 Post Office fire that was the source of these notes reaching the public. (750-up)

1695 **Fr. 1225 $10,000 Series of 1900 About New.** This Teehee-Burke signature combination note is unfolded and lacks signs of circulation, but it does have some water staining that is commonly seen on this unredeemable type. (750-up)

1714 **Fayetteville** - $5.00 1902 Date Back Fr. 590 **The First NB** Ch. # (S)7346

This is a rather scarce bank in large size, particularly as a Date Back. **Very Good**. (150-250)

1715 **Fort Smith** - $20.00 1902 Fr. 654 **The First NB** Ch. # (S)1950

A much higher grade than average large note from here. Pleasing **Fine-Very Fine**, with excellent signatures. (100-200)

The William Doovas Collection of California National Bank Notes, Highlighted by the Largest Offering of California Uncut Sheets in History

It gives Currency Auctions of America, Inc. the great pleasure to offer herein the magnificent collection of William Doovas. Mr. Doovas was one of the pioneer collectors of small size National Bank Notes. Starting in 1966, an era in which virtually all of the few collectors of National Bank Notes collected large notes only by type rather than by bank, Mr. Doovas was one of the first to recognize that Series 1929 Nationals were extremely rare from some banks and locations and quite common from others. Starting from that premise, Mr. Doovas was, a few years later, able to take part in what is now recognized as the event that transformed the collecting of National Bank Notes, particularly small Nationals, into a collectible worthy of the interest of serious dealers and collectors. Friday, February 12, 1971, was the night that the market changed forever. That evening Lester Merkin sold 166 uncut serial number 1 sheets of Series 1929 Nationals, the largest grouping extant. Mr. Doovas bought all of the 22 California sheets offered that night, and each, along with the four others he acquired later, is offered below. Also offered below are over 150 single California Nationals Bill acquired over the years. While it seems hard to believe that a quarter century has passed since that 1971 Merkin sale, credit must be given to those such as William Doovas who recognized far before most others that Series 1929 National Bank Notes were a subject worthy of research and collecting in a serious and organized fashion.

Lot #1719

Lot #1720

Lot #1721

1718 **Anaheim -** $20.00 Ty. 1 **Anaheim First NB** Ch. # 10228 Uncut Sheet

A beautiful all serial number 1 sheet with no folds whatever. The top note and the bottom note each have a miniscule corner crease, but overall this sheet is one of the nicest here. **Choice Crisp Uncirculated**. (2250-4500)

A Marvelous Set of Bakersfield Sheets

1719 **Bakersfield -** $10.00 Ty. 1 **First NB** Ch. # 10357 Uncut Sheet

A beautiful serial number 1 sheet with no folds, creases, or problems of any kind. **Choice Crisp Uncirculated**. (2000-3500)

1720 **Bakersfield -** $20.00 Ty. 1 **First NB** Ch. # 10357 Uncut Sheet

A perfect mate to the $10.00 sheet above, and just as lovely. There are two totally unimportant creases in the bottom note, but otherwise this all serial number 1 sheet is pristine. **Choice Crisp Uncirculated**. (2000-3500)

1721 **Bakersfield -** $20.00 Ty. 2 **First NB** Ch. # 10357 Uncut Sheet

A virtually perfect sheet, with just the slightest traces of handling of any kind and one tiny corner tip crease. It is hard to imagine that George Blake, when he bought these sheets for Col. Green, would ever have realized how desirable they would become for a later generation of collectors. **Choice Crisp Uncirculated**. (1500-2500)

Lot #1722

Lot #1723

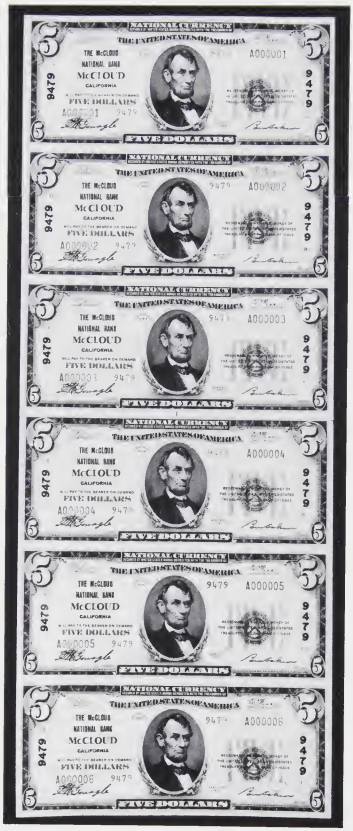
1722 **Bakersfield** - $100.00 Ty. 1 **First NB** Ch. # 10357 Uncut Sheet

Without a doubt the most significant of any of the sheets offered here from the point of rarity. Because of their high face value (and also because George Blake did not buy sheets in denominations higher than the $20.00 on behalf of Col. Green), very few of the higher denomination sheets were saved when issued. Only a handful of $100.00 sheets with any serial number are known today, with even fewer serial number 1 examples recorded. The sheet itself displays some handling, although there are no folds whatever. There are a couple of creases at the corners, and, on the reverse, a couple of small ink spots between the second and third notes. **Crisp Uncirculated**, difficult to estimate because of its rarity, but likely to see a winning bid in the range of… (5000-7000)

1723 **Glendora** - $20.00 Ty. 1 **The First NB** Ch. # 8652 Uncut Sheet

A very pretty all serial number 1 sheet from a rare Los Angeles County bank. There are folds between each note, but otherwise all of the notes are **Choice Crisp Uncirculated**. (3000-6000)

Lot #1724



Lot #1725

1724 **Glendora** - $20.00 Ty. 2 **The First NB** Ch. # 8652 Uncut Sheet

One of the four sheets which were not a part of the landmark 1971 Merkin sale. There is a very minor counting crease in the fifth note, and one tiny corner crease at the bottom, but otherwise this is a rare and lovely sheet. **Crisp Uncirculated**. (2000-4000)

1725 **McCloud** - $5.00 Ty. 2 **The McCloud NB** Ch. # 9479 Uncut Sheet

A lovely and rare sheet with just the slightest handling. There is a miniscule corner crease at the lower left, and one pinhole in the fifth note down, but overall this sheet grades **Choice Crisp Uncirculated**. (2000-4000)

Lot #1726

Lot #1727

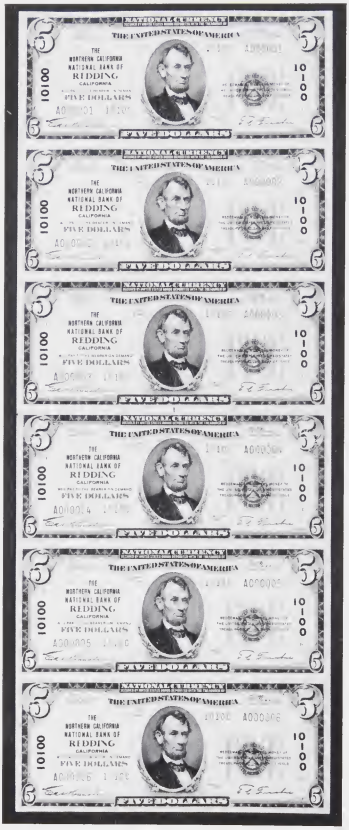
1726 **McCloud -** $10.00 Ty. 2 **The McCloud NB** Ch. # 9479
Uncut Sheet

A couple of minor margin creases from perfection. **Choice Crisp Uncirculated**, a beautiful sheet. (2000-4000)

1727 **Pasadena -** $10.00 Ty. 2 **The Security NB** Ch. # 10167
Uncut Sheet

This is the only uncut sheet reported to date from Pasadena, and was not part of the Merkin sale offering. **About Uncirculated**, with a crease at the top right and one fold through the sheet from top to bottom. (1500-2500)

Lot #1728



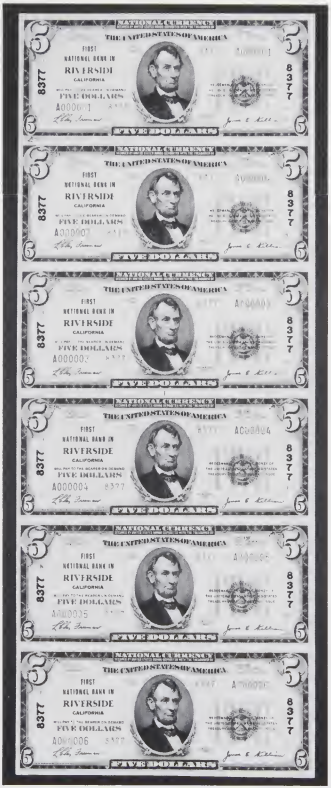
Lot #1729

1728 **Pleasanton -** $10.00 Ty. 1 **The First NB** Ch. # 9897 Uncut Sheet

A lovely all serial number 1 sheet, with one fold in the center between the third and fourth notes but otherwise pristine. Other than the three uncut sheets known from here this high income Alameda County location is prohibitively rare. **Choice Crisp Uncirculated**. (2250-3750)

1729 **Redding -** $5.00 Ty. 2 **The Northern California NB** Ch. # 10100 Uncut Sheet

The only uncut sheet extant from this scarce bank, and it is a beauty. **Choice Crisp Uncirculated**, with no folds whatever and just the faintest traces of handling. (1500-2500)



Lot #1730

Lot #1731

1730 **Riverside -** $5.00 Ty. 2 **First NB** Ch. # 8377 Uncut Sheet

This example and the following lot constitute the only two known uncut sheets from Riverside. This is exceptionally nice in appearance, with just one corner fold on the top note and very slight handling separating this from perfection. **Choice Crisp Uncirculated**. (1500-2500)

1731 **Riverside -** $20.00 Ty. 2 **First NB** Ch. # 8377 Uncut Sheet

Another beautiful sheet, this with just minimal handling and one miniscule edge crease at the third note. **Choice Crisp Uncirculated**. (1500-2500)

Lot #1732

Lot #1733

The Only Two Uncut Sheets Known From San Dimas

1732 **San Dimas** - $5.00 Ty. 1 **The First NB** Ch. # 10068 Uncut Sheet

A great sheet from a very scarce Los Angeles County location. There are three folds between the middle three notes, and a corner crease on the bottom note, but this is a far above average all number 1 sheet. (2500-4500)

1733 **San Dimas** - $20.00 Ty. 2 **The First NB** Ch. # 10068 Uncut Sheet

A beautiful sheet one tiny corner fold on the bottom note from perfection. **Choice Crisp Uncirculated**. (1750-2750)

Lot #1734

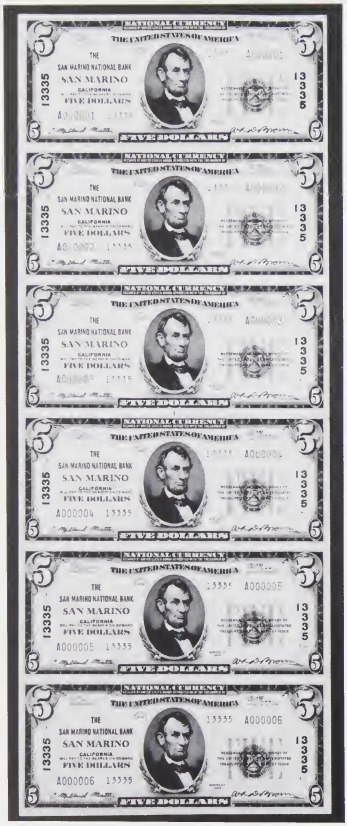
Lot #1735

1734 **San Jose -** $10.00 Ty. 2 **San Jose NB** Ch. # 13338 Uncut Sheet

A Gem sheet in appearance, with just some minimal handling and some lightly inked initials between the number 5 and number 6 notes. **Choice Crisp Uncirculated**. (1500-2500)

1735 **San Jose -** $20.00 Ty. 2 **San Jose NB** Ch. # 13338 Uncut Sheet

A lovely sheet with just the faintest evidence of handling. As on the other San Jose sheet, there are some inked initials between the fifth and sixth notes on the sheet. **Choice Crisp Uncirculated**. (1500-2500)



Lot #1736

Lot #1737

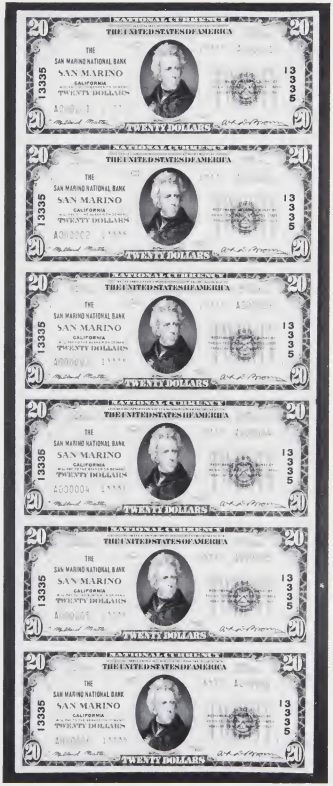
The Only Three Sheets Known From San Marino

1736 **San Marino** - $5.00 Ty. 2 **The San Marino NB** Ch. # 13335 Uncut Sheet

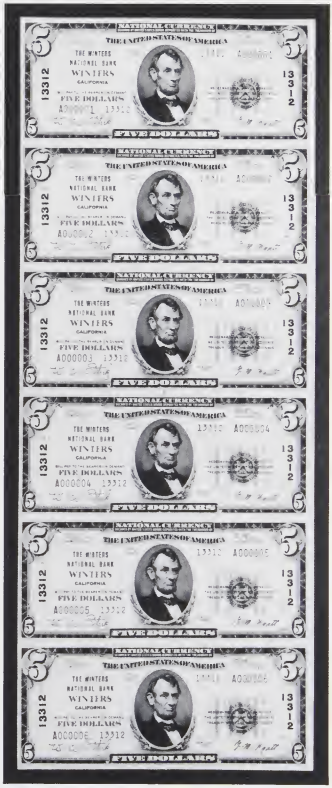
A wonderful sheet which is as nice as any uncut sheet we've ever sold. **Choice Crisp Uncirculated**, and sure to see considerable bidding. (2500-4500)

1737 **San Marino** - $10.00 Ty. 2 **The San Marino NB** Ch. # 13335 Uncut Sheet

A second magnificent sheet from this small community. The trio of these sheets together is really splendid to behold. **Choice Crisp Uncirculated**. (2500-4500)



Lot #1738



Lot #1739

1738 **San Marino -** $20.00 Ty. 2 **The San Marino NB** Ch. # 13335 Uncut Sheet

Another amazing sheet which is as nice as these large and rather unwieldy items ever come. **Choice Crisp Uncirculated**. (2500-4500)

1739 **Winters -** $5.00 Ty. 2 **The Winters NB** Ch. # 13312 Uncut Sheet

An attractive uncut sheet with a couple of corner tip folds, one at the bottom and one at the top, and a pinhole in the margin between the fifth and sixth notes. **Crisp Uncirculated**. (1500-2500)

Lot #1740

Lot #1741

1740 **Winters** - $10.00 Ty. 1 **The Winters NB** Ch. # 13312 Uncut Sheet

A lovely all serial number 1 sheet just one corner tip fold from perfection. **Choice Crisp Uncirculated**. (2250-3750)

1741 **Winters** - $20.00 Ty. 1 **The Winters NB** Ch. # 13312 Uncut Sheet

A second all serial number 1 sheet, and again just a light handling mark or two from perfection. This is truly a lovely sheet worthy of the finest collection. **Choice Crisp Uncirculated**. (2250-3750)

Lot #1742

Lot #1743

1742 **Winters -** $20.00 Ty. 2 **The Winters NB** Ch. # 13312 Uncut Sheet

As nice a sheet as any in this great collection. **Choice Crisp Uncirculated**. (1500-2500)

1743 **Yreka -** $10.00 Ty. 2 **The First NB** Ch. # 13340 Uncut Sheet

There are folds between each of the notes, but this is a very bright and attractive sheet from a northern California location which is just plain rare. Nice **Crisp Uncirculated**. (1750-3250)

CALIFORNIA

1744 **Anaheim -** $10.00 Ty. 1 **Anaheim First NB** Ch. # 10228

A lovely example from this sought after bank worthy of the finest collection. **Choice Crisp Uncirculated**. (350-700)

1745 **Beverly Hills -** $5.00 Ty. 1 **The First NB** Ch. # 11461

A very pleasing **Fine** example from a popular bank considerably more difficult to obtain in small size than large. (150-300)

1746 **Beverly Hills -** $5.00 Ty. 1 **The First NB** Ch. # 11461

Another, this considerably lower grade. **Very Good**. (100-150)

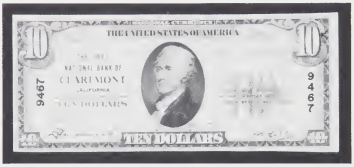
1747 **Unusual Autographed Note**

Brea - $5.00 Ty. 2 **Oilfields NB** Ch. # 13877

A lovely **Choice Crisp Uncirculated** example autographed in pen by the President over his engraved signature. (250-500)

1748 **Chico -** $5.00 Ty. 2 **First NB** Ch. # 13711

This is the only $5.00 example listed in the census and it is a beauty. **About Uncirculated**, a lovely note worthy of a premium bid. (200-400)



1749 **Claremont -** $10.00 Ty. 2 **The First NB** Ch. # 9467

The only bank in town and a very scarce and seldom offered one at that. This is a magnificent note with one very light center bend, but to grade it less than **Crisp Uncirculated** would be an outrage, as the note is fully new and the bend could be removed in a heartbeat. (400-800)

1750 **Colton -** $5.00 Ty. 1 **The Citizens NB** Ch. # 13356

A scarce note on a bank from which virtually every example is, for some reason, in low grade. This piece is a happy exception. Nice **Fine-Very Fine**, considerably nicer than the note from here which brought $363.00 in our 1995 Orlando sale. (250-450)

1751 **Unique California 14000 Charter**

Corcoran - $5.00 Ty. 2 **First NB** Ch. # 14320

A wonder note from the Doovas holdings. Not only was this the last bank in the state of California to issue notes, and not only did this bank issue but a handful of examples, but this note is, to our and everyone elses best information, unique. With all of the 14000 charter and all of the California collectors competing for this one piece, expect to see some interesting competition on this lot. **Fine-Very Fine**. (600-1200)

1752 **Downey -** $20.00 Ty. 1 **The First NB** Ch. # 11701

A rare Los Angeles County location missing completely from the Krakover holdings and offered only at infrequent intervals. This is the sole $20.00 note listed in the census. **Fine**. (250-500)

1753 **Fairfield -** $10.00 Ty. 1 **The First NB** Ch. # 10984

Small notes only from this very scarce Solano County community. We note only three appearances of any kind from here, the last almost five years ago. **About Fine**. (250-500)

1754 **Fontana -** $10.00 Ty. 1 **The First NB** Ch. # 12976

A scarce and seldom offered San Bernardino County note. **Fine**. (200-400)

1755 **Fresno -** $10.00 Ty. 1 **First NB** Ch. # 11473

A beautiful example of the kind available only when great collections are dispersed. **Gem Crisp Uncirculated**. (175-350)

1756 **Fullerton -** $10.00 Ty. 1 **First NT & SB** Ch. # 12764

Very attractive and high grade example from this desirable Orange County community. **Very Fine-Extremely Fine.** (200-300)

1757 **Hermosa Beach -** $20.00 Ty. 1 **The First NB** Ch. # 12209

A great Los Angeles County rarity on the Hermosa Beach bank we have never before had the opportunity to offer. Evenly circulated **Fine**, a great item likely to see bidding in the range of… (450-900)

1758 **Hollister -** $10.00 Ty. 2 **The Hollister NB** Ch. # 13510

An excessively rare bank from the only issuing town in San Benito County. While two other examples are reported from here, our records of over 170,000 offerings indicate that this is the first note from this bank ever to be available at public sale. **Fine**, a great note likely to see considerable bidding. (500-900)

1759 **La Habra** - $10.00 1902 Fr. 633 **The First NB** Ch. # 11827

A great rarity which is newly discovered and offered here for the first time. Only one other example from this Orange County bank is known, with that note being ensconced in a major California holding for many, many years. No example from this location has ever been offered at public sale, and, with this bank having issued large notes only for just eight years, it is possible that no other example ever will. **Very Good-Fine**, with clear signatures, hard to estimate because when everyone needs something how high is up. (1250-2500)

1760 **Los Altos** - $10.00 Ty. 1 **The First NB** Ch. # 11522

An extremely scarce Santa Clara County bank with only two appearances at public sale of any kind, the last when the Krakover collection was auctioned in March of 1990. **About Fine**. (300-500)

1761 **Los Angeles** - $20.00 Ty. 1 **Security-First NB** Ch. # 2491

Choice Crisp Uncirculated, a Gem but for a slightly narrow bottom margin. (60-100)

1762 **Los Angeles** - $50.00 Ty. 1 **Security-First NB** Ch. #2491

By far the highest grade example of this denomination in the census, with the next best specimen coming in two full grades under this. **Choice Crisp Uncirculated**, a lovely note fit for the finest of collections. (200-400)

1763 **Los Angeles** - $100.00 Ty. 1 **Security-First NB** Ch. # 2491

A beautiful mate to the $50.00 above. **Choice Crisp Uncirculated**. (250-450)

1764 **Security-First Type Collection**

Los Angeles - $5.00 Ty. 1, $10.00 Ty. 1, $20.00 Ty. 1, $50.00 Ty. 1, $5.00 Ty. 2, $10.00 Ty. 2, $20.00 Ty. 2 **Security-First NB** Ch. # 2491

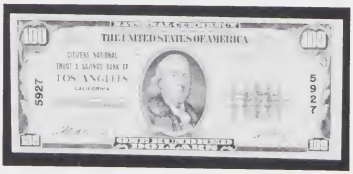
An attractive seven piece group, with each note grading at least **Fine** and a couple grading as high as **Extremely Fine**. (175-275)

1765 **Los Angeles** - $50.00 1902 Fr. 683 **The Citizens NB** Ch. # 5927

We know of no other high denomination examples from this bank using this title, and none are listed in the census. Evenly circulated **About Fine**, certain to see considerable interest amongst the many collectors from southern California. (300-600)

1766 **Los Angeles** - $50.00 Ty. 1 **Citizens NT & SB** Ch. # 5927

Beautiful **About Uncirculated**, actually a fully new example which we've called About Uncirculated only because of some handling marks. (175-350)



1767 **Los Angeles** - $100.00 Ty. 1 **Citizens NT & SB** Ch. # 5927

This lovely note is one of only two examples grading New for this type and denomination in the census. If you want the finest Series 1929 example from this bank, this is it. **Choice Crisp Uncirculated**. (300-600)

1768 **Los Angeles** - $5.00 1902 Red Seal Fr. 587 **The Farmers & Merchants NB** Ch. # (P)6617

Certainly not a rare bank, but Red Seals from here are not exactly common either. **Very Good**, with pen signatures. (175-350)

1769 **Los Angeles** - $5.00 Ty. 1 **The Farmers & Merchants NB** Ch. # 6617

A beautiful example, in fact the sole $5.00 example from here graded as New in the census. **Choice Crisp Uncirculated**. (100-200)

1770 **High Grade Consecutive Pair**

Los Angeles - $20.00 Ty. 1 **The Farmers & Merchants NB** Ch. # 6617

Two consecutive pieces, each **About Uncirculated** only because of a light center fold. (125-250)

1771 **Los Angeles** - $20.00 Ty. 2 **The Farmers & Merchants NB** Ch. # 6617

Why this is listed in the census as About Uncirculated we can not divine, as the note is a flaming original Gem. **Gem Crisp Uncirculated**. (125-250)

1772 **Los Angeles** - $20.00 Ty. 2 **The Farmers & Merchants NB** Ch. # 6617

Almost as nice as the preceding note but with just a bit more handling and a tad less well centered. **Choice Crisp Uncirculated**. (100-200)

1773 **Los Angeles** - $100.00 Ty. 1 **The Farmers & Merchants NB** Ch. # 6617

A very rare denomination from this bank, with only two such examples recorded from here, the other listed without a grade. Nice **Fine+**. (250-450)

Gem California Large $100

1774 **Los Angeles** - $100.00 1902 Fr. 707 **The Pacific NB** Ch. # 12454

A lovely example bearing the distinctive low serial number 4. Jumbo margins all around, and strict originality of the surfaces with deep punch through. This is as beautiful an example of this type as we've encountered from any bank in the country. **Gem Crisp Uncirculated**, a Superb example. (2500-3500)

Excessively Rare Small Size Los Angeles Pair

1775 **Los Angeles** - $10.00 Ty. 1 **The NB of Commerce** Ch. # 12755

This institution has proved to be the only truly rare issuer of Series 1929 notes from Los Angeles, likely because the bank liquidated in 1932 after a relatively short issue. Only two small notes have been recorded from this bank, and the Doovas collection contains both of them. The $10.00 is then nicer of the two, grading a nice **Fine-Very Fine**. If you are a serious collector of Los Angeles material, this is an opportunity that should not be missed. (200-400)

1776 **Los Angeles** - $5.00 Ty. 1 **The NB of Commerce** Ch. # 12755

Not quite as nice as the $10.00 above, but just as rare. **Very Good**. (100-200)

1777 **Los Angeles** - $5.00 Ty. 1 **The Hollywood NB** Ch. # 12804

Not a rare note, but always in demand because of its distinctive nomenclature. **About Fine**. (75-125)

1778 **Los Angeles** - $20.00 Ty. 1 **The Western NB** Ch. # 13187

An extremely scarce Los Angeles bank which issued small notes only in extremely limited quantities. Our records indicate but one prior offering from this bank at public sale, that coming in the Krakover collection sale, where an inferior $5.00 example from here brought $220. The Doovas holdings contain two notes from this bank, each virtually identical in grade. **Fine**. (150-250)

1779 **Los Angeles** - $20.00 Ty. 1 **The Western NB** Ch. # 13187

A second example, just a hair less nice. **About Fine**. (125-225)

1780 **Los Angeles** - $5.00 Ty. 1, $10.00 Ty. 1, $20.00 Ty. 1 **Security-First NB** Ch. # 2491 **F, EF, VF**

$5.00 Ty. 1, $10.00 Ty. 1, $50.00 Ty. 1 **Citizens NT & SB** Ch. # 5927 **VG, VF, F+**

$10.00 Ty. 1, $100.00 Ty. 1 **Farmers & Merchants NB** Ch. # 6617 **F, Fair**

$5.00 Ty. 1, $10.00 Ty. 2 (3), $20.00 Ty. 1 (5) **Seaboard NB** Ch. # 12545 **VG, F** (3), **EF, VF, F** (3)

Total 17 pieces. (375-475)

1781 **Napa** - $10.00 Ty. 1 **The First NB** Ch. # 7176

The vast majority of the known small notes from here are uncirculated $20.00 examples. This piece is easily the highest grade $10.00 reported to date. **Extremely Fine+**. (100-200)

1782 **Oakland** - $20.00 Ty. 1 **Central NB** Ch. # 9502

An unusually high grade example from this otherwise common bank. **Choice About Uncirculated**. (75-150)

1783 **Oakland** - $50.00 Ty. 1 **First NB** Ch. # 12665

Considerably scarcer denomination from here. **Fine**. (100-150)

1784 **Ontario** - $5.00 Ty. 1 **The First NB** Ch. # 6268

An attractive example from this popular San Bernardino County location. **Very Fine**. (125-250)

1785 **Ontario** - $20.00 Ty. 1 **The First NB** Ch. # 6268

Another, this even a bit nicer. **Very Fine-Extremely Fine**. (150-300)

1786 **Pair of Oranges**

Orange - $5.00 Ty. 1, $5.00 Ty. 2 **The First NB** Ch. # 8181

A complete small size collection, as fives were the only denomination issued in Series 1929 notes. The Type 1 grades **Fine**, the Type 2 **Very Fine**. (150-300)

1787 **Pasadena** - $20.00 Ty. 1 **The First NB** Ch. # 3499

High grade, but trimmed into the design at the top and with a few very light stains, most on the reverse. **Very Fine**. (100-200)

1788 **Pasadena** - $10.00 Ty. 1 **The Security NB** Ch. # 10167

A lovely example which appears to be a Gem at first appearance. **About Uncirculated**. (125-225)

1789 **Pasadena** - $10.00 Ty. 2 **The Security NB** Ch. # 10167

This is the highest grade Type 2 example from this bank recorded in the census. **Extremely Fine**. (125-225)

1790 **Pasadena** - $5.00 Ty. 2 **Pasadena NB** Ch. # 12385

Evenly circulated **Fine+** example from a somewhat scarcer Pasadena bank. (60-100)

1791 **Paso Robles** - $20.00 Ty. 1 **First NB** Ch. # 12172

A very tough bank located in well collected San Luis Obispo County. This example grades **Very Fine** in terms of circulation, but it is a bit discolored, particularly on the reverse. (225-450)

1792 **Pomona** - $20.00 Ty. 1 **The First NB** Ch. # 3518

Very Good or a touch better. (50-100)

1793 **Redding -** $20.00 Ty. 1 **The Northern California NB** Ch. # 10100

A very elusive note whose last appearance at public sale came in our first auction in November of 1990. **Very Good**. (200-400)

1794 **Redondo -** $10.00 Ty. 1 **The First NB** Ch # 8143

An elusive Los Angeles County note whose last offering was a similarly graded example in our January 1992 sale which brought $264.00. This should certainly be worth about the same. **Fine**. (175-300)

1795 **Richmond -** $20.00 Ty. 1 **First NB** Ch. # 12341

From Contra Costa County in northern California. **Fine**. (100-150)

1796 **Riverside-** $10.00 Ty. 1 **The Citizens NT & SB** Ch. # 8907

Not a rare bank, but this is by far the nicest note we've ever seen from here. **About Uncirculated**. (100-200)

Total four pieces. (175-275)

1798 **Sacramento -** $10.00 Ty. 1 **The California NB** Ch. # 8504

A beautiful state capital example. **Gem Crisp Uncirculated**. (100-200)

1799 **Sacramento -** $10.00 Ty. 1 **California NB** Ch. # 8504 **VG-F**
20.00 Ty. 1 (3) **Capital NB** Ch. # 10107 **F, F-VF, VF**

Total four pieces. (125-175)

1800 **San Bernardino -** $10.00 Ty. 1 **The San Bernardino NB** Ch. # 3818

An attractive **Fine** example from this most popular bank. (100-200)

1801 **San Bernardino -** $10.00 Ty. 1 **The San Bernardino NB** Ch. # 3818

Another, this not quite as nice. **Very Good**. (60-100)

1802 **San Bernardino -** $10.00 Ty. 1 **The American NB** Ch. # 10931

An unusually high grade example from here. **Crisp Uncirculated**, a touch tight at the lower right. (125-225)

1803 **San Diego -** $5.00 Ty. 1, $20.00 Ty. 2 **First NT & SB** Ch. # 3050

Two pieces, the first **Very Good** or so, the latter **Extremely Fine** with a small discoloration. (75-125)

1804 **San Diego -** $10.00 Ty. 1 **The United States NB** Ch. # 10391

A very scarce note in this grade, as this is the only Series 1929 ten graded higher than Very Good in the census. **Very Fine**. (150-300)

1805 **San Diego -** $20.00 Ty. 1 **The United States NB** Ch. # 10391

Not quite so high grade as the preceding note on this "forbidden title" institution. **Fine**, with a small teller stamp on the face. (100-150)

Exceptional California Gold Bank Note

1806 **San Francisco -** $5.00 National Gold Bank Note Fr. 1136 **The First National Gold Bank** Ch. # 1741

This lovely note is one of the highest grade National Gold Bank Notes we have ever been privileged to see, let alone handle. While the colors and signatures are just perfect for the grade, the margins are absolutely unbelievable, with not a hint of a repair, split, or problem of any sort. The reverse gold coin vignette is as sharp and bold as any we've seen, and the paper has retained its original crispness as well. We conservatively call this **Very Fine-Extremely Fine**, although we've seen notes far less attractive graded considerably higher in this series. Expect some serious bidding in the range of… (5500-8500)

1807 **San Francisco -** $100.00 Ty. 1 **Crocker First NB** Ch. # 1741

One of the highest grade notes of the nine listed in the census, and bearing the Crocker signature as well. **Extremely Fine**. (175-275)

1808 **High Grade Crocker Lot**

San Francisco - $5.00 Ty. 1, $10.00 Ty. 2 (2), $20.00 Ty. 1 **Crocker First NB** Ch. # 1741

Four pieces, the $5. **Very Fine**, the two $10.00 **Extremely Fine** and **About Uncirculated**, the $20.00 **Extremely Fine+**. (75-125)

1809 **Serial Number 2 Crocker NB Red Seal**

San Francisco - $5.00 1902 Red Seal Fr. 589 **The Crocker NB** Ch. # (P)3555

The number 1 $5.00 and $10.00 sheets exist from here, but only one other Red Seal five has been reported to date, with that example grading only About Fine. This example, newly discovered and offered to the collecting fraternity for the first time, is a lovely **Extremely Fine** with beautiful colors and signatures. If you are a serious collector, this note is certain to please. (700-1200)

1810 **San Francisco -** $5.00 1882 Date Back Fr. 537 **The Wells Fargo Nevada NB** Ch. # (P)5105

Evenly circulated **Fine** example from this very popular bank. (100-200)

1811 **San Francisco -** $10.00 Ty. 1 **The Bank of California NA** Ch. # 9655

1812 **San Francisco -** $5.00 Ty. 1 **Pacific NB** Ch. # 12579

Gem Crisp Uncirculated, as nice as they come. (75-125)

1813 **Interesting Bank of Italy Trio**

San Francisco - $50.00 Ty. 1 **Bank of Italy NT & SA** Ch. # 13044

An interesting three piece set, each note with a different type face and different officer's signatures. The first note grades **Very Good**, the latter two **Fine** or a bit better. (3 pieces) (225-350)

1814 **Another Bank of Italy Trio**

San Francisco - $100.00 Ty. 1 **Bank of Italy NT & SA** Ch. # 13044

A second three piece set, each with a different type style and signatures, the first piece bearing low serial number A000009A. This is an even nicer grouping, with the first note grading **Fine** or so, the second **Extremely Fine**, and the last **Fine-Very Fine** with a close bottom margin. (3 pieces) (400-600)

1815 **Bank of Italy Grouping**

San Francisco - $5.00 Ty. 1 (3), $10.00 Ty. 1 (2), $20.00 Ty. 1 (5), $100.00 Ty. 1 **Bank of Italy NT & SA** Ch. # 13044

Eleven pieces with this popular title, grading from **Very Good** to **Extremely Fine**. (300-400)

1816 **San Francisco -** $5.00 Ty. 1 **Bank of America NT & SA** Ch. # 13044

Two pieces, each **Choice Crisp Uncirculated**. (90-140)

1817 **San Francisco -** $10.00 Ty. 2 **Bank of America NT & SA** Ch. # 13044

1819 **San Francisco** - $50.00 Ty. 1 **Bank of America NT & SA** Ch. # 13044

Crisp Uncirculated, but there is a very light stain at the lower left corner. (90-140)

1820 **San Francisco** - $50.00 Ty. 2 **Bank of America NT & SA** Ch. # 13044

A very attractive and high grade example of this scarce type. **About Uncirculated**. (300-600)

1821 **San Francisco** - $100.00 Ty. 2 **Bank of America NT & SA** Ch. # 13044

A pleasing Type Two hundred which would fit very nicely into any high grade set. **Very Fine-Extremely Fine**. (250-450)

1822 **High Denomination Bank of America Grouping**

San Francisco - $50.00 Ty. 1, $50.00 Ty. 2 (2), $100.00 Ty. 1 (4), $100.00 Ty. 2 **Bank of America NT & SA** Ch. # 13044

The Type 2 fifties grade **Fine** and **Very Good** respectively, the Type 2 $100 grades **Fine-Very Fine**, two of the $100 Type 1s are **About Uncirculated** and two are **Extremely Fine**, and the $50.00 Type 1 grades **Fine**. (900-1200)

1823 **San Francisco** - $10.00 Ty. 1 **City NB** Ch. # 13106

Very high grade example from this labor controlled institution. Barely circulated **Extremely Fine+**. (50-100)

Total 24 pieces. (325-475)

1825 **San Jose** - $5.00 National Gold Bank Note **The Farmers National Gold Bank** Fr. 1141 Ch. # 2158

A newly discovered addition to the census, and an attractive piece from a bank where Good is the average grade and Fine is condition census. This example grades a pleasing **Very Good-Fine**, with a strong claim to the latter grade. The margins, often atrocious and frayed on this issue, are far superior to the average. The color is excellent, and the coin vignette more than adequate. This superior example will certainly see bids in the range of… (1000-1500)

1826 **San Jose** - $50.00 Ty. 1 **The First NB** Ch. # 2158

Fine or a bit better overall, but a bit mottled at the lower left and with a small albeit non-distracting hole as well. (100-200)

1827 **San Jose** - $100.00 Ty. 1 **The First NB** Ch. # 2158

A very scarce denomination from this bank, with only three examples listed in the census. Even the Krakover collection had no example of the $100.00 denomination from here. This is the highest grade piece of the three, with the others a grade or more lower. **Extremely Fine**. (350-650)

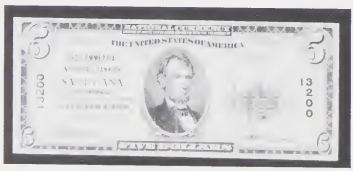
1828 **San Rafael** - $20.00 Ty. 1 **First NB** Ch. # 12640

One of the great notes from the Doovas holdings. This bank, which issued small notes only, is very nearly as scarce as San Rafael's other bank, from which a large note brought an incredible $3300.00 in our recent Memphis sale. In addition, this example is the finest recorded from here by at least a full two grade margin. We might also note that the last public offering of any kind from this San Rafael bank was back on a 1975 fixed price list. Hard to estimate, but this lovely **About Uncirculated+++** example is certain to see spirited bidding, likely in the range of… (600-1200)

1829 **Santa Ana** - $20.00 Ty. 1 **The First NB** Ch. # 3520

Much higher grade than normal from this southern California bank. This example, in fact, is tied for the finest known twenty from here. **Extremely Fine**. (100-150)



1830 **Santa Ana** - $5.00 Ty. 1 **The Commercial NB** Ch. # 13200

A tougher Santa Ana bank, particularly this nice. **Extremely Fine-About Uncirculated**. (150-300)

1831 **Santa Ana** - $5.00 Ty. 1 **The Commercial NB** Ch. # 13200

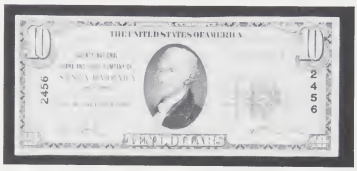
Do not make the mistake of thinking that this is a common bank because there are two of these in the sale. The Krakover holdings contained examples from four out of the five issuing Santa Ana banks, with this institution being the sole missing bank. **Very Fine**. (100-200)

1832 **Santa Barbara** - $5.00 Ty. 1 **First NT & SB** Ch. # 2104

Pleasing **Fine-Very Fine** example from this popular location. (60-100)

1833 **Santa Barbara** - $5.00 Ty. 2 **First NT & SB** Ch. # 2104

Considerably higher grade than the Type 1 offered above, and with different officers as well. **Extremely Fine**, cut just a bit close at the top. (125-225)



1834 **Santa Barbara** - $10.00 Ty. 1 **County NB & TC** Ch. # 2456

An excessively rare note in this denomination and grade. While small fifties and hundreds are obtainable from here, only three examples of the lower denomination notes are listed in the census, with the other two (one of which is offered below) grading only Very Good or so. This note is the happy exception, grading **Choice Crisp Uncirculated**. If you are a serious collector of Santa Barbara material, this is a note you must own. (300-600)

1835 **Santa Barbara** - $10.00 Ty. 1 **County NB & TC** Ch. # 2456

Just as scarce as the example above, but somewhat lower grade. **Fine**, although there are a few rust spots (which sound worse than they actually are). (125-250)

1836 **Santa Barbara** - $50.00 Ty. 1 **County NB & TC** Ch. # 2456

The finest of the nine examples listed in the census. **Very Fine**. (250-450)

1838 **Vallejo** - $10.00 Ty. 1 **Mechanics & Merchants NB** Ch. # 13368

Decent **Fine** example from this Solano County community. (100-200)

1839 **Whittier Pair**

Whittier - $5.00 Ty. 1, $10.00 Ty. 1 **The Whittier NT & SB** Ch. # 7999

A nice high grade group with both titles used by this bank in small size. (7 pieces) (125-175)

COLORADO

1844 **Colorado Springs** - $10.00 1902 Fr. 635 **The City NB** Ch. # 6238

The rarest of Colorado Springs' five issuing banks. It has been over five years since any example from this bank has appeared at public sale, and that offering was of a small size note. **Fine**, with strong pen signatures, likely to see considerable bidding before ending in the range of… (500-1000)

1845 **Colorado Springs** - $5.00 1902 Fr. 600 **The Colorado Springs NB** Ch. # 8572

Well circulated but intact **Very Good**. (60-100)

1846 **Florence** - $10.00 Ty. 1 **The First NB** Ch. # 5381

A very scarce Colorado location. Nice **Fine**, with a tiny chip out of the lower left corner. (250-450)

1847 **Julesburg** - $10.00 Ty. 1 **The First NB** Ch. # 8205

A seldom offered Colorado location. **Very Good+**. (175-325)

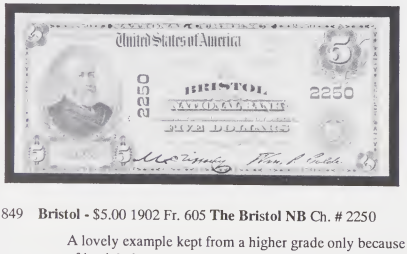
1848 **Likely Unique Colorado Rarity**

Platteville - $10.00 1902 Date Back Fr. 618 **The Platteville NB** Ch. # (W)9451

We have always hesitated to use the word unique when it comes to Nationals, but in this case we feel confident in taking that risk. This tiny bank issued large notes only, although it went through to 1935, and in that year had the grand total of $230 in large notes outstanding. Our records of over 170,000 offerings indicate that this newly discovered note is the sole example from here ever offered at public sale, and we neither know of or have heard of any notes on this bank in any of the Colorado collections we have surveyed. Pen signed **Fine-Very Fine**, a true miracle of survival deserving of a place in a truly great collection. (1500-3000)

CONNECTICUT



1849 **Bristol -** $5.00 1902 Fr. 605 **The Bristol NB** Ch. # 2250

A lovely example kept from a higher grade only because of its tight bottom margin. If printing quality and brightness were the sole determinant of grade this would be a flaming Gem. **Crisp Uncirculated**. (150-300)

DELAWARE

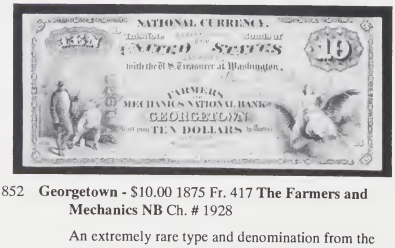
1850 **Middletown -** $10.00 1902 Date Back Fr. 616 **The Peoples NB** Ch. # (E)3019

An extremely scarce Delaware bank which issued large notes only. We have recorded only two offerings from here of any kind, the last coming over a decade ago when the Hance Jacquette collection of Delaware material was sold at auction. Well circulated but intact **Very Good**, with a few short tears at the bottom margin. (250-500)

1851 **Wilmington -** $10.00 1902 Fr. 625 **The Central NB** Ch. # (E)3395

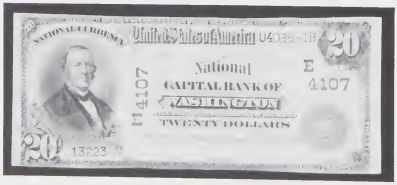
A scarce and underrated state for any large size notes. This example is a nice, evenly circulated **Fine**, with purple signatures and nary a problem of any sort. (150-250)

DISTRICT OF COLUMBIA



1852 **Georgetown -** $10.00 1875 Fr. 417 **The Farmers and Mechanics NB** Ch. # 1928

An extremely rare type and denomination from the District, and in fact the first 1875 $10.00 we have ever handled from here. Pen signed **Very Fine**, a great note worthy of the finest collection. (750-1250)

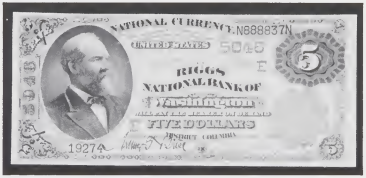


1853 **Washington -** $20.00 1902 Fr. 652 **The National Capital Bank** Ch. # (E)4107

A much scarcer District bank which elected to issue large notes only. This is one of the nicest we've seen. **Fine-Very Fine**. (250-450)

1854 **Washington** - $20.00 1902 Fr. 654 **The Lincoln NB** Ch. # (E)4247

Another unusually high grade example from this scarcer District bank. **Very Fine+**. (175-350)



1855 **Washington** - $5.00 1882 Fr. 474 **The Riggs NB** Ch. # (E)5046

A lovely District of Columbia Brown Back, and quite scarce in this condition. From the centering to the signatures, this is a first rate example which would fit nicely into any collection. **Choice Crisp Uncirculated**. (700-1100)

1856 **Washington** - $5.00 1882 Date Back Fr. 534 **The Riggs NB** Ch. # (E)5046

A seldom seen Washington type in better than average grade. **Fine+**, with good signatures. There is one tiny tear at the top and a few totally inconsequential pinholes mentioned solely for the sake of accuracy. (250-450)

HAWAII

1857 **Honolulu** - $50.00 Ty. 1 **Bishop First NB** Ch. # 5550

Always popular example from this territory. **Very Good**, with more than a few pinholes. (150-250)

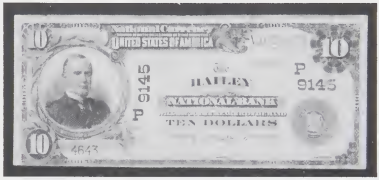
1858 **Honolulu** - $5.00 Ty. 2 **Bishop NB of Hawaii** Ch. # 5550

Third and last title used by this bank. **Very Fine**, easily worth... (100-150)

IDAHO

1859 **Ashton** - $5.00 1902 Fr. 602 **The First NB** Ch. # 10269

A very rare Idaho location. Unfortunately, this is less than a perfect example, with a substantial piece missing from the lower right side. The 90+ per cent of the note which remains is a decent **Very Good**. (150-300)



1860 **Hailey** - $10.00 1902 Fr. 626 **The Hailey NB** Ch. # (P)9145

An excessively rare note from an extremely rare town. We have recorded no offerings of any kind from this bank for almost ten years, and a total of only three appearances over a 50 year period. **Very Good+**. (600-1000)

Excessively Rare Idaho Sheet

1861 **Rexburg -** $5.00 1902 Date Back Fr. 590 **First NB** Ch. # (P)7133 Uncut Sheet

A wonderful item which may well be the only large size uncut sheet ever offered at public sale from this rare state. About three years ago, three uncut sheets from a banker's estate in Rexburg were discovered and sold. Of those three sheets, one, a serial number 1 Red Seal sheet, was cut, and the notes sold to four different collectors. A second sheet, three tens and a twenty, was sold privately, and remains uncut. This is the third sheet. Although folded between the notes, each note is a blazer, the first with just a touch of handling, the bottom three Gems. Overall call the sheet **Uncirculated**, a great opportunity to obtain a large Idaho sheet which may never again be repeated. (5000-8000)

Lot #1862

1862 **Saint Anthony -** $20.00 1902 Fr. 650 **The Commercial NB** Ch. # 7230

An extremely rare bank which is perhaps unique in large size. Our records indicate that all of the offerings from this bank have been of small size examples, with even the last of those coming back in 1978. This example is an evenly circulated **Fine**, with no problems whatsoever. Considering the dearth of rare Idaho notes offered of late, a liberal bid is suggested to bring this rarity home. (900-1500)

1863 **Salmon -** $20.00 Ty. 1 **The Citizens NB** Ch. # 9432

Not a rare bank, but this is one of the highest grade notes we've seen from this always popular location. **Very Fine+**, with plenty of the original crispness remaining. (225-450)

ILLINOIS

1864 **Belleville -** $10.00 1902 Fr. 632 **The St. Clair NB** Ch. # (M)11478

This is actually quite a scarce bank in large size,with only a handful of examples reported to date. The signers here, Arthur Eidman and W. Reichert, also signed the small notes offered below. **Very Good-Fine**. (100-150)

1865 **Small Belleville Pair**

Belleville - $10.00 Ty. 1, $20.00 Ty. 1 **The St. Clair NB** Ch. # 11478

While not as scarce as the large notes from this bank, small Belleville examples are not exactly common either. The $10.00 grades a nice **Fine-Very Fine**, the $20.00 **Very Fine** but with some light foxing in the margins. (2 pieces) (100-150)

1866 **Charleston -** $20.00 Ty. 2 **The Charleston NB** Ch. # 14024

A very scarce 14000 charter in absolutely top grade. **Extremely Fine+**. (200-400)

1867 **Chicago** - $20.00 1902 Red Seal Fr. 639 **The Commercial NB** Ch. # (M)713

Excellent color, signatures, and centering on this attractive Red Seal. **Fine**, a perfect example for type. (175-275)

Choice Crisp Uncirculated, better centered than most from here. (50-75)

1869 **Chicago** - $5.00 1902 Fr. 608 **Alliance NB** Ch. # (M)12001

Attractive **Crisp Uncirculated**, with a bit of teller handling and one corner tip fold. (100-150)

1870 **Chicago** - $20.00 Ty. 1 **Alliance NB of Chicago** Ch. # 12001

A **Gem Crisp Uncirculated** example from this common bank. (60-100)

1871 **Chicago** - $5.00 1902 Fr. 609 **The Lawrence Avenue NB** Ch. # 12873

The only denomination issued by this neighborhood bank. Nice **Extremely Fine**. (75-125)

1872 **Chicago** - $100.00 Ty. 2 **The Live Stock NB of Chicago** Ch. # 13674

A scarcer type from a common bank. **Extremely Fine**. (300-500)

1873 **Freeburg** - $10.00 1902 Date Back Fr. 617 **The First NB** Ch. # (M)7941

This St. Clair County example is quite scarce in large size. Pen signed **Very Good**, with a corner tip off and a long tear into the right side. (100-150)

1874 **Golconda** - $10.00 Ty. 1 **The First NB** Ch. # 7385

An extremely scarce bank which has had only four appearances of any kind at public sale, the last coming in 1987. Pleasing **Very Fine**. (150-300)

1875 **Macomb** - $20.00 Ty. 1 **The Macomb NB** Ch. # 9169

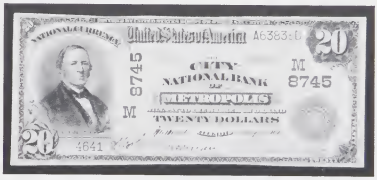
Attractive and well centered **Crisp Uncirculated** example. (75-125)

1876 **Madison** - $10.00 1902 Fr. 618 **The First NB** Ch. # (M)8457

From Madison County across the river from St. Louis. This is a tough note to find in large size. **Very Good**. (100-200)

1877 **Marissa** - $10.00 Ty. 1 **The First NB** Ch. # 6691

A beautiful example from this very scarce and in demand location. If a finer note from Marissa exists, we have yet to see it. **Crisp Uncirculated**. (400-800)

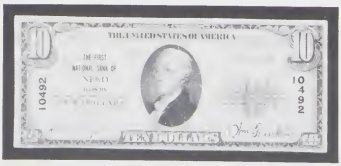


1878 **Metropolis** - $20.00 1902 Fr. 652 **The City NB** Ch. # (M)8745

A super note from this "super" location. We've not ever seen a higher grade large note from here than this newly discovered example. Bright **Very Fine-Extremely Fine**, with two color pen signatures, a premium example if ever there was one. (250-450)

1879 **National Stock Yards** - $20.00 1902 Date Back Fr. 644 **The National Stock Yards NB** Ch. # (M)9118

This bank was chartered in 1908 to assist cattleman and butchers at the stock yards located in the north end of the city of East St. Louis. Although the bank lasted until 1926, it elected to issue notes only until 1917. **Very Good-Fine**, with clear signatures. (125-250)



1880 **Nebo** - $10.00 Ty. 1 **The First NB** Ch. # 10492

Although a handful of notes are known from this one bank location, it has been almost 15 years since the last appearance of any note from here at public sale. This is the first example from this obscure location we have handled, and, if rarity is any guide, we would not be surprised if it were the last. Attractive **Fine+**. (200-400)

1880A **Nokomis** - $20.00 1902 Fr. 650 **The Farmers NB** Ch. # 7547

An attractive and evenly circulated example from the scarcer of the two banks chartered here. Pen signed **Fine-Very Fine**. (175-350)

1881 **Pana** - $10.00 1902 Fr. 624 **The Pana NB** Ch. # 6734

A scarcer large note from Christian County in central Illinois. **Fine**, or a bit better. (125-250)

1882 **Rantoul** - $5.00 Ty. 2 **The First NB** Ch. # 5193

Attractive **Choice Crisp Uncirculated**, quite well centered as well. (100-150)

1883 **Rock Island** - $50.00 1902 Date Back Fr. 671 **The Rock Island NB** Ch. # (M)1889

An extremely scarce bank which issued high denomination examples only after the First Charter period. This Illinois city has always been one of the most difficult in the state from which to obtain an note, not surprising in view of the fact that none of the three banks chartered there survived past 1926. **Fine** or a bit better, with a few traces of an old paper clip stain. (450-900)

1884 **Sandoval** - $10.00 Ty. 2 **The First NB** Ch. # 9786

Nice **Fine+** Type 2 example from the only bank to issue in this small southern Illinois location. (100-200)

1885 **No Lot**

1886 **Toluca** - $5.00 1902 Fr. 606 **The Citizens NB** Ch. # 11333

An excessively rare and newly discovered wonder note. We have seen no other large notes from this tiny rural bank ever offered publicly prior to this example. The bank was one of the smallest in the state to issue, with a total circulation of only $5,000 and an incredible low $250 in large notes outstanding in 1935. This beautiful example was obviously a keepsake, as it is signed by the Vice President in red ink and the cashier in black ink. The note also retains the full top selvage as well. **Crisp Uncirculated**, with only the most minor handling removing this from grading Choice or better, a truly great item fit for the finest of collections. (900-1500)

1887 **Tuscola** - $50.00 Ty. 1 **The First NB** Ch. # 1723

Fifties and hundreds only in small size from this bank and, with a total issue of only 211 sheets, not many of those. **Very Good**. (125-250)

INDIANA

1888 **Indianapolis** - $50.00 Ty. 2 **American NB** Ch. # 13759

A perfectly centered example with a light fold. **About Uncirculated**. (400-600)

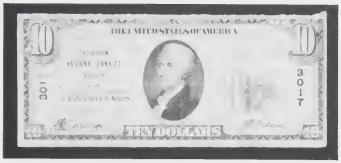
1889 **Lebanon** - $2.00 Original Fr. 389 **The First NB** Ch. # 2057

A difficult note to describe fairly. This is a high grade Lazy two with virtually no traces of any real circulation, but the red overprint is quite muted and the note itself somewhat aged. The margins, on the other hand, are more than acceptable for a note of this type. **About Uncirculated**, likely to see a winning bid in the range of… (1000-1500)

1890 **Rushville** - $10.00 1920 Fr. 628 **The Rush County NB** Ch. # 1869

Evenly circulated **Fine** example. (60-100)

IOWA

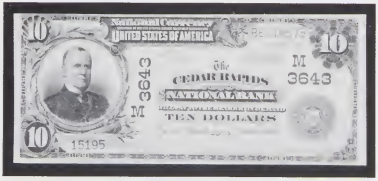


1891 **Ames** - $10.00 Ty. 1 **The Union NB** Ch. # 3017

A circulated serial number 1 example from this very scarce Ames bank. **Very Good-Fine**. (200-400)

1892 **Aurelia** - $10.00 Ty. 1 **The First NB** Ch. # 7108

An attractive serial number 1 example from this small town bank. It is signed as President by James F. Toy, who also served as the President of the Toy National Bank of nearby Sioux City. **Extremely Fine-About Uncirculated**. (350-550)



1893 **Cedar Rapids** - $10.00 1902 Date Back Fr. 618 **The Cedar Rapids NB** Ch. # (M)3643

An absolutely beautiful Date Back example with super freshness and embossing. **Choice Crisp Uncirculated**, just a touch close at the upper left margin for Gem. (250-450)

Currency Auctions of America, Inc. is pleased to announce that our next public auctions will take place in Orlando, in January of 1996 and in Chicago, in May of 1996!

1894 **Davenport** - $100.00 1902 Fr. 698 **The First NB** Ch. # 15

A scarce type from this low charter bank. **Choice About Uncirculated**, a nice example for any state or type set. (900-1400)

1895 **De Witt** - $10.00 1902 Fr. 624 **The First NB** Ch. # (M)3182

Attractive large examples from this eastern Iowa community. Pen signed **Very Fine**. (100-150)

1896 **George** - $20.00 Ty. 1 **The First NB** Ch. # 9910

A very scarce NW Iowa bank with a great town name. **Very Good-Fine**. (200-400)

1897 **Knoxville** - $2.00 1875 Fr. 391 **The Marion County NB** Ch. # 1986

A very scarce Iowa type on a very scarce Iowa bank. We have recorded only three offerings of any kind from this bank over the past five decades. This is an attractive Deuce with good color and excellent margins. **About Fine**. (600-1000)

1898 **Lake City** - $20.00 1902 Fr. 657 **The First NB** Ch. # 4966

A scarce and seldom offered note from Calhoun County. **Fine**, with purple stamp signatures. (200-300)

1899 **Oelwein** - $20.00 1902 Fr. 659 **The First NB** Ch. # 5778

An absolutely lovely note the likes of which are so seldom available on today's market. Perfectly centered **About Uncirculated**, but with the color and quality of a flaming Gem, particularly the overprint and signatures, which are purple stamped and incredibly bright. If you appreciate quality, you will certainly like this note. (175-325)

1900 **Waverly** - $10.00 Ty. 1 **The First NB** Ch. # 3105

Well centered **Crisp Uncirculated**, although it does have one pinhole. (75-125)

KANSAS

1901 **Cherryvale** - $10.00 1902 Fr. 628 **The Montgomery County NB** Ch. # (W)4749

Evenly circulated **Fine+** example. (100-200)

1902 **Clifton** - $10.00-$10.00-$10.00-$20.00 Red Seals Fr. 613/639 **The First NB** Ch. # (W)7178

This Red Seal sheet is folded between (and into) the notes, but is quite bright and makes an excellent appearance. But for the folds and a bit of handling, each of the notes is **Uncirculated**, making this a perfect Red Seal sheet for the collector who just wants one. (1750-3500)

1903 **Moline** - $20.00 Ty. 2 **The First NB** Ch. # 7318

A better type from this location. **Very Good-Fine**, with a pencilled number on the face. (75-1250)

1904 **Pratt** - $5.00 Ty. 1 **First NB** Ch. # 6229

Tougher small Kansas note in decent grade. Nice **Fine**. (50-100)

Gem Crisp Uncirculated; a perfect type example. (40-80)

1906 **Lexington** - $20.00 Ty. 2 **First NB and TC** Ch. # 906

Gem Crisp Uncirculated, as nice as they come. (75-125)

1907 **Kentucky Pair**

Covington - $5.00 1902 Fr. 598 **The First NB & TC** Ch. # 718 **F+**

Paintsville - $5.00 1902 Fr. 608 **The Paintsville NB** Ch. # 6100 **VG+**

Two pieces. (125-175)

LOUISIANA

1908 **Monroe** - $20.00 Ty. 1 **The Ouachita NB** Ch. # 13655

A very scarce charter which is seldom offered, as evidenced by the fact that the last offering of any example on the bank came back in a 1984 auction. Nice **Fine**. (125-250)

MAINE

1909 **Damariscotta** - $10.00 Ty. 1 **The Newcastle NB** Ch. # 953

We've had several notes from Damariscotta's other issuing bank, but we did not remember handling a note from this bank when it was consigned to us. A look at our records showed why: the last (and only) appearance at public sale of any note from here was in a 1951 Abe Kosoff auction sale. **Very Fine-Extremely Fine**, a great note certainly worth buying now rather than waiting for another 44 years. (600-1200)

1910 **Houlton** - $20.00 Ty. 1 **The First NB** Ch. # 2749

Tougher small note from Aroostook County in northern Maine. **Very Good**. (100-150)

1911 **Norway** - $20.00 Ty. 2 **Norway NB** Ch. # 13750

Low grade but extremely scarce, with the last offering from here coming on a 1983 fixed price list. **Good-Very Good**, with a bit of margin fraying on the left. (150-300)

1912 **Saco** - $10.00 Ty. 2 **The York NB** Ch. # 1525

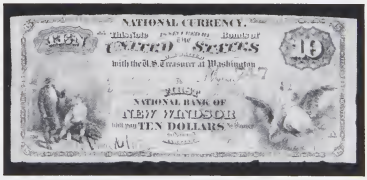
A beautifully centered example, fully Gem but for a couple of totally inconsequential handling marks. (125-250)

1913 **Waldoboro** - $5.00 1902 Red Seal Fr. 587 **The Medomak NB** Ch. # (N)1108

This example is the first Maine Red Seal in decent grade we have had to offer for many years. Red Seals from this state are just plain unavailable, so we suggest a liberal bid to bring this example home. Nice pen signed **Fine**, with good color for the grade. (800-1400)

MARYLAND

Two Rare Maryland Notes



1914 **New Windsor** - $10.00 1882 Fr. 480 **The First NB** Ch. # 747

An extremely rare note, despite an issue that ran from 1864 through 1933. In over 170,000 listings of notes offered for sale from 1945 through 1995, there was a total of only one offering from 1967 to date, that being a Fine blue seal which we sold two years ago. That example fetched $632.50. This Brown Back, which is the first early note we've seen from here, would not surprise us by bringing that figure or more. **Very Good**. (450-900)

1915 **Westminster** - $5.00 Original Fr. 397 **The First NB** Ch. # 742

A very attractive First Charter Maryland example. **About Uncirculated**. (600-1000)

MASSACHUSETTS

1916 **Boston -** $1.00 Original Fr. 380 **The National Union Bank** Ch. # 985

A bright **Very Fine** example with full margins, a perfect type note. (175-325)

1917 **Boston -** $5.00 1902 Fr. 609 **The Brotherhood of Locomotive Engineers NB** Ch. # 12540

This is the first of a specialized collection of Transportation Brotherhood notes we are offering in this sale. These banks, the best known of which is the Brotherhood of Locomotive Engineers Cooperative NB of Cleveland, were formed from 1920 through 1925 as part of a concerted plan after feelings arose amongst the transportation unions that the borrowing and banking needs of their membership were not being met by the established commercial banks of the day. Unfortunately, many of the banks formed by the unions were undercapitalized and engaged in dubious lending practices, and by 1932 most of the brotherhood banks had disappeared. This bank is one of the scarcer examples of its genre, particularly in large size. **Very Good-Fine**. (100-200)

1918 **Boston -** $5.00 Ty. 1 **The Engineers NB** Ch. # 12540

Pleasing **Fine** example with the second title used by the bank. (75-125)

1919 **East Hampton -** $10.00 Ty. 2 **The First NB** Ch. # 428

Choice Crisp Uncirculated. (35-55)

1920 **Falmouth -** $10.00 1902 Fr. 624 **The Falmouth NB** Ch. # 1320

This is just a plain rare note in a state that does not have too many of those. Despite an issue that spanned the entire note issuing period, we have not recorded an appearance of any kind from here since our price list of September 15, 1978. Evenly circulated **Very Good-Fine**, with good signatures and no problems whatever. (150-300)

1921 **Haverhill -** $5.00 Ty. 1 **The First NB** Ch. # 481

The note has some ripples, but there is no sign whatever of circulation. **Crisp Uncirculated**. (50-90)

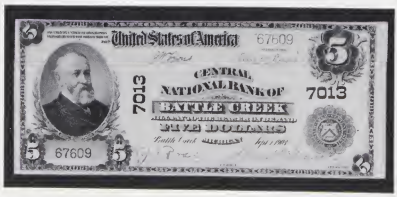
1922 **Lee -** $1.00 Original Fr. 380 **The Lee NB** Ch. # 885

Easily the nicest early note we've seen from this bank, which features a neat three letter town name. **Fine-Very Fine**. (175-325)

1923 **Williamstown -** $10.00 1902 Fr. 624 **The Williamstown NB** Ch. # (N)3092

A scarce western Massachusetts bank, particularly in large size. **Very Good**. (75-150)

MICHIGAN



1924 **Battle Creek -** $5.00 1902 Fr. 598 **Central NB** Ch. # 7013

The only example we've seen even remotely approaching this grade. **Choice Crisp Uncirculated**, a Gem but for the lightest of handling. This is sure to please even the most demanding of collectors. (400-800)

1925 **Birmingham** - $50.00 Ty. 2 **The Birmingham NB** Ch. # 13703

A great combination of an excessively rare type from an excessively rare bank with enough grade to really matter. This suburban Detroit bank issued Type 2 examples only, with a total of only 108 fifties emitted. Our records of over 170,000 offerings indicate only two appearances of any kind from this bank over the past five decades, the last of which was at auction almost 10 years ago. **About Uncirculated**, a great note worthy of a strong bid. (900-1400)

1926 **Jackson** - $5.00 1902 Fr. 606 **National Union Bank** & TC Ch. # 11289

A bit close on the bottom margin, but other than two sharp folds this note exhibits virtually no traces of circulation. **Choice Extremely Fine**. (125-225)

Scarce Marine City Pair

1927 **Marine City** - $5.00 Ty. 1 **The Liberty NB** Ch. # 11260

A very tough small size note from a bank which went out early in 1933. **Very Good-Fine**, with a small interior tear. (125-225)

1928 **Marine City** - $10.00 Ty. 1 **The Liberty NB** Ch. # 11260

Nice **Fine-Very Fine** example of this elusive note. (175-275)

1929 **Menominee** - $20.00 1902 Fr. 653 **The Lumbermen's NB** Ch. # 4454

Pleasing **Very Fine-Extremely Fine** example with a nice occupational title. (100-150)

A Small Port Huron Group

1930 **Port Huron** - $20.00 Ty. 1 **First NT & SB** Ch. # 4446

The nicest note in the group, and the example with the best margins as well. **Choice Crisp Uncirculated**. (100-150)

1931 **Port Huron** - $20.00 Ty. 1 **First NT & SB** Ch. # 4446

There is some handling on each of the two notes, but both are **Uncirculated**. (2 pieces) (120-180)

1932 **Port Huron** - $20.00 Ty. 1 **First NT & SB** Ch. # 4446

Four pieces, each basically new but with too much handling to grade any higher than **About Uncirculated**. (175-275)

1933 **Richmond** - $10.00 Ty. 1 **The First NB** Ch. # 10742

A very scarce note with only a handful of appearances in the past five decades. **About Fine.** (150-300)

1934 **Some Tougher Michigan Notes**

Plymouth - $5.00 Ty. 1 **First NB** Ch. # 12953 **F-VF**

St. Ignace - $20.00 Ty. 1 **First NB** Ch. # 3886 **VG-F**

St. Joseph - $20.00 Ty. 1 **Commercial NB** & TC Ch. # 5594 **F**

Ypsilanti - $10.00 Ty. 1 **First NB** Ch. # 155 **VG** washed

Total four pieces. (225-375)

1935 **Calumet** - $10.00 Ty. 1 **First NB** Ch. # 3457 **F**

Crystal Falls - $10.00 Ty. 1 **Crystal Falls NB** Ch. # 11547 **F**

Detroit - $50.00 Ty. 1 **Guardian NB of Commerce** Ch. # 8703 **F-VF**

$5.00 Ty. 1, $10.00 Ty. 1 **First Wayne NB** Ch. # 10527 **VF, EF**, pinholes

Grand Rapids - $50.00 Ty. 1 **Grand Rapids NB** Ch. # 3293 **F**

Kalamazoo - $20.00 Ty. 1 **First NB** & TC Ch. # 191 **EF**

Lansing - $5.00 Ty. 1 **City NB** Ch. # 3513 **F**

Total eight pieces. (250-300)

MINNESOTA

1936 **Albert Lea** - $10.00 1902 Fr. 634 **The Citizens NB** Ch. # (M)6128

An excessively rare bank which issued large notes only before liquidating in 1927. Our records of over 170,000 offerings reveal that the last of only two previous appearances of any kind from this bank occurred on a fixed price list back in October of 1973. **About Fine**, a rare item likely to see considerable interest. (250-500)

1937 **Austin -** $10.00 Ty. 1 **The Austin NB** Ch. # 4131

A scarce and seldom offered Austin bank which has had only a handful of offerings over the years, and signed by female cashier Alise Dee as well. **Fine-Very Fine**. (150-250)

1938 **Cloquet -** $20.00 1902 Fr. 659 **The First NB** Ch. # 5405

While small size notes from here are abundant, this is not a common bank in large. **Fine**, with pen signatures. (100-150)

1939 **Delano -** $5.00 1902 Date Back Fr. 593 **The First NB** Ch. # (M)9903

An extremely rare note for which we have absolutely no record of any prior offerings, but in pretty deplorable condition. Actually, the grade here appears to be in inverse proportion to the note's rarity. **Fair**, with extensive tape stains, tears, and sundry other impediments, but a good space filler until a better one comes along, whatever the decade. (100-200)

Jeffries-Spinner Minnesota Rarity

1940 **Faribault -** $5.00 Original Fr. 398 **The First NB** Ch. # 1686

A great rarity from Minnesota or any other state, as this note bears the Jeffries-Spinner signature combination, easily the most difficult of any combination to obtain. Only a relative handful of banks were chartered during this duo's term of office, with the First NB of Faribault one of only three in the state which could have issued using this combination. To our best knowledge, it is also the only bank in Minnesota from which any of the Jeffries-Spinner examples are known. **Very Fine**, with excellent colors, signatures, and margins, a classic rarity fit for the finest of collections. (1500-2500)

1941 **Minneapolis -** $5.00 1902 Fr. 609 **The Transportation Brotherhoods NB** Ch. # 12282

This has always been one of the scarcest of the transportation union banks to obtain. The bank issued fives only, and, in our data bank of over 170,000 note appearances, we have recorded a grand total of only four offerings of any kind from here. **Very Good-Fine**, with one tiny corner tip off, still quite attractive for the grade. (200-400)

1942 **South St. Paul -** $20.00 Ty. 1 **Stock Yards NB** Ch. # 6732

Nice title highlights this always popular note. **Fine**. (100-150)

1943 **West Concord -** $10.00 1902 Fr. 633 **The First NB** Ch. # 5362

A tougher large note from Dodge County in SE Minnesota. **Very Good**, with bold purple stamp signatures. (125-250)

1944 **West Concord -** $10.00 Ty. 1 **The First NB** Ch. # 5362

Not quite so scarce as the large note offered above, but somewhat nicer in appearance. **Fine**. (100-200)

MISSISSIPPI

1945 **Gulfport -** $5.00 Ty. 1 **The First NB** Ch. # 6188

A tougher denomination from this elusive bank. Nice **Fine**. (100-150)

MISSOURI

1946 **Braymer -** $20.00 Ty. 1 **The First NB** Ch. # 7351

Only bank to issue from this NW Missouri locale. **About Fine**. (75-125)

1947 **Centralia -** $10.00 1902 Fr. 624 **The First NB** Ch. # 6875

One of the nicer large notes we've seen from this tougher Boone County location. **Fine**, with two color pen signatures. (150-300)

1948 **Dexter -** $5.00 Ty. 1 **The First NB** Ch. # 11320

A tougher note from one of the very few banks to issue in the bootheel area of the state. **Very Good**. (100-150)

1949 **High Denomination Joplin Pair**

Joplin - $50.00 Ty. 1 **Joplin NB & TC** Ch. # 4425

$50.00 Ty. 1 **Conqueror First NB** Ch. # 13162

One each of these tougher high denominations, the first **About Fine**, the second **Fine** or so. (175-325)

1950 **Ludlow** - $20.00 1902 Fr. 651 **The First NB** Ch. # (M)7900

An extremely rare bank which was missing from the extensive Missouri collection we sold in 1990 and was represented only by a small size example in the Sweeney holdings. The considerably lower grade example we had from here in our Memphis 1994 auction realized $715.00, which this example is likely to meet or exceed. **Very Fine**, with good signatures, and one small paper pull on the reverse. (400-800)

1951 **Ludlow -** $10.00 1902 Fr. 626 **The Farmers NB** Ch. # 8657

Decent **Very Fine** example from this elusive bank. The signatures are visible, although considerably faded. (100-200)

1952 **Maplewood -** $20.00 Ty. 1 **The Citizens NB** Ch. # 12955

Somewhat tougher St. Louis suburban bank. **About Fine**. (60-100)

1953 **St. Louis-** $10.00 1902 Fr. 627 **The NB of Commerce** Ch. # 4178

The note is common, but it comes with an advertising mirror which is not. The mirror has the sailing ship emblem of the bank on the reverse. The note grades **Fine-Very Fine**, the mirror glass is cracked. (60-100)

1954 **St. Louis -** $10.00 1902 Fr. 632 **The State NB** Ch. # 5172

A fresh and attractive example with a minimum of handling. **Choice Crisp Uncirculated**, with great colors and signatures. (175-325)

1955 **St. Louis -** $20.00 1902 Fr. 661 **The Grand NB** Ch. # 12220

$10.00 Ty. 1 **The Grand NB** Ch. # 12220

The third title used by this bank. The large note grades **Very Good**, the small note grades a nice **Extremely Fine**. (2 pieces) (75-100)

1956 **St. Louis -** $5.00 1902 Fr. 609 **The Telegraphers NB** Ch. # 12389

One of the more obtainable of the union organized banks. **About Fine**. (50-100)

1957 **St. Louis -** $5.00 1902 Fr. 611 **South Side NB** Ch. # 13264

An extremely scarce large note from this late chartered bank. This example bears the Woods-Tate treasury signatures, used for less than seven months at the close of the large size issuing period. **Very Fine+**, a tough St. Louis issue worthy of a liberal bid. (150-300)

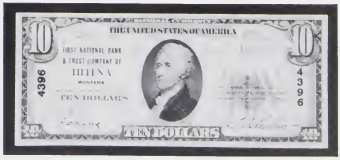
1958 **Versailles -** $20.00 1902 Fr. 650 **The First NB** Ch. # (M)7256

Fine overall, but there are a few margin chips out and a couple of margin splits. (100-150)

1959 **Wellston -** $20.00 Ty. 1 **The First NB** Ch. # 8011

From a small community just west of the St. Louis city limits. **Fine-Very Fine**. (50-80)

MONTANA



1960 **Helena -** $10.00 Ty. 2 **First NB & TC** Ch. # 4396

A lovely example which is by a considerable margin the finest Series 1929 note we've seen from the Montana state capital. This well centered piece is fully original and just a handling mark or two from Gem. **Choice Crisp Uncirculated**, the ultimate note for any state capital or state set. (450-750)

NEBRASKA

1961 **David City -** $20.00 1902 Fr. 650 **The First NB** Ch. # 2902

Decent **Fine** example with pen signatures. (75-125)

1962 **Gresham -** $20.00 Ty. 1 **The First NB** Ch. # 8172

A scarce small town bank which went into receivership in 1931. Before the receiver appeared, the bank issued 42 sheets of Type 1 twenties, and this example, bearing serial number E000042A, is from the last sheet issued from here. **Extremely Fine-About Uncirculated**, a real conversation piece and quite scarce as well. (150-300)

1963 **Hooper-** $10.00 1882 Value Back Fr. 577 **The First NB** Ch. # (W)5297

Tougher Nebraska type in surprisingly nice grade. Bright **Fine-Very Fine,** with blue pen signatures and very well centered for this issue. From our May, 1993 sale, where it sold for $270. (250-400)

1964 **Wood River -** $10.00 1902 Date Back Fr. 618 **The First NB** Ch. # (W)3939

A very well margined example perfect for type. **Choice Crisp Uncirculated**, with just the slightest traces of light aging. (250-450)

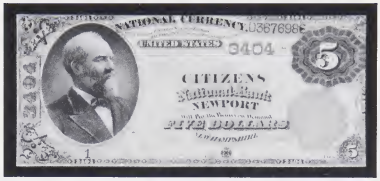
1965 **Wood River -** $10.00 1902 Date Back Fr. 618 **The First NB** Ch. # (W)3939

Another, from the same sheet, and just as nice. **Choice Crisp Uncirculated**, with just a few areas of light foxing. (250-450)

NEW HAMPSHIRE

1966 **Concord -** $5.00 Ty. 2 **The National State Capital Bank** Ch. # 758

A lovely state capital example, quite scarce in this state of preservation. A similarly graded example brought $412.50 in our last Orlando sale, and this bright **Choice Crisp Uncirculated** example should do about as well. (300-500)

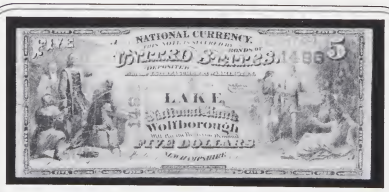


1967 **Newport -** $5.00 1882 Fr. 469 **The Citizens NB** Ch. # 3404

An extremely rare Brown Back serial number 1 example, which is the first such note we can recall seeing from this state. **Extremely Fine**, with the typical early close New England trim. (1000-1500)

1968 **Portsmouth** - $1.00 Original Fr. 380 **The First NB** Ch. # 19

A very scarce low charter note, from the original charter 19 bank which issued First Charter notes only before liquidating in 1882. **Fine**. (300-600)



1969 **Wolfborough -** $5.00 1875 Fr. 404 **The Lake NB** Ch. # 1486

This is easily the rarest New Hampshire note we have ever offered for sale. This bank issued FCP notes and Brown Backs only before its liquidation in 1893, and to date we have no record of any appearance of any note from this bank at public sale. If you are a serious collector of this state's notes, or the ultra rare from any bank appeals to you, this is a note you ought to buy. **Very Good-Fine**, with good signatures and excellent color for the grade. (1000-2000)

NEW JERSEY

1970 **Atlantic City -** $10.00 Ty. 1 **The Boardwalk NB** Ch. # 8800

This is actually a tougher type and denomination to obtain from this always popular bank. **About Uncirculated**. (100-150)

1971 **Bordentown -** $10.00 1902 Fr. 626 **The First NB** Ch. # 9268

Evenly circulated **Very Good-Fine** example from this scarcer Burlington County location. (125-225)

1972 **Camden -** $50.00 1902 Fr. 672 **The First National State Bank** Ch. # 1209

A very scarce denomination from here, with this example the first $50.00 we've had to handle. Pleasing **Fine**, although the margin is trimmed into the design at the top. (250-450)

1973 **Keyport -** $10.00 Ty. 1 **The People's NB** Ch. # 4147

A very scarce Monmouth County bank which has had but four appearances of any kind at public sale, the last an offering on our 61st fixed price list in January of 1989. Nice **Fine+**. (150-300)

1974 **Union City -** $5.00 Ty. 1 **The NB of North Hudson** Ch. # 9867

A tougher north Jersey bank with a neat title as well. **Fine**. (75-125)

NEW MEXICO

1975 **Albuquerque -** $20.00 1902 Fr. 660 **The First NB** Ch. # 2614

Higher grade than normal large note from here. **Very Fine**, with a tiny margin spot or two. (175-325)

1976 **Albuquerque -** $20.00 Ty. 1 **The First NB** Ch. # 2164

More than acceptable **Fine-Very Fine** example from this tough state. (100-150)

1977 **Artesia -** $20.00 Ty. 1 **The First NB** Ch. # 7043

1978 **Raton -** $10.00 Ty. 1 **First NB** Ch. # 12924

Tougher New Mexico specimen from a bank which issued Series 1929 notes only. **Fine+**. (150-250)

Evenly circulated **About Fine** example. (200-400)

NEW YORK

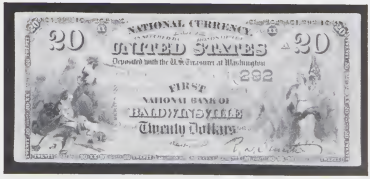
1980 **Albion -** $5.00 1882 Fr. 469 **The Orleans County NB** Ch. # 1509

A scarcer Albion bank which issued large notes only before bowing out in 1920. Pen signed **Very Good-Fine**. (150-300)

1981 **Baldwin -** $10.00 1902 Fr. 632 **The Baldwin NB** Ch. # 11474

This is easily the finest large note from this Nassau County location we have ever seen offered. Bright **Extremely Fine**, a premium example fit for the finest of Long Island collections. (450-900)

Rare Baldwinsville Pair



1982 **Baldwinsville -** $20.00 1882 Fr. 493 **The First NB** Ch. # 292

An excessively rare Syracuse area bank from which we have recorded only one other large note in more than 20 years of research. This attractive Brown Back is certain to please any collector. Pen signed **Fine-Very Fine**. (500-900)

1983 **Baldwinsville** - $20.00 Ty. 1 **The First NB & TC** Ch. # 292

One of the few New York banks which is just as rare in small size than large. This example makes a great match to the Brown Back offered above. Only a few years ago this bank was on the unknown list in small size, and, while no longer unreported, the total population in both large size and small can still be counted on the fingers of one hand. **Very Fine**. (250-500)

1984 **Bath** - $10.00 1902 Date Back Fr. 620 **The Bath NB** Ch. # (E)10235

A tougher note to find in large size. There are two pinholes and a few areas of very light aging, but this pen signed **Fine-Very Fine** is substantially above the average of notes from here. (100-200)

1985 **Buffalo** - $10.00 1882 Fr. 490 **The City NB** Ch. # 5174

A rare bank which was in existence for only two years before bowing out in 1901. **About Fine**. (200-400)

1986 **Canandaigua** - $10.00 Ty. 2 **The Canandaigua NB & TC** Ch. # 3817

Not a truly rare bank, but notes from here just do not show up regularly at all. **Very Good+**. (75-125)

1987 **Carmel** - $10.00 1902 Fr. 624 **The Putnam County NB** Ch. # 976

This lovely example is easily the highest grade large note from this small bank offered in the past decade. Pen signed by Leland and Clayton Ryder, the family which owned this institution right up through the 1970's, this **Extremely Fine** example is certain to please. (250-450)

1988 **Cato** - $10.00 Ty. 1 **The First NB** Ch. # 9857

A serial number 1 example from this very scarce bank. **About Fine**. (300-500)

1989 **Newly Discovered Chappaqua Pair**

Chappaqua - $10.00 Ty. 1 **The Chappaqua NB** Ch. # 12746

As we observed on the only occasion when we sold a note from this exclusive Westchester County community, this is one of the scarcest Westchester locations from which to obtain a note. Prior to the 1994 sale by us, the last public offering of any note from here had come back in 1973. We are pleased now to offer this newly arrived pair, which are easily the finest notes known from here. That they also come with serial number 2 is a fortunate bonus for the new owner. The top note is **Gem Crisp Uncirculated**, the bottom note **Choice Crisp Uncirculated** with a tiny chip out of the left margin not affecting the design. This great pair is certain to become one of the highlights of the collection it enters. (800-1400)

1990 **Cortland** - $10.00 1882 Fr. 487 **The NB of Cortland** Ch. # (E)2272

An attractive pen signed Brown Back from this county seat community. Nice **Fine+**. (200-300)

1991 **Cortland** - $10.00 1882 Date Back Fr. 542 **The NB of Cortland** Ch. # (E)2272

An attractive **Fine-Very Fine** second charter example from this upstate community. (125-225)

1992 **Delhi** - $20.00 Ty. 1 **The Delaware NB** Ch. # 1323

A lovely example from the Delaware County seat. **Choice Crisp Uncirculated**. (125-225)

1993 **Delhi** - $20.00 Ty. 1 **The Delaware NB** Ch. # 1323

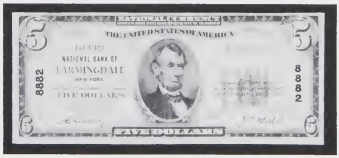
Another, also **Uncirculated**, but not nearly so well centered. (100-150)

1994 **Dover Plains** - $1.00 Original Fr. 380 **The Dover Plains NB** Ch. # 822

A very scarce early Dutchess County example, albeit rather low grade. Well circulated **Good-Very Good**, with a small corner off. (150-300)

1995 **Ellenville** - $10.00 1902 Fr. 628 **The Home NB** Ch. # (E)2117

Notes from this Ulster County community are scarce and in demand, as the supply never quite seems to catch up with the number of collectors from this area. Nice pen signed **Fine**. (200-300)



1996 **Farmingdale** - $5.00 Ty. 1 **The First NB** Ch. # 8882

A very rare note from this elusive Long Island community. The Sande example, which was much lower grade, fetched over $650 almost a decade ago. **Fine-Very Fine**. (400-800)

1997 **Fayetteville** - $5.00 Original Fr. 397 **The NB of Fayetteville** Ch. # 1110

Only two notes are known from this bank, with the other example, a Lazy Two in about the same condition as this, having sold for $2640.00 in the recent Shiva collection sale. That has brought this example, which for years has been in the possession of a dedicated collector, on the market at last. **Very Fine**, likely the last chance for many years to obtain an example from here. (1250-1750)

1998 **Forestville** - $20.00 Ty. 1 **The First NB** Ch. # 10444

A tougher small size note from Chatauqua County in the western part of the state. **Very Good-Fine**. (100-150)

1999 **Franklin** - $1.00 1875 Fr. 384 **The First NB** Ch. # 282

This is the sole First Charter example we've seen offered from this elusive Delaware County institution in the past several years. There are a few tiny splits at the folds, and a pinhole or two, but the color is exceptionally bright for the grade and there is a great Presidential vanity signature as well. **Fine**. (250-450)

2000 **Groton** - $10.00 Ty. 1, $10.00 Ty. 2 **The First NB** Ch. # 1083

An interesting and well matched two piece set, the first with W.B. Gale signing as cashier, the second with him signing as President and Manly M. Gale signing as cashier. The Type 1 is as nice **Fine**, the Type 2 **Very Fine**. (150-250)

2001 **Highland Falls** - $5.00 1902 Fr. 600 **The First NB** Ch. # 8850

Engraved bank signatures on this scarcer Orange County example. **Fine-Very Fine,** with just a touch of very light foxing. (150-300)

2002 **Attractive Serial Number 1 Liberty Note**

Liberty - $20.00 Ty. 1 **The NB of Liberty** Ch. # 10037

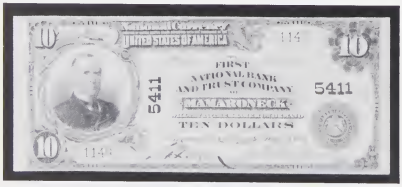
The top note from the first sheet of twenties issued by this always in demand bank. This piece is the only serial number 1 example of any kind from here we have seen or handled, and a liberal bid is suggested to bring this well centered **Crisp Uncirculated** example home. (400-800)

2003 **Lowville** - $50.00 Ty. 1 **The Black River NB** Ch. # 2426

We've had high denominations in large size before from this bank, but this $50.00 example is the first small size note we've had to offer in a high denomination. This is a very tough note and deserving of a strong bid. **Fine**. (200-400)

2004 **Lynbrook** - $5.00 1902 Fr. 607 **The Peoples NB & TC** Ch. # 11603

A far above average grade example from this popular Nassau County community. **Very Fine**, with engraved signatures. (300-500)



2005 **Mamaroneck** - $10.00 1902 Fr. 633 **The First NB & TC** Ch. # 5411

This Westchester County bank is just plain rare, with only three appearances of any kind at public sale, the last coming in a 1981 auction. This note, bearing the second and scarcer of the two titles used here, is also the highest grade large example we have seen. **Very Fine-Extremely Fine**, a great note worthy of a most liberal bid. (450-900)

2006 **Marion** - $10.00 Ty. 2 **The First NB** Ch. # 10546

This is a just plain rare bank in a town from which we have never previously offered a note of any kind. Nice **Fine+**, a great Wayne County example certain to see bids in the range of… (300-500)

2007 **Maybrook** - $5.00 Ty. 2 **The Maybrook NB** Ch. # 11927

The only denomination issued by this scarce Orange County bank. **Fine**, with just a bit of soiling on the face. (100-200)

2008 **Mechanicville** - $10.00 1902 Fr. 624 **The First NB** Ch. # (E)3171

This is a very scarce and underrated bank. Despite a fairly decent size issue over a relatively long period of time, notes from this community in general, and this bank in particular, are just plain tough to find. Our records, in fact, indicate just four offerings of any kind from here in the past five decades. **Fine**, likely to see some spirited bidding. (200-400)

2009 **Merrick** - $10.00 1902 Fr. 635 **The First NB** Ch. # 12503

An exceptionally rare and exceptionally appealing Nassau County note. Although circulated, this example has the brightness, color and freshness of a new note. With its pen signatures in bright blue ink, this Long Island note is a winner in every respect. **Very Fine+**, sure to please and worthy of a substantial bid. (450-900)

2010 **Middleville** - $10.00 Ty. 2 **The Middleville NB** Ch. # 11656

Pleasing **Fine-Very Fine** example from this Herkimer County location. (100-150)

2011 **Mount Vernon** - $5.00 1902 Fr. 607 **The First NB** Ch. # 5271

Attractive and evenly circulated **Fine** example, with clear signatures. There is one small bank stamped number on the reverse. (100-150)

2012 **New York City** - $5.00 1902 Fr. 598 **The First NB** Ch. # (E)29

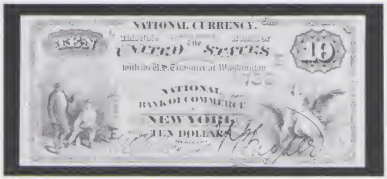
An attractive decently centered example with just the barest trace of a center fold. **About Uncirculated**, with bold vanity signatures of both officers. (100-150)

2013 **New York City** - $5.00 1882 Fr. 467 **The National Broadway Bank** Ch. # (E)687

A tougher New York City bank which issued only fives, fifties and hundreds in this series before liquidating in 1903. **About Fine**. (125-250)

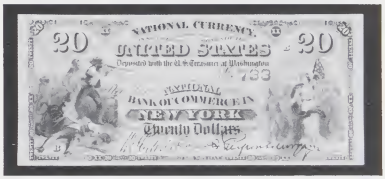
2014 **New York City** - $10.00 1882 Fr. 480 **The NB of Commerce** Ch. # 733

An absolutely beautiful Brown Back, with blazing colors, wonderful margins, and the J. Pierpont Morgan Vice Presidential signature. This would make a great type example in any collection. **Gem Crisp Uncirculated**. (700-1000)



2015 **New York City** - $10.00 1882 Fr. 480 **The NB of Commerce** Ch. # (E)733

A beautifully centered example of this classic type Brown Back. The colors are excellent, as are the signatures, rendering this a perfect example for type. **Choice Crisp Uncirculated**. (600-900)



2016 **New York City** - $20.00 1882 Fr. 494 **The NB of Commerce** Ch. # 733

An absolute Gem of a note with the biggest margins we can recall seeing on any $20.00 Brown Back. **Gem Crisp Uncirculated**, a perfect mate to the Gem $10.00 offered above and as nice as any example from here we've ever seen. (1000-1500)

2017 **New York City** - $1.00 1875 Fr. 383 **The Hanover NB** Ch. # 1352

An attractive FCP ace which would make an excellent example for type. **Very Fine**. (175-250)

2018 **New York City** - $10.00 1875 Fr. 418 **The Chase NB** Ch. # 2370

A very rare type and denomination from this otherwise available bank. In over 25 years of collecting and dealing in New York City notes, this is only the second such example we have handled. **Fine**. (350-700)

2019 **New York City** - $5.00 Ty. 1 **The Chase NB** Ch. # 2370

A rare National Bank Note error in the ultimate condition. There are a small handful of these shifted overprints in existence, but to our best knowledge none have been on the market in the past decade. **Choice Crisp Uncirculated.** (400-800)

2020 **New York City -** $10.00 1902 Red Seal Fr. 613 **The Maiden Lane NB** Ch. # (E)7107

One of the great titles in nationals, and a rare note as well, from a bank which issued Red Seals only during its little more than one year existence. The only other example which we have sold from this bank was in our first sale in 1990 in which a Fine+ specimen brought $852.50. This example is a pen signed **Crisp Uncirculated** piece worthy of the finest collection, and is likely to see some spirited competition in the range of… (1000-1500)

2021 **New York City -** $5.00 1902 Fr. 609 **The Jamaica NB** Ch. # 12550

A tougher Queens County bank which is seldom offered in large size. We've owned an uncut sheet from here, and a few singles are known, but this is a better note worthy of a liberal bid. **Fine+**, with two color pen signatures. (200-400)

2022 **New York City -** $5.00 Ty. 1 **The Kingsboro NB of Brooklyn** Ch. # 13304

One of the great rarities in New York notes, with this example the only small note from here on the market in the past 25 years. If you are a serious collector of Brooklyn material, this is a note that should be in your holdings. **Fine**. (400-700)

2023 **Oxford -** $10.00 1882 Fr. 479 **The First NB** Ch. # 273

A super fresh and attractive Brown Back with the much scarcer first layout used on this type. **Choice Extremely Fine**, with the color and brightness of a new note, a lovely example certain to please. (450-750)

2024 **Oxford -** $5.00 Ty. 2 **The NB of Oxford** Ch. # 14025

A very rare serial number 1 example from this 14000 charter bank. **Fine-Very Fine**. (350-700)

2025 **Port Chester -** $20.00 Ty. 2 **The First NB & TC** Ch. # 402

A very high grade serial number 2 example from this Westchester County location. **About Uncirculated**. (150-300)

Currency Auctions of America, Inc. is pleased to announce that our next public auctions will take place in Orlando, in January of 1996 and in Chicago, in May of 1996!

2026 **Port Henry -** $10.00 1902 Fr. 627 **The First NB** Ch. # (E)1697

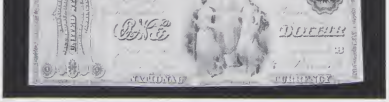
From the same sheet as the example we sold in the January, 1995 Orlando sale, which brought $467.50. This lovely example is every bit its equal. **Choice Crisp Uncirculated**, with deep bold colors and signatures, truly worthy of the finest of collections. (350-650)

2027 **Redwood -** $10.00 1902 Fr. 629 **The Redwood NB** Ch. # 10374

A very rare note from one of New York's smallest issuing banks. Three notes have been reported to date from here, including a serial number 1 example grading Extremely Fine which brought $1450 in a recent auction. While we do not expect that kind of result for this evenly circulated **Fine** example, we would not be surprised to see the hammer fall in the range of… (350-650)

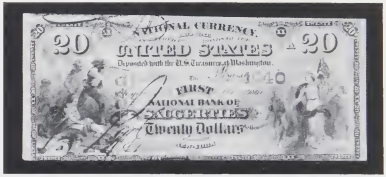
2028 **Rhinebeck -** $1.00 Original Fr. 380 **The First NB** Ch. # 1157

A scarcer Dutchess County FCP note from this bucolic community. **Very Good**, with a corner tip off and a few inconsequential repairs. (125-225)



2029 **Salem -** $1.00 1875 Fr. 385 **The NB of Salem** Ch. # 1127

A prohibitively rare note. This bank issued First Charter notes only, with its last (and only) appearance at public sale coming in an Abe Kosoff auction in October of 1951. The note is **Very Good** or so in appearance, but it is backed to mitigate the tears that are apparent on the face. The backing is paper and is, of course, removable. Hard to estimate, but for rarity alone it should be worth… (200-400)



2030 **Saugerties -** $20.00 1875 Fr. 432 **The First NB** Ch. # 1040

A very attractive First Charter twenty with great color and body for the grade. There are a couple of tiny and totally inconsequential interior splits, and the bottom margin is trimmed a bit tightly, but the overall appearance is outstanding. **Fine-Very Fine**, a very desirable type on a most collectible Ulster County location. (500-900)

2031 **South Otselic -** $10.00 1902 Fr. 624 **The Otselic Valley NB** Ch. # 7774

While small notes are available from here (see the following lot), large notes from this rural bank are actually quite scarce. **About Fine**, with purple stamp signatures. (100-200)

2032 **South Otselic -** $10.00 Ty. 1 **The Otselic Valley NB** Ch. # 7774

A well matched example to the large size note. **Fine**. (60-100)

2033 **Troy -** $10.00 1875 Fr. 416 **The United NB** Ch. # 940

A lovely example which makes the perfect note for type from this series. **Choice Extremely Fine**, with two color pen signatures, excellent margins and centering, and the brightness and appearance of a note which was printed yesterday. (750-1150)

Please check your bid sheet carefully to ensure against errors. We can not be responsible for your errors in bidding.

2034 **Troy** - $1.00 Original Fr. 380 **The National State Bank** Ch. # 991

There are some splits at the folds, and there are a few wallet stains on the reverse, but overall this serial number 1 ace is surprisingly well preserved for its grade. **Very Good**. (400-800)

2035 **Walkill** - $5.00 Ty. 1 **The Wallkill NB** Ch. # 10155

A very scarce Ulster County bank which we have not seen offered in several years. This example, like most from here, was cut but from the sheet by tearing it against a straight edge, leaving a close bottom margin and a bit of an irregular cut. **Fine-Very Fine**. (200-400)

2036 **Walton** - $20.00 Ty. 1 **The First NB & TC** Ch. # 4495

Nice **Fine+** example from this Delaware County location. (50-90)

2037 **New York Trio**

Roxbury - $10.00 Ty. 1 **NB of Roxbury** Ch. # 7678 **VG-F**, writing on reverse.

Springville - $10.00 Ty. 1 **Citizens NB** Ch. # 6330 **F**

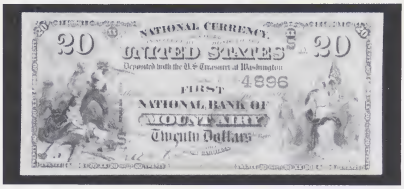
Troy - $5.00 1902 Fr. 598 **National City Bank** Ch. # (E)7612 **VF**

Total three pieces. (100-150)

NORTH CAROLINA

2038 **Kings Mountain** - $20.00 1882 Value Back Fr. 581 **The First NB** Ch. # (S)5451

A rare type from this state, and from a very scarce bank as well. **Very Good+**, likely to see considerable interest as good notes from this state are few and far between. (350-700)



2039 **Mount Airy** - $20.00 1882 Fr. 499 **The First NB** Ch. # (S)4896

A truly exceptional note combining excessive rarity with unusual beauty, a most unusual circumstance from this state. In over 170,000 offerings covering a period of over five decades of both auction and fixed price listings, we have never seen a single example from this one bank town offered to the collecting fraternity. While rarity is of the utmost importance, this example also offers the opportunity to obtain an unusually high grade Brown Back $20.00 from this very tough state as well. This note is an exceptionally well margined piece with great color and body. **Very Fine-Extremely Fine**, fully original and as nice a North Carolina note as we've seen in many years. (1000-1500)

1882 Date Back Pair

2088 **New Bloomfield** - $5.00 1882 Date Back Fr. 537 **The First NB** Ch. # (E)5133 Uncut Pair

A great item which is the only number one Date Back pair which we are aware of. There is a bit of wear and some folding at the selvage at the top, and there is a fold between each note, but the two number 1 notes themselves are beautiful, each having the brightness and color of a note printed this morning. Each is pen signed and each is **Crisp Uncirculated** but for the fold that divides them. This rarity is certainly an item worthy of the finest collection. (2250-3750)

2105 **North Providence -** $2.00 1875 Fr. 391 **The Slater NB** Ch. # 856

In over 170,000 listings of notes offered for sale during the past 50 years, we have exactly one (1) record of any offering from this bank, with that coming over 15 years ago. Even if this were a common bank a Vermont deuce in this grade would be an event for celebration, but from a bank which issued First Charter notes only it is truly noteworthy. Attractive **Fine-Very Fine**, with the typical close New England trim, a great note certain to see some spirited bidding. (1000-2000)

2129 **North Bennington -** $5.00 Ty. 1 **The First NB** Ch. # 194

The top note on the first sheet of fives issued by this small bank. This serial number 1 example would be Gem but for its one fold. **About Uncirculated**, a scarce item from this state. (400-800)

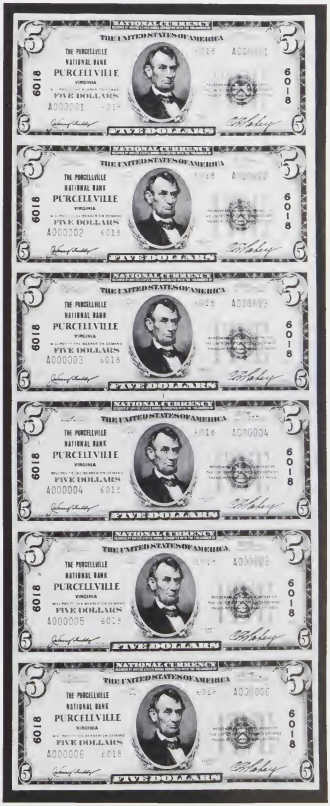
VIRGINIA

2130 **Blackstone -** $5.00 1902 Fr. 600 **The First NB** Ch. # (S)9224

Well circulated but intact **Very Good** southern Virginia example. (100-200)

2131 **Onancock -** $10.00 1902 Fr. 631 **The First NB** Ch. # 4940

An excessively rare note from this tiny eastern shore community. We have recorded only two public offerings of any kind from this bank over a 50 year period, so, if you are interested in obtaining a note from here, this is likely to be your only opportunity for some time. **Fine+**, with a few inconsequential pinholes. (375-750)



Lot #2132

2132 **Purcellville** - $5.00 Ty. 2 **The Purcellville NB** Ch. # 6018 Uncut Sheet

A very scarce item, as are all uncut sheets from this well collected state. This serial number 1 sheet is the only uncut sheet we know of from this Loudon County location. The sheet has a fold or two through the notes and one in the middle, but the notes are unusually bright and the serial number 1 example is completely unmolested. **About Uncirculated**. (1100-1600)

WASHINGTON

2133 **Camas** - $10.00 Ty. 1 **The First NB** Ch. # 10686

A very scarce note in more than acceptable condition. **Fine+**. (150-300)

REMINDER — A 10% BUYER'S FEE WILL BE ADDED TO ALL SUCCESSFUL BIDS.

2134 **Raymond**- $10.00 Ty. 1 **The First NB** Ch. # 11672

A very rare note, with only two prior public offerings of any kind from here, the last coming in a March 1985 auction. **Very Good+**. (250-450)

2135 **Spokane** - $5.00 1902 Fr. 609 **The Brotherhood's Co-Operative NB** Ch. # 12418

One of the tougher Brotherhood banks to find, particularly in nice grade. This example is the nicest note on the bank that we have encountered. **Very Fine**, with bold signatures of N.G. Ross and George O. Barnhart, who also served as President of the Brotherhood bank in Portland, Oregon. (250-450)

2136 **Tacoma** - $5.00 Ty. 1 **The Brotherhood Co-Operative NB** Ch. # 12667

We've had quite a number of small notes from here, but this example represents the first large note we've offered from this Brotherhood bank. **Fine+**, with good signatures. (175-350)

2137 **Walla Walla** - $20.00 Ty. 1 **The Baker-Boyer NB** Ch. # 3956

One of the great private name banks, and an extremely scarce one at that. The last Series 1929 offering from this bank came back in 1990, with that note, as this, being signed by Geo. Baker as President. **Very Good**, with some minor rust spotting above the portrait. (150-300)

WEST VIRGINIA

2138 **Charleston -** $5.00 1902 Fr. 598 **The Charleston NB** Ch. # 3236 Uncut Sheet

One of the very few uncut sheets we've seen from this state. Although there are folds between each note, all of the notes grade **Choice Crisp Uncirculated**. The sheet is bright and attractive, with the signatures not visible. As this is an uncut sheet, and therefore never circulated, and after close inspection, it is likely that the sheet itself was never signed. (1000-1500)

2139 **Huntington -** $20.00 1902 Fr. 654 **The Huntington NB** Ch. # 4607

A very hard to find denomination in this grade. **Choice Crisp Uncirculated**, with great signatures and brilliant colors. (300-450)

2140 **Iaeger -** $20.00 1902 Fr. 658 **The First NB** Ch. # (S)11268

An excessively rare bank which has not had an offering of any kind at public sale for the entire 50 year period for which we have records. Pen signed **Fine**, a few pinholes but overall a pleasing and attractive note for the grade. (350-650)

WISCONSIN

2141 **Burlington -** $5.00 1902 Fr. 607 **The Burlington NB** Ch. # 11783

The only denomination issued by this Racine County bank, and a very nice example indeed. Bright **Very Fine+**, with clear signatures and great color. (125-250)

2142 **Janesville -** $10.00 1882 Fr. 479 **The First NB** Ch. # 2748

This is a tougher bank in large size in general, with this Brown Back being the only such example from here we've seen. Evenly circulated **Very Good+**, with no problems whatsoever, and possessing good color and body for the grade. (250-450)

2143 **La Crosse -** $1.00 1875 Fr. 384 **The La Crosse NB** Ch. # 2344

A fully margined example which would be excellent for type. **Fine**. (150-250)

2144 **Manitowoc** - $10.00 1902 Date Back Fr. 623 **The NB of Manitowoc** Ch. # (M)4975

Pen signed serial number 1 example, the type of note which always dresses up a collection. **Fine-Very Fine**, with some pinholes. (500-900)

2145 **Milwaukee** - Fr. 635 $10.00 1902 Fr. 635 **First Wisconsin NB** Ch. # (M)64

Attractive third charter example cut just a trifle close (although not into the design at any point) at the bottom margin. There is just a touch of press bed smearing from the jet black signatures. **Choice Crisp Uncirculated**. (175-325)

2146 **Milwaukee** - $10.00 1902 Fr. 624 **The National Exchange Bank** Ch. # 1003

A scarcer Milwaukee bank to find in this grade. **Crisp Uncirculated**, cut close to but not into the design at the top. (125-250)

2147 **Milwaukee** - $10.00 1882 Fr. 487 **The Wisconsin NB** Ch. # (M)4817

Well margined and attractive **Very Fine-Extremely Fine** Brown Back with excellent color and signatures. (175-325)

2148 **Milwaukee** - $5.00 1882 Value Back Fr. 574 **The Marine NB** Ch. # (M)5458

A very scarce type and denomination, particularly in this grade. **Choice Crisp Uncirculated**, although there is a thin line running vertically across the note from the top to bottom at the President's signature. This very slight residue is noticeable but the overall appearance is still quite nice. (500-900)

2149 **Milwaukee** - $10.00 Ty. 1 **Marine National Exchange Bank** Ch. # 5458

Gem Crisp Uncirculated. (50-90)

2150 **Milwaukee** - $10.00 Ty. 1 **Marine National Exchange Bank** Ch. # 5458

Two pieces, one **Gem Crisp Uncirculated**, the other **Choice Crisp Uncirculated**. (80-125)

2151 **Milwaukee** - $5.00 1902 Fr. 609 **Sixth Wisconsin NB** Ch. # 12628

A very attractive example of this scarce title, used by the bank on large notes for only one year before the transition to small size. **Very Fine-Extremely Fine**, with engraved signatures of A.M. Bebstock and John Le Feber. (125-250)

2152 **Neenah** - $100.00 Ty. 1 **The First NB** Ch. # 1602

High denominations only in small size from this elusive bank. This example is from the next to last sheet issued. **Fine+**. (175-325)

2153 **Oconto** - $10.00 1902 Fr. 626 **The Onconto NB** Ch. # 3541

The only really attractive note we've seen from this bank. Bright **Very Fine+**, with two color pen signatures, a scarce note which is certain to please. (175-325)

2154 **Oshkosh** - $10.00 1882 Date Back Fr. 545 **The Commercial NB** Ch. # (M)5557

Decently centered **Very Fine** example of this tougher type. (150-250)

2155 **Richland Center** - $5.00 1902 Date Back Fr. 591 **The First NB** Ch. # (M)7901

A very scarce bank which issued large notes only. While other notes are known, we have recorded only two appearances of any kind from this location at public sale, one in the 1990 Snyder collection sale, and the other in our May, 1993 auction. That example, a stained Fine, brought $357.50. The example we now offer is far and away superior to our previous offering. **Very Fine**, with the purple stamp signature of the cashier and the pen signature of the vice president, a lovely note worthy of a most liberal bid. (300-600)

2156 **Ripon** - $10.00 1902 Fr. 627 **The German NB** Ch.. # (M)4305

A neat ethnic title on this no problem **Fine** example. (60-100)

2157 **Sparta** - $5.00 1902 Fr. 606 **The Farmers NB** Ch. # (M)11463

A very tough note in large size, with only $1455 outstanding from here in large notes by 1935. This is the first such example we've had from here in quite some time. Pen signed **Very Good+**. (200-400)

2158 **Milwaukee** - $10.00 1902 Fr. 635 **First Wisconsin NB** Ch. # (M)64 **EF**

IS YOUR LIBRARY COMPLETE?

In any collectable field it can be difficult to keep abreast of both historical and current market values. The prices reported in reference catalogues typically reflect past research and can often be out of date by the time of publication.

Maintaining a well rounded library of auction catalogues is a usefull tool in keeping informed about ever changing values. Reference to the list of prices realized tells at a glance what items are ***really*** worth, with values supported by actual completed transactions between willing sellers and informed buyers rather than by guess work and speculation.

At Currency Auctions of America we believe in a policy of full and complete disclosure in our lists of prices realized. When an item fails to sell and is "bought back" by the consignor we tell you so. It can be just as important to know what an item ***didn't*** sell for as what it ***did.*** With our catalogues and prices realized you'll be able to know what is ***really*** happening in the marketplace.

Listed below are the Currency Auctions of America auction catalogues which are available for your library. Single copies, including the list of prices realized, are $25.00 delivered to United States addresses.

In sending your order please note the discount schedule for purchases of multiple copies. Catalogues from different sales may be combined for the highest discount level.
